Two Trails Become One Road

In tails and white, you'll leave tonight,
with the one that you love so.
You must allow us one last chance to
tell you what we know.

As feather legged horses strain
against each single tree,
Life's heavy burdens shared by
two are drawn more easily.

And though you're now together,
yoked in love and grace,
Push not against each other,
respect the others trace.

Love shared is not divided,
but multiplied you see,
It's the only time I know, when one
and one adds up to three...

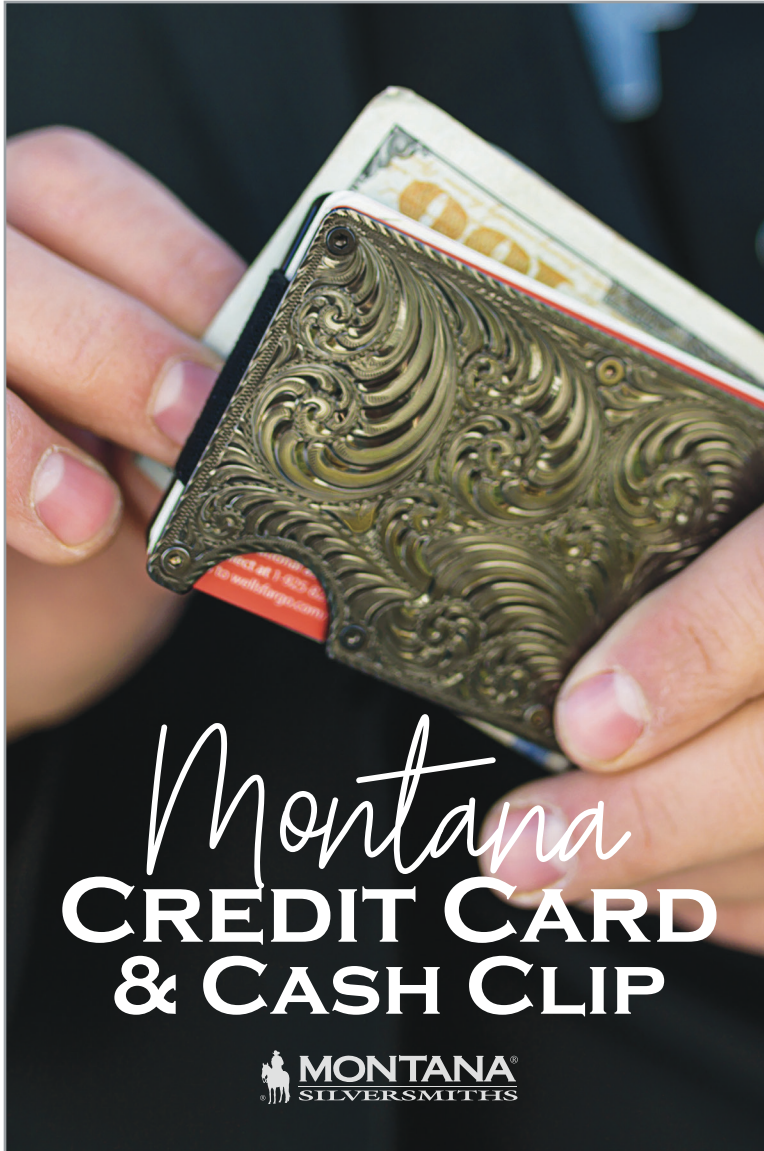

Or four, or five, or six, or even seven,
But be assured each red round face is
an angel straight from heaven.
It's time to take the parents love,
store it safely, deep within,

A new page in your book of life
you must today begin.
As together you ride separately,
two trails become one road,
That leads toward your destiny,
God bless and share your load.

CHRIS KYLE

AMERICAN SNIPER

Chief Petty Officer and United States Navy SEAL, Chris Kyle was a loving husband, father, and friend. He often said he would like to be known for the number of lives he saved. Chris Kyle was a warrior both on, and off the battlefield. As a SEAL, a civilian, and a little league coach, Chris was known for always helping the underdog, and the underserved. Chris was the antidote to a troubled and self-serving world, with his humble nature and heart of service. He died as he lived, serving others.

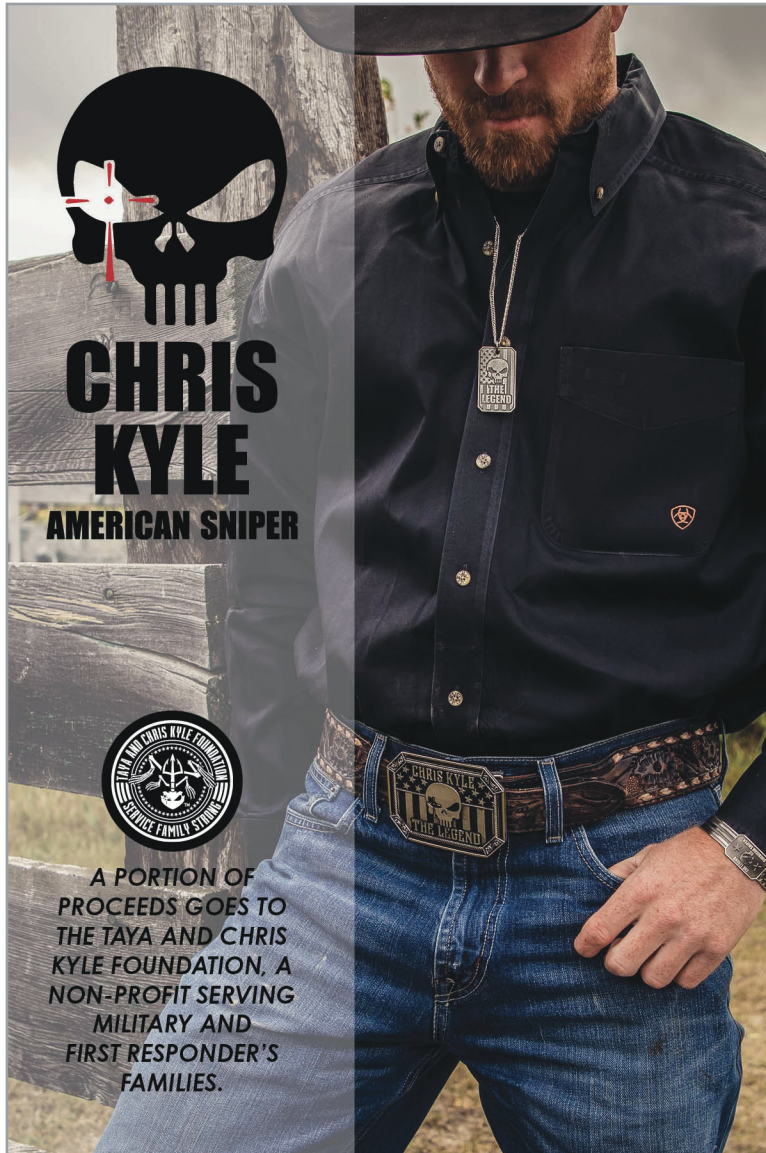

Chris Kyle is also the author of American Sniper, which sold over 2 million copies and is published in over 70 languages.

COWBOY SH*T™

Cowboy Sh*t was started in 2017 by podcast hosts and western lifestyle personalities Ted Stovin and Wacey Anderson. The podcast and brand aim to create an expanded, worldwide vision of rodeo, increasing awareness of the sport and remaining a part of authentic western and rodeo culture at the highest levels.

A portion of proceeds goes to the Montana Silversmiths Pursuit of Excellence Scholarship Program

A photograph of two men, Ted Stovin and Wacey Anderson, standing side-by-side. They are both wearing brown cowboy hats with "COWBOY SH*T" printed on the front. The man on the left is wearing a black t-shirt with a "Cowboy Sh*t" logo and a large gold belt buckle. The man on the right is wearing a blue t-shirt with a rodeo rider graphic and a smaller gold belt buckle. They are both smiling. The background behind them is a stylized, abstract graphic of a cowboy silhouette in shades of orange and yellow.
