Karijini and Ningaloo Reef

Explore the dramatic gorges of Karijini National park, and soak up the beauty of the Ningaloo reef on this amazing guided tour. This is an active holiday that will leave you feeling on top of the world at your, absolute best, with the perfect blend of activity and rest.

Our Karijini National Park tour and Ningaloo tour is designed to give you an in depth walking tour of Karijini as well as an opportunity to swim with the whale sharks and snorkel on the Ningaloo reef. There is plenty of time to swim in many of the gorges with ample time to relax and take in the tranquil atmosphere and beautiful landscapes. By flying into Paraburdoo and out of Exmouth we have minimised driving time.

As this tour takes us to some remote places it is one of our comfortable camping-based tours. Each guest will stay in a semi permanent tent, with a cosy camping bed.

Testimonials

A very well organized and run tour. Our 2 guides, Malcolm and Campbell, led our group of 14 in a professional, but entertaining manner. The gorge vistas were spectacular, and each gorge had its own highlight and character...it was never mainstream or boring. Karijini seems to be not widely known on the tourist path but this will change as word gets out. There was plenty to do each day or you could kick back for a bit, so the programming of attractions and activities was a big plus for my wife and I. I have recommended this tour to all my friends since arriving home.

Day 2

KALAMINA GORGE, KARIJINI VISITORS CENTRE AND DALES GORGE

First up today, we will head deep into the park to check out the spectacular Kalamina gorge. Though the path is rocky and uneven under foot this is one of the easier walks with a mostly gentle descent. At the bottom of the gorge, we will be rewarded by one of Karijini's perfect swimming holes where we can cool off.

After Kalamina gorge, we will take the opportunity to stop in at the Visitor's centre, learn about the parks history and grab yourself an ice cream. After a picnic lunch, we will go to Dale's Gorge where we will spend the rest of the afternoon. The stunning water holes in this area with their deep red rocks, lush ferns and waterfalls offer an experience you will remember for the rest of your life.

Once we have had our fill, we will head back to camp for our meal together, under the stars.

Activity: Short, rocky, uneven gorge walking

Meals: B, L, D

Accommodation: Karijini National Park - Eco Retreat campground (or similar)

Day 3

MT BRUCE

Mt Bruce is Western Australia's second highest peak. The Mt Bruce walk trail is a fantastic ridge walk, with some steep and rocky sections along the route. From one side you'll have the vista of Karijini Range; from the other an iron ore mine! The 9.5 km return walk will take us most of the day and is definitely worth the effort.

Activity: 9.5km, challenging walk

Meals: B, L, D

Accommodation: Karijini National Park - Eco Retreat campground (or similar)

.....

Day 4

HANCOCK AND WEANO GORGE

We'll explore two of the most iconic gorges in Karijini - Hancock and Weano. The walks are challenging in places, but not difficult. Both involve some wading and clambering on rocks and ledges; and both reward us with fantastic jade pools nestled deep within the narrow gorge walls. Highlights include the Spider Walk and Kermit's Pool.

Activity: Short, rocky, uneven gorge walking

Meals: B, L, D

Accommodation: Karijini National Park - Eco Retreat campground (or similar)

Day 5

WALK UP MT NAMELESS, DRIVE TO CHEELA PLAINS (VIA TOM PRICE)

This morning you will say farewell to Karijini and begin your journey to the West Coast. The rocky peak of Mt Nameless (Jarndunmunha) dominates the landscape as you drive towards Tom Price. We will follow the trail, along the ridge line to the top of this significant mountain. This is a 4.5km, class 4 return walk with some challenging sections but rewarding views!

For those after an alternative to hiking Mt Nameless, there is a mine site tour which leaves from the visitors centre or you may wish to spend the morning relaxing in the township of Tom Price at a local cafe.

In the afternoon we depart Tom Price for Cheela Plains, a true outback station stay where you will enjoy a delicious meal under the spectacular desert night sky!

Activity: Short walk

Meals: B, L, D

Accommodation: Cheela Plains Station Stay (or similar)

Day 6

DRIVE TO EXMOUTH

Time to rest the legs on a travel day. Western Australia is a big place so it will take us much of the day to get across to Exmouth. There will be plenty of rest stops to stretch your legs.

We will arrive with time to watch the sun set into the Indian Ocean.

