

Grudge 13 Report

extracted from [Matrix II](#)

This report about Bill English and the Grudge 13 papers was prepared by John Lear, 1414 Hollywood Blvd. Las Vegas, Nevada 89110, telephone number 702-438-8181, on October 7, 1988.

A series of PROJECT GRUDGE/BLUE BOOK reports have been released over the years in connection with the USAF's investigation into UFO's which was supposedly terminated with the release of the Condon report in the late 1960's. Reports 1 through twelve of GRUDGE/BLUE BOOK were generally innocuous and contained no classified or truly sensitive material.

There was a final report, #14 which was widely circulated and about which an entire book was written:

FLYING SAUCERS: AN ANALYSIS OF THE AIR FORCE PROJECT BLUE BOOK SPECIAL REPORT NO. 14
by **Leon Davidson**
the fifth edition was published in 1976 by Blue-Book Publishers; 64 Prospect St., White Plains, New York 10606. Missing from public view, however, was report #13.

Several years ago, **Bill English**, son of an Arizona state legislator and former captain in the Green Berets had been assigned to an RAF 'listening post' north of London as an information analyst. English was, in the course of his duties, asked to prepare an analysis of the elusive GRUDGE 13 report. On his discharge from his work at the 'listening post' he returned to the United States and began to do a little UFO research on his own. English had been no stranger to the UFO phenomenon. In Viet Nam he was a member of a Special Forces Investigative team that went in to retrieve a B-52 that was forced down by a UFO and all the occupants killed.

Communications had been received from the B-52 before it went down to the effect that it was,

"...under attack by a UFO." a "...large light...".

The plane was found intact, sitting in the Jungle. There was no swath indicative of a crash landing. Only the bottom of the fuselage showed any damage, there was no damage to the underside of the engine pods. Although the plane was completely intact the entire crew had been mutilated.

English, through contacts he still maintains has determined that the US government 'most definitely' supports a 'project dealing specifically with UFO's and captured aliens'. According to what he has learned, the US government captured a trio of aliens, and that as of mid 1981, one of the beings was still alive in captivity. English also claims that,

"at one point in the early 1950's until the mid 1960's the Air Force maintained relocation and debriefing colonies for people who had experienced close encounters of the 3rd and 4th kind. They were isolated for all intents and purposes for the rest of their lives."

He doubts that these colonies are still in existence.

English dictated 2 audio cassettes outlining what he remembered from *the Grudge 13 report*. These audio cassettes were transcribed into hand written notes by another person. The information contained therein indicated what had been suspected all along: that the U.S. Government was involved in the greatest deception in the history of mankind and that not only did flying saucers exist, but that the government had several in secret storage and had captured at least 3 live aliens.

The following is a summary of what **Bill English** remembers from what he read during that day in June, 1977 of *PROJECT GRUDGE/BLUE BOOK REPORT NO. 13*.

In Box, diplomatic pouch under lock and key system. Lock had been opened, pouch was easily accessed. Standard diplomatic couriers pouch marked American Embassy Couriers, contained pouch serial number JL327Delta. Inside a publication with red tape which indicated code red security precautions and an Air Force disposition form. Disposition form was standard white page copy, title was 'Analysis Report'.

Further down was 'Analyse enclosed report under code red measures, give abstract breakdown and report on validity. Observe all code red measures. Analysis required immediately'.

Underneath were a series of dashes then the letters NDF then another series of dashes. Below that, lower left hand corner were the initials WGB.

Publication was withdrawn from pouch. It measured approximately 8" by 11" with gray cover. Heavily bound, paper back style similar to technical manuals. Across the center front it read, "[Grudge/Blue Book Report No. 13](#)". It was dated 1953-(1963). In the lower right hand corner was AFSN 2246-3. In upper left hand corner was the word 'annotated'. Across the front upper right hand corner to lower left hand corner was red tape indicating code red security measures.

Across the front was stamped in red ink 'Top Secret Need To Know Only Crypto Clearance 14 Required'. Inside front cover upper left hand corner were hand written notations in ink which were blacked out by black felt pen.

Inside cover sheet was basically the same information as the cover. Second page was title page. Next page after that was an appendix with numerous notations made in it. Notations dealt with inserts of what appeared to be photos-and additional notes. At bottom of third page it read G/BV Page 1 of 624 pages. Title page was subject letter. Complete list of appendix not remembered. Title. Some notes on the practical applications of the Worst Nemo equations.

Must stress at this point that the version seen was annotated. There were inserts that were added to this copy after it had been initially printed. Sections remembered very vividly are the photographs and the reports concerning captive sightings of various UFO's to include Mexico, Sweden, United States, and Canada. There were also what was then classified Close Encounters of the 3rd Kind. It was made very clear that these people whom it was determined had genuine CE 3's were moved in the middle of the night by Air Force personnel and relocated to various sites in the Midwest and northwest parts of the United States. In many cases these people experienced physical ailments from exposure to various types of radiation.

