# Kakadu National Park Walking Tour

Come on a journey with us as we head deep into the heart of the Top End to the three National Parks this area is famous for, Kakadu, Nitmiluk and Litchfield. We'll explore on foot spectacular gorges, wetlands, and escarpments with plenty of time to relax in secluded swimming holes.

In Kakadu you'll visit remote and restricted rock art galleries including the sacred Ubirr and Nourlangie rock art sites and enjoy a full day tour of Arnhemland, the last frontier of indigenous culture with a local guide. In Nitmiluk, you will walk the last day of the remote Jatbula Trail, with it's series of secluded pools and waterfalls to cool off in on the way. After this its onto the Katherine Gorge area of Nitmiluk. Highlights include Butterfly Gorge (a rainforest haven for butterflies) and cruising up the mighty Katherine River.

The tour finishes with a full day spent in Litchfield National Park. Stand in awe as you soak in the beauty of the lush rainforest trails and waterfalls of one of the Northern Territory's most iconic attractions.

## Testimonials

This 8 day tour was a wonderful opportunity to experience the best the Northern Territory Top End has to offer. Our walks each day were varied as we experienced the rich indigenous culture, stunning landscape, gorges and waterfalls, interspersed with many swims in beautiful waterholes and plunge pools. Rachelle and Campbell, our very capable and caring guides were wonderful and the whole trip was expertly planned. The food and accommodation was excellent as always with Inspiration Outdoor trips. Thank you once again for enabling me to experience this very special place in Australia.

## Day 2 DARWIN TO JABIRU

We depart Darwin early this morning from our centrally located hotel.

Our first destination is Mamukala Wetlands, which is in the World heritage-listed Kakadu National Park. Here we will have the opportunity to stretch our legs for a short walk to the bird hide and a chance to spot some wetland birds in this bountiful refuge.

From Mamukala we then drive to Ubirr, one of Kakadu's rock art gems. Here we learn more about the local Aboriginal history and stories as we explore the different rock art galleries.

From Ubirr we then head to Jabiru, where we check in to our comfortable rooms, which we will call home for the next few nights.

Activity: 2-3hrs of walking

Meals: B, L, D

## About our tours

First, our tours are for people who like to walk long(ish) distances. That means we usually leave our accommodation pretty early each morning (between 7.30 and 8.30) and finish walking mid to late afternoon.

You won't break any records on our walks - for fastest or slowest hike. We keep a steady pace, but there are plenty of opportunities to rest, take photos and appreciate the views along the way.

A relaxed, social and supportive atmosphere is central to our tours. Have a chat and enjoy the sights and smells with your walking companions. Then back at the accommodation, slip into your comfy slacks and slippers and put your feet up with a cup of tea or a wine. Enjoy the conversation around the dinner table. And if you want to go to bed as soon as you've finished the last spoonful of dessert, or stay up and chat, you can.

We don't specialise in birds or plants or rare subterranean amphibians - although we're interested in all of these things. There are no evening lectures and you don't need to bring a notepad and pen (unless you want to). We have a sound and ever-expanding knowledge of the unique and special environments that we walk through, and love sharing what we know with those who are interested. We especially like digging around for stories of the plants and people whose history is linked with the areas we walk in and we'll share those stories with you as we walk.

Our tours are for those who enjoy the simple pleasure of walking in nature, combined with the luxuries of a proper relaxing holiday. We pay attention to the details so that you can relax and enjoy the experience. With the assistance of a team of knowledgeable friends, Inspiration Outdoors aims to provide... Recreation Beyond Expectation
