

### *A Story of Hope*

Sixta was skeptical when she started attending FH meetings with other neighborhood moms. But as FH staff continued sharing about the hope of God and prayed for Sixta, her mindset began to change, and she started to see that God has a good plan and he wants children to be healthy! Today, Sixta is a leader in her community and she shares these important lessons with other moms so that every family can understand God's good plan for his children!

### A LIFE-CHANGING GIFT

has been given

### IN YOUR HONOR

The greatest gift is sharing the hope and love of Jesus with vulnerable people around the world. This gift will provide access to Scripture and discipleship based on Biblical truths, equipping leaders to serve their communities and share their faith, so that all might know the love of God and understand His vision for their lives.
