

DESIGN A PRINTABLE POSTCARD FOR YOUR SPONSORED CHILD!

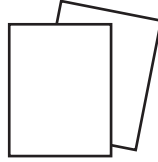

Send your sponsored child a special homemade postcard that you can print right from home. Complete this fun DIY craft and mail it to your sponsored child to let them know you are thinking of them. Be as creative as you'd like to show how much you care or send the postcards blank so your sponsored child can decorate them.

Materials needed:

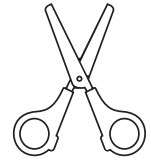

Printable postcards (included)

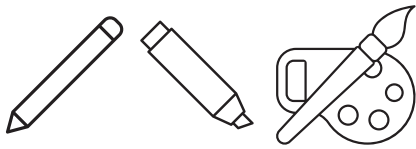

Card stock paper

Glue stick

Scissors

Pencils, markers, paint, or paint markers

Stickers (optional)

Instructions:

1. Print postcards (included) on cardstock.
2. Cut out the postcard along the dotted lines.
3. Cut out another piece of cardstock to match the postcard size.
4. Glue the postcard to the blank card stock using a heavy duty glue stick.
5. Decorate the blank side with an encouraging message or drawings. This is your chance to get creative! Or leave the postcard blank so your sponsored child can decorate it.
6. Write a message to your sponsored child on the "address" side of the postcard under "Your Message." Our staff will translate your message on the right.
7. Now you're ready to send your postcard! Mail the postcard with your letter in an envelope to:

Phoenix, AZ 85034

Please include your sponsored child's name and ID# on both the address side of the postcard and the front of the envelope.
