### A YELLOWSTONE ORIGIN STORY

©2022 Spike Cable Networks, Inc.

1883 is a Yellowstone origin story following the Dutton family's journey west through the last bastion of untamed America. With authentic detailed designs in a variety of rich jewelry finishes, each 1883-inspired buckle reflects the power and grit of the Dutton family.

## YELLOWSTONE

Inspired by the popular television series, *Yellowstone*, Montana Silversmiths licensed jewelry and buckles are based on the Dutton Family Ranch. The Attitude buckle line released is a rugged representation for the love of the land and American values.
