Bibbulmun Track - Albany to Denmark

This stretch of the Bibbulmun Track follows the magnificent southern coastline from Albany to Denmark. The rugged coastal scenery and spring wildflowers on this section of the Bibbulmun Track are some of the best in the whole of Western Australia!

This relaxing escape offers the perfect blend of activity and rest. Most of the walks are fairly easy, ranging from 13 to 19 km per day. But there are some steep sections and some beach walking, just to keep it interesting!

You'll have time on some afternoons to enjoy the lovely town of Denmark or simply enjoy the serenity of the forest chalets. The Albany to Denmark section of the Bibbulmun Track is a popular walk for wildflower enthusiasts and those looking for an active, but relaxing, escape.

No camping or heavy backpacks. Return to comfortable accommodation each day.

Testimonials

Beautiful walk with spectacular coastal views, undulating terrain, an amazing variety of wildflowers, particularly native orchids. Our guides were fantastic - well organized, humorous, helpful and very informative on the local flora, fauna, history, and geology. We enjoyed comfortable accommodation at the Cove and delicious home-cooked meals prepared by our guides who catered for all the dietary requirements of our group. I enjoyed recounting the highlights of each day and being well informed each evening about the plans for the next day. I would highly recommend Inspirational Outdoors and I plan to walk with them again..

Day 3

THE WIND FARM TO MUTTON BIRD RD

From the cliff-side wind turbines, we head west along the Bibbulmun Track with beautiful sweeping views of the coast. The wildflowers along this section are usually spectacular and the walking is fairly easy.

We finish at a lovely coastal bay with views of Shelter Island a great place for a swim, or just to cool off your feet.

Activity: 13km walk

Meals: B, L, D

Accommodation: Cosy Corner Seaview Apartments (or similar)

Day 4

MUTTON BIRD RD TO SHELLEY BEACH

We start with a beach walk and cross the Torbay Inlet by foot.* Let your mind wander on the lovely 6 km beach walk into Cosy Corner where we'll have some morning tea.

After morning tea we head up through some interesting and varied environments. We walk through peaceful groves of trees; over granite outcrops with their sticky tail flowers on display; and we are treated to million dollar coastal views. Our walk ends at Shelley Beach where we might glimpse a hang glider soaring above the white sand beach.

*At this time of year a sandbar has usually formed over the mouth of the inlet but we may have to wade. It may be ankle to thigh deep. If the flow is too fast or the water too deep, we will walk an alternative route.

Activity: 15.5km walk

Meals: B, L, D

Accommodation: Cosy Corner Seaview Apartments (or similar)

Day 5

SHELLEY BEACH TO LOWLANDS

Today's walk is mostly within the spectacular West Cape Howe National Park, accompanied by a profusion of wildflowers.

There is a bit of up-hill walking early on especially one section with many stairs! After that it's fairly easy walking. We visit the West Cape Howe campsite, then it's all downhill to finish the day at the beautiful Lowlands Beach. Take a dip or just sit and take it all in.

About our tours

First, our tours are for people who like to walk long(ish) distances. That means we usually leave our accommodation pretty early each morning (between 7.30 and 8.30) and finish walking mid to late afternoon.

You won't break any records on our walks - for fastest or slowest hike. We keep a steady pace, but there are plenty of opportunities to rest, take photos and appreciate the views along the way.

A relaxed, social and supportive atmosphere is central to our tours. Have a chat and enjoy the sights and smells with your walking companions. Then back at the accommodation, slip into your comfy slacks and slippers and put your feet up with a cup of tea or a wine. Enjoy the conversation around the dinner table. And if you want to go to bed as soon as you've finished the last spoonful of dessert, or stay up and chat, you can.

We don't specialise in birds or plants or rare subterranean amphibians - although we're interested in all of these things. There are no evening lectures and you don't need to bring a notepad and pen (unless you want to). We have a sound and ever-expanding knowledge of the unique and special environments that we walk through, and love sharing what we know with those who are interested. We especially like digging around for stories of the plants and people whose history is linked with the areas we walk in and we'll share those stories with you as we walk.

Our tours are for those who enjoy the simple pleasure of walking in nature, combined with the luxuries of a proper relaxing holiday. We pay attention to the details so that you can relax and enjoy the experience. With the assistance of a team of knowledgeable friends, Inspiration Outdoors aims to provide... Recreation Beyond Expectation
