

Guns, Gold, and Glory (The Ballad of Kooldip and McNair)

[Verse]

Dundee Switch, a big, big horse
Kuldip Dahr, a man with more cash flow
Kooldest Kid – with class to make ya swoon
And Perry McNair is the Villain of choice!

[Verse 2x]

Now you can't do that like Dundee Switch
And you can't do that like Perry McNair
You can not do that like Kuldip Dahr
Just wait 'til you meet that Kooolest Kid!