One case especially noted and remembered very vividly was entitled 'Darlington Farm Case' out of Ohio. Case apparently took place in October 1953. Man, wife and 13 year old son were sitting down at dinner table. As they sat there the lights in the farm house began to dim. Dogs and animals raised ruckus outside. 13 year old boy got up from dinner table to see what was going on. Called his mother and father to come look at the funny light in the sky. Father and mother got up and as they got up the son went outside into the yard. Father and mother went out onto the porch.

When they got out on the porch one of the dogs broke loose from leash beside house and came running around front. Boy began chasing it out into the open field. As mother and father watched the light came down from the sky. They described it as a round ball of fire and it began to, hover over field where boy and dog had run to. As they stood and watched, the mother and father heard the boy start screaming for help whereupon the father grabbed his shotgun which was right next to the door and began to run out into the field with the mother following. When the father got to the field he saw his son being carried away by what looked like little men, into this huge fiery looking object.

As it took off the father fired several rounds at the object, to no avail. They found dog, its head was crushed but no sign of boy or any other footprints of the little men who apparently carried him off. Father immediately called Darlington police and they immediately came out to investigate. The official report read that the boy had run off and was lost in the forest which bordered the farm. Within 48 hours the Air Force made the determination that the family was to be relocated and the mother and father were picked up by Air Force intelligence and all personal belongings and possessions were loaded into U.S. Air Force trucks and moved to a northwestern relocation site.

The mother was in shock and had to go through a great deal of psychotherapy and deprogramming as did father. One interesting aspect about this case was classification under the Air Force report which read it was a genuine CE 3 and that for the good of the national security the mother and father had been relocated to re-location zones Z21-14. Not sure whether this indicated map grid coordinates or latitude longitude.

According to the report there were at least 4 relocation sites across the United States. Depending upon which type of encounter these people had, the report indicated that there were extensive medical facilities available at these relocation sites to deal with all medical emergencies up to and including radiation poisoning. The report mentioned a site located in the Utah-Nevada area, but no indication of its purpose or what it was for.

Report gave clear indication of reports of human mutilations, most notably was a case witnessed by Air Force personnel in which an Air Force Sgt. EE-6 by the name of **Jonathan P. Lovette** was observed being taken captive aboard what appeared to be a UFO at the White Sands Missile Test Range in New Mexico. This abduction took place in March of 1956 at about 0300 local and was witnessed by Major **William Cunningham** of the United States Air Force Missile Test Command near Holloman Air Force Base.

Major Cunningham and Sgt. Lovette were out in a field downrange from the launch sites looking for debris from a missile test when Sgt. Lovette went over the ridge of a small sand dune and was out of sight for a time. Major Cunningham heard Sgt. Lovette scream in what was described as terror or agony. The major, thinking the Sgt. had been bitten by a snake or something ran over the crest of the dune and saw Sgt. Lovette being dragged into what appeared to him and was described as being a silvery disk like object which hovered in the air approximately 15 to 20 feet.

Major Cunningham described what appeared to be a long snake-like object which was wrapped around the sergeant's legs and was dragging him to the craft. Major Cunningham admittedly froze as the sergeant was dragged inside the disc and observed the disc going up into the sky very quickly. Major Cunningham got on the Jeep radio and reported the incident to Missile Control whereupon Missile Control confirmed a radar sighting. Search parties went out into the field looking for Sgt. Lovette. Major Cunningham's report was taken and he was admitted to the White Sands Base Dispensary for observation.

The search for Sgt. Lovette was continued for 3 days at the end of which his nude body was found approximately 10 miles downrange. The body had been mutilated; the tongue had been removed from lower portion of the jaw. An incision had been made just under the tip of the chin and extended all the way back to the esophagus and larynx. He had been emasculated and his eyes had been removed. Also, his anus had been removed and there were comments in the report on the apparent surgical skill of the removal of these items including the genitalia.

The report commented that the anus and genitalia had been removed 'as though a plug' which in the case of the anus extended all the way up to the colon. There was no sign of blood within the system. The initial autopsy report confirmed that the system had been completely drained of blood and that there was no vascular collapse due to death by bleeding.

Sub comment was added that this was unusual because anybody who dies or has complete loss of blood there is vascular collapse. Also noted was that when the body was found there were a number of dead predatory type birds within the area who apparently had died after trying to partake of the sergeant's body. There were a number of extremely grisly black and white photos. From all indications the body had been exposed to the elements for at least a day or two. The New Mexico sun in the desert is extremely hot and debilitating under normal circumstances.

