

## Send 'em Big Bird

Fish, water, people, how ya doin'?  
Fish, water, people, how ya doin'?  
Fish, water, people, how ya doin'?  
Fish, water, people, how ya doin'?

My arms are not big  
And I can't move faster  
And I can't rip those guts like you  
My X-ray vision is out of focus  
And I don't know how to read your mind...

Send 'em, Big Bird  
Send 'em, Big Bird
