

Maid of Might

[Verse]

Red, white, and blue
Goin' to high school like you
Someday she'll be a mom
But not if the planet gets bombed
Called by the United Nations
Even when on vacation
Her secret is safe with the President
She won't tell even her friends

[Bridge]

Defending the Universe without many clothes
Sexy in every way
With cool, unbelievable supernatural powers
She keeps the villains at bay!

[Chorus]
Supergirl, Supergirl, Supergirl!
Supergirl, Supergirl, Supergirl!

[Bridge][Chorus]

guitar solo

[Verse]

[Bridge][Chorus]