In this section of the report it also indicated that there were numerous occasions in which a UFO tracked alongside of a fired missile and on one occasion said missile was observed being taken aboard a UFO while in flight. The speeds indicated were absolutely phenomenal.

(English's father had told him privately that on more than one occasion he had personally tracked what they termed as 'foo fighters'. English' father was an electronic engineer by profession and was fairly well versed on electronics engineering and design and on more than one occasion he was involved in telemetry programming of missiles. English's father is currently a state legislator in Arizona.)

The report also indicated that there were a number of recovery teams that were activated specifically for the purpose of recovering any and all evidence of UFO's and UFO sightings. Most notably recorded in publication was what they called **Recovery Team Alpha**. It was reported that Alpha had been extremely active in a number of areas and on certain occasions had traveled outside of the continental United States. Alpha was based out of Wright-Patterson Air Force Base and was on the move constantly.

Further information in the report consisted of such things as reported sightings and where air force planes had been destroyed or had combat encounters or had been attacked by UFO's. Also there were autopsy reports of some type of human mutilations.

About midway through the report came a section which dealt specifically with photographs. Each photo was labeled and appended to certain reports. A number of photos in there dealt with a recovery program of some type that took place in the southwestern part of the United States. They did not give a location name but they did give grid coordinates for that area. There is no clear indication to exactly where it was. The photos dealt with special teams that were called in to recover a crashed UFO. It also dealt with alien bodies and autopsy reports, autopsy type photographs, high quality, color, 8x10, 5x7.

Photo number 1 showed an alien being on an autopsy table which is a metal table with runnels and traps underneath to trap fluid and feces. Body appeared to be a little short of 4 feet. Table was about 7 foot. No clothing on body, no genitalia, body completely heterous, head was rounded cranium, slightly enlarged, eyes almond shaped, slits where nose would be, extremely small mouth, receding chin line, holes where ears would be.

Photo was taken at angle, side view, looking at body from 45° elevation, left hand was visible, head was facing to left, body was right to left position (head on right, feet on left), eyes were closed appeared oriental-looking and almond shaped, left hand slight longer than normal, wrist coming down just about 2 to 3 inches above the knees. Wrists appeared to be articulated in a fashion that allowed a double joint with 3 digit fingers. Wrist was very slender. There was no thumb. A palm was almost non-existent. The three fingers were direct extension from the wrist.

Color of the skin was bluish gray, dark bluish gray. At base of the body there was a darker color, indicating body was dead for some time. Body fluid or blood had settled to base of body. This indicated that body had been examined before beginning autopsy.

Picture showed beginning stages of autopsy, following standard procedure, body was slit from crotch to just under chin and green viscous liquid was in evidence. There were internal organs but these could not be identified. Photos thereafter concerned specific areas of internal organs of what appeared as small cluster of a multi-valve heart or at least 2 hearts within the cadaver.

No accurate description of autopsy report or what was found within corpse accompanying photos. Indication that there was no stomach or digestive track per se. Later analysis showed that fluid within body was chlorophyll-based liquid which apparently dealt with photosynthesis or similar process. The report theorized that nourishment was taken in through mouth, however since there is no digestive track or anything of this nature, the waste products were excreted through skin.

One section of report did specify that cadavers were extremely odorous, but this could be accounted for by either deterioration or a number of things, but theory was that waste was excreted through pores of skin. They could only theorize in report because there was no xenobiology.

A report by Dr. **J. Allen Hynek** was recalled vividly which indicated that he had also studied the information provided by this particular case and that he felt that it was indeed a genuine UFO capture and subsequently the alien was part of UFO. Dr. Hynek was non-committal but did however sign the report. Also indicated in report that he did not view bodies personally, but viewed photographs and accompanying reports from autopsies.

Other photos dealt with a number of bodies which were vivisectioned in various ways. At one point, a head was removed from body and photographed and autopsy was performed on head. The cranium was opened and brain matter was photographed and evident. Interesting thing about photo was that there was a ridge-bone or dividing partition-type bone running directly through center of skull, from front to back, as though dividing two brains, one from the other. This seemed apparent from the picture. The skin was completely removed from cranial structure and the skull was layed bare as much as possible.

At one point the skull was cut directly in half and photo showed under developed esophagus and nasal cavities. No clear photo of eye orbs as we know them, just photos of complete vivisection of skull itself.

Numerous photos of flesh of the being starting with cutaneous and subcutaneous micro-photographic plates. Appeared to be cellular studies done under microscope and electron microscope type photos. Extreme magnification of tissue samples.

This concluded the **Bill English** statement which was transcribed from 2 cassette tapes. I obtained this handwritten memorandum in August of 1987 from **Paul Bennowitz** during my visit with him in Albuquerque. In September of 1988 I received a call from Bill English. I asked for a chance to meet him and discuss the *Grudge 13 report*.

