

# A simple and easy guide on how to check jazz balance

Jazz is one of the most popular mobile network operators in Pakistan, offering affordable call, SMS, and internet packages to its customers. If you're a Jazz subscriber, it's important to keep track of your balance to avoid running out of credit at the wrong time. In this article, we'll take a look at the different methods you can use if you are looking for a guide on [how to check jazz balance](#).

## About Jazz Mobile Network

Jazz is a mobile network operator that provides cellular services to customers in Pakistan. It was originally launched as Mobilink in 1994 and later rebranded as Jazz in 2016. With over 63 million subscribers, Jazz is the largest mobile network operator in Pakistan, providing coverage in over 20,000 cities and towns across the country.

Jazz offers a range of services to its customers, including voice calling, SMS messaging, and high-speed mobile internet. The company offers both prepaid and postpaid plans, allowing customers to choose the plan that best fits their needs.

Jazz is known for its affordable call, SMS, and internet packages. The company offers a range of daily, weekly, and monthly packages that include a set number of minutes, SMS messages, and data. Customers can also choose from a variety of add-on packages for additional minutes, SMS messages, and data. Knowing **how to check jazz balance** could be a great help with these add-ons.

Jazz also has a mobile app called MyJazz, which allows customers to manage their accounts and view their usage history, current plan, and remaining balance. The app also allows customers to purchase packages and add-ons directly from their phones.

## How to check jazz balance?

### Method 1

Dialing \*111# is the most straightforward and easiest way of **how to check jazz balance**. Here's how to do it:

- Step 1: Open the dialer app on your mobile phone.
- Step 2: Dial \*111# and press the call button.
- Step 3: Wait for a few seconds until a message appears on your screen displaying your remaining balance.

This USSD code works for both prepaid and postpaid connections. It's free of charge, and you can use it as many times as you want. This method of **how to check jazz balance** is ideal if you want to quickly check your balance without having to go through any additional steps.

### Method 2

The MyJazz app is a mobile app that Jazz subscribers can download on their smartphones. It provides a range of services, including checking your balance. Here's **how to check jazz balance** using the MyJazz app:

- Step 1: Download and install the MyJazz app from the Google Play Store or the Apple App Store.
- Step 2: Launch the app and log in to your Jazz account using your Jazz number and password.
- Step 3: Once you're logged in, you'll see your account details, including your remaining balance.

The MyJazz app is a convenient way to check your Jazz balance. You can also use the app to view your usage history, manage your packages, and purchase add-ons directly from your phone.

### **Method 3**

If you prefer to check your Jazz balance on a computer, you can use the Jazz website to access your account details. Here's **how to check jazz balance** from the website:

- Step 1: Open your web browser and go to the Jazz website.
- Step 2: Click on the 'Login' button located in the top right corner of the homepage.
- Step 3: Enter your Jazz number and password to log in to your account.
- Step 4: Once you're logged in, click on the 'My Account' tab to view your balance.
