COWBOY SH*T

Cowboy Sh*t was started in 2017 by podcast hosts and western lifestyle personalities Ted Stovin and Wacey Anderson. The podcast and brand aim to create an expanded, worldwide vision of rodeo, increasing awareness of the sport and remaining a part of authentic western and rodeo culture at the highest levels.

CHRIS KYLE AMERICAN SNIPER

Chief Petty Officer and United States Navy SEAL, Chris Kyle was a loving husband, father, and friend. He often said he would like to be known for the number of lives he saved. Chris Kyle was a warrior both on, and off the battlefield. As a SEAL, a civilian, and a little league coach, Chris was known for always helping the underdog, and the underserved. Chris was the antidote to a troubled and self-serving world, with his humble nature and heart of service. He died as he lived, serving others.

Chris Kyle is also the author of American Sniper, which sold over 2 million copies and is published in over 70 languages.

AWAKEN YOUR WARRIOR

Inspired by American Sniper Chris Kyle, his widow Taya Kyle and designer Angela Blair invite you to discover Warrior Collections. These designs empower your journey in life, evoking your strength and purpose through each piece worn.

Dale Brisby is a legendary, bull ridin', gypsy soul. When he ain't spurrin' fat bramer necks for big money checks he's fixin' radiators, hunting, or getting chased by women! There's only one time that matters to Dale Brisby, Rodeo Time... On to the next one o' son. Pow pow!