He said that this could be arranged but that the meeting would have to be on his terms for security reasons. He explained that there had been several attempts on his life by persons unknown since he had made the cassette tapes about 6 years ago. We arranged a meeting at a small airport in Virginia on September 16. I was to sit in the lobby with my black flight bag and for identification purposes I told Bill what I would be wearing. I had no telephone number for Bill.

As I walked in the small airport lobby after a 3 hour drive from Richmond I immediately noticed 2 gentlemen who seemed 'out of place' for this locale. Both were wearing pin-striped 3 piece suits, both had on dark glasses. One was a black gentlemen. One was stationed inside the lobby door looking out at the parking lot, one was leaning up against an airline counter.

I sat down and after a few minutes was approached by a tall, bearded man in jeans and a heavy jacket. He asked if I wanted to have a drink. We walked outside and he introduced himself as **Bill English**. We drove in Bills car into town to a local bar. About 5 minutes after we ordered and had started to talk, the man I had seen at the airport came into the bar and sat down. We went for Bills house and never saw the men again for the next 2 days.

During the next 2 days I stayed with Bill and his wife and 2 children in a small trailer in the middle of a field at his farm. I asked him endless questions concerning the Grudge 13 document, how he happened to see it, what happened to him after he saw it and literally thousands of questions about the content of the document. My impression of Bill English was that he was totally honest, that he stood behind his statements and recollection of the Grudge 13 papers, that he was a devoted husband and father to his wife' 2 children.

That **Bill English** was ready to come forward and enter into any debate regarding the legitimacy of the document and his recollections thereof. Of Bills compassion for his father and his fathers feelings concerning Bill and the reasons for their occasional disagreements. I have tremendous respect for Bill and what he has tried to do in getting this information out to the public. It has been at tremendous personal risk not to mention the ridicule by sponsored agents such as **Bill Moore** who has stated that the *Grudge 13 papers are a fraud*.

What follows is additional information about the Grudge 13 papers that I obtained from Bill during my visit. In addition to the following Bill painstakingly drew many sketches of the photos of different types of flying saucers, the equipment obtained from them including a sketch of the football sized nuclear generator and sketches of the autopsy photos.

From my notes taken during our 2 day meeting:

1. Bill described a photo taken of 3 live aliens. Very clear photo, aliens standing against white tile wall, looking confused as if they had been shoved, were looking in different directions.
2. Report said that aliens had contacted a U.S. Intelligence Agency for initial 2 meetings, one at Holloman one at Homestead.
3. U.S. Air Force relocation personnel (for persons involved in close encounters) were referred to in report as 'Men in Black'.
4. Major Cunningham was initially accused of murdering Sgt. Jonathan P. Lovette. Charges were later dropped.
5. Bill English's place of employment in England was RAF Security Services Command, RAF Chicksands.
6. Entire Grudge 13 report was written as if report was geared toward preparation of defenses.
7. Report told of ultrasonic weapons found in Germany at the end of WW 2 that could shatter 4" thick armor.
8. Report told of sensitive military and industrial areas at which personnel experienced missing time.
9. Report told about missing time experienced with personnel associated with North American X-15 rocket plane project.
10. Report stated that there were 17 different extraterrestrial species accounted for up to the time of the report.
11. Extraterrestrials were referred to as A.L.F.'s, *Alien Life Forms* in the report.
12. Report referred to one UFO that was recovered and test flown. The UFO blew up as the 2 Air Force pilot aboard attempted to leave the atomic sphere, English recalls the date as the mid 50's.
13. Report referred to flying saucer program as Project 'Red Light' and that a secret installation had been constructed in the middle of the Atomic Energy Commission testing ground in Nevada
14. At the time of the report 11 alien cadavers were being kept at Wright-Patterson Air Force Base.
15. That additional alien cadavers were being stored at 4 to 5 other medical institutions
16. That 2 flying saucers of extraterrestrial origin had been tested in the wind tunnel at Langley, Va.
17. That at the time of the report one disc was being stored at McDiil Air Force Base in Florida.
18. That at the time of the report, 1 damaged disc was at Eglin Air Force Base in Florida
19. That at the time of the report there had been 2 UFO incidents at Ft. Riley, Kansas.
20. That at the time of the report a detachment of the Alpha recovery team was based at Randolph Air Force Base.
21. The report discussed civilian and military personnel who had been terminated 'to eliminate potentially dangerous elements to the national security'.
22. That Gen. **James Doolittle** had been mentioned several times in the report with the notation that "His (Doolittle's) predictions might be correct." There was no indication of what those *predictions* might have been.
23. A short segment containing the quotation, "By presidential order, certain aspects of research had been undertaken."