Activity: Travel Day

Meals: B, L, D

Accommodation: Yardie Homestead Caravan Park (or similar)

Day 7

OPTIONAL WHALE SHARK OR SNORKELLING TOURS

What is a trip to Ningaloo without the opportunity to swim with the whale sharks? Some of our guests have said the experience is "one of the best things I have ever done in my life".

High praise!

The tours are optional, but highly recommended. Alternative activities are available and can be arranged for those who do not want to do a Whale shark tour.

(Lunch is included on the Whale Shark tour)

Activity: Optional Tour

Meals: B, D

Accommodation: Yardie Homestead Caravan Park (or similar)

Day 8

YARDIE CREEK WALK AND SNORKEL TURQUOISE BAY

Today we will explore Cape Range national park, with a series of short walks, snorkelling and swimming along the coast.

Spot rock wallabies and an incredible array of sea life on this wonderful day. We will explore Mandu Mandu gorge and Yardie Creek gorge then head to Turquoise Bay on Ningaloo Reef for a swim and snorkel before heading back to Yardie Homestead for a delicious dinner.

Activity: Short walks, swim, snorkel

Meals: B, L, D

Accommodation: Yardie Homestead Caravan Park (or similar)

Day 9

CHARLES KNIFE CANYON LOOKOUT

Having experienced Ningaloo from the water, today we will spend a bit more time on dry land. There are plenty of walk trails though this area portraying the interesting limestone karst and spinifex country.

Compared to some of our exploits in Karijini these trails are relatively easy. The heat can definitely be a factor though, so we may have to augment today's itinerary if this is the case.

That said, after exploring the Charles Knife Canyon, we will head back to the blue waters of Ningaloo for another opportunity to snorkel. Hopefully we will spot a turtle!

After another full day of exploring, we will head back to camp for the last night.

Activity: 6.8km walk and snorkel

Meals: B, L, D

Accommodation: Yardie Homestead Caravan Park (or similar)

Day 10

DEPARTURE DAY

Our last day!

After breakfast you will be transferred (approx. 30 mins) to Exmouth town (drop off: Ningaloo Centre) for an estimated arrival time of approx.. 09.30am. For those that wish we will continue the additional approx. 30 mins to the airport for estimated arrival time of approx.. 10.15am -10.30am.

Please note due to guides relocating the vehicle to Tom Price this day, we can only provide the one transfer as listed above. Note : Should Qantas reschedule their flight to require an earlier arrival at airport than 10.30am, we will move this departure transfer to earlier time to provide adequate airport check in time.

For those that are dropped off in Exmouth town from our transfer and who then have a later afternoon flight you may wish to book your own transfer from Exmouth to the airport with www.exmouthbuscharters.com.au. They work their transfer around flight departures and costs currently are approx.. \$40 per adult.

Alternatively Exmouth Taxis (1800 006 707) are costed at approx. \$100 for a 4 person vehicle from Exmouth to the airport. Exmouth Taxis also offer service of transfer from Yardie to the airport costed at approx. \$200 for a 4 person vehicle. Should you wish to book one of these options, you are advised to book direct with them prior to departure.

About our tours

First, our tours are for people who like to walk long(ish) distances. That means we usually leave our accommodation pretty early each morning (between 7.30 and 8.30) and finish walking mid to late afternoon.

You won't break any records on our walks - for fastest or slowest hike. We keep a steady pace, but there are plenty of opportunities to rest, take photos and appreciate the views along the way.

A relaxed, social and supportive atmosphere is central to our tours. Have a chat and enjoy the sights and smells with your walking companions. Then back at the accommodation, slip into your comfy slacks and slippers and put your feet up with a cup of tea or a wine. Enjoy the conversation around the dinner table. And if you want to go to bed as soon as you've finished the last spoonful of dessert, or stay up and chat, you can.

We don't specialise in birds or plants or rare subterranean amphibians - although we're interested in all of these things. There are no evening lectures and you don't need to bring a notepad and pen (unless you want to). We have a sound and ever-expanding knowledge of the unique and special environments that we walk through, and love sharing what we know with those who are interested. We especially like digging around for stories of the plants and people whose history is linked with the areas we walk in and we'll share those stories with you as we walk.

Our tours are for those who enjoy the simple pleasure of walking in nature, combined with the luxuries of a proper relaxing holiday. We pay attention to the details so that you can relax and enjoy the experience. With the assistance of a team of knowledgeable friends, Inspiration Outdoors aims to provide... Recreation Beyond Expectation
