("Bigfoot Is Real")

FADE IN:

EXT. DEEP FOREST - NIGHT

Total darkness.

A slow WIND moves through towering trees.

CRACK.

A branch snaps somewhere in the distance.

Silence.

...then-

THUD.

THUD.

THUD.

Something massive is coming.

The forest ERUPTS.

A gigantic SASQUATCH bursts through the trees-

SMASHING trunks aside like matchsticks.

Wood SPLINTERS.

Branches EXPLODE.

Leaves scatter violently.

His eyes burn with intensity.

Unstoppable.

Primitive.

FOCUSED.

ANGLE ON:

A TORN SACK in his left hand—

overflowing with TOMATOES.

Bright red.

He reaches in—

GRABS a handful—

AND FIRES.

Tomatoes launch forward like BULLETS.

They EXPLODE midair—

SPLATTERING across trees, rocks, the forest floor—

violent bursts of red.

The rhythm becomes relentless.

THROW.

THROW.

THROW.

The Sasquatch pauses.

Breathing heavy.

The forest is wrecked.

He tilts his head.

Listening.

Without hesitation—

HE CHARGES AGAIN.

Full speed.

Nothing will stop him.

Trees FALL.

Earth SHAKES.

His movements become FASTER.

Tomatoes fly in PERFECT ARCS—

Triplets.

Triplets.

Triplets.

A massive tree—

DIRECTLY IN HIS PATH.

He winds up—

HURLS a final tomato—

It SMASHES—

and the tree EXPLODES outward.

Silence.

The Sasquatch stands alone in the wreckage.

Breathing.

He slowly turns toward camera.

Eyes glowing.

REAL.

CUT TO BLACK.

SUPERIMPOSE:
