

# Home & Property Protection From Evil

## Items you will need:

1. 4 pieces of ¼" thick steel rebar by 2' long.

2. A hammer (I personally prefer a ball-peen hammer as the sharp ends are not there).

3. Lots of white salt (either granulated or rock salt).

4. Clear packing tape (to tape down the salt so it won't be blown or knocked away and to keep it clean).

5. The following incense: Sage, Frankincense & Myrrh.

6. Charcoal incense burner cakes (these are sold in many stores that sell incense and usually come in foil packets with up to 6 or more per packet).

7. A flat rock or thin cement piece to put the hot charcoal burner cake on (you need to be able to carry it **ALL** over your property (or something like the burner seen above))

8. A lighter (long ones are easiest to use for this procedure).

9. The **Jesus Christ Invocation** for structures:

All Beings, Lifeforms, Thoughtforms, Entities, Assemblages, Technologies and all else that Exists That Do Not Have The Highest Interest of All Life Everywhere

And My Highest (also add names of ALL those residing in the home) Interest In Thought, Form, Action, Mind, Deed or Word;

I Demand you to Leave (this vehicle or this structure) On All Levels, Dimensions, Densities and Locations **NOW & FOREVER & NEVER RETURN.**

ALL PERMISSION to influence from within or without in ANY way, to possess or cohabit in part or in whole, to infect or affect in ANY way or create or maintain attachments is **PERMANENTLY AND FOREVER REMOVED.**

In The Name of The One True Living God Of ALL Compassion, Love, Light & Creation, The Holy Spirit of God, and their Beloved Holy Son, The Jesus Christ,  
AMEN.

10. \*Optional (we did this but it's up to the individual) -- pictures printed and laminated of the Compassion of Christ energy from the Sun (these pictures were taken on my wife's cell phone during the last full eclipse in the U.S., on the border of Wyoming & Nebraska). My wife also had the 2 vertical ones put onto glass, as stained glass. (See photos at the end of this document.)

## Protocol/Procedure

- This procedure is most easily performed with 2 people. One person is to go throughout the property/home while holding the incense burner and reciting the Jesus Christ Invocation (this person will need to have it memorized) for home/property. This person is the cleanser.
- Prior to starting the procedure, wipe and clean all door thresholds and windowsills. Clean and dry so that the tape to be used later will adhere well. (Plastic tubing can be used to hold the salt or it can be taped down directly.)
- The incense burner has the charcoal on top or in it. Put all 3 of the incense on top of the charcoal (frankincense, myrrh and sage) and then light it and get a good smoke going.
- The second person (leader and assistant) leads the other person as they go throughout the property/home and opens every door, cabinet, drawer, freezer, refrigerator, stove, oven, closet, crawl space, etc. in every room and area of the home and property. This person should be running the Jesus Christ Invocation simultaneously in their mind, while assisting the cleanser.
- Start from the basement or lowest area of the home or property and work your way to the top and then proceed out of the home or habitation into the outside areas. While moving about rooms, try to maintain a clockwise direction.
- Do NOT forget garages and all vehicles on the property (for vehicles, ensure that glove compartments, trunks and hoods are all opened).
- While the second person leads the cleanser, they are using their hand to waft the smoke into every area (Native Americans call this smudging or removing of demonic entities).

- Once the home is cleaned and still smoky, put a line of salt at the edge (inside the house) of all windows and doors. Tape this line of salt in place with the clear packing tape. (Tubing can be used – filled with salt and taped down, if desired.)
- Then continue outside doing the same technique – smoking/smudging, running the Jesus Christ Invocation and moving as much as possible in a clockwise direction.
- Once the entire property is completely cleared, go to each corner of the property and drive one of the rebar stakes entirely into the ground until it is completely underground (at least 1” below).

**This completes the protocol.**

For enhancement of protection, the below pictures can be printed, laminated and put up on fences facing inwards on the property or any other area that the person desires to have amplified by the Compassion of Jesus Christ; The Only Son of THE ONE TRUE God of ALL Creation.

Additionally, there are companies that can print pictures onto glass to make them stained glass and then the glass can be attached over a window so that the light of the sun shines through it into the home.

*God Bless and Thank You!*
