Day 1

SULLIVAN'S ROCK TO MONADNOCKS, BIBBULMAN TRACK

Saturday 27th November

Time: 8:45am - 4:00pm (approx)

Meet at: Sullivan's Rock recreation area

Getting to the start of the track from Perth:

- Take Freeway South
- Follow for 20km and turn left onto Armadale Rd (one exit after Berigan Drive)
- Follow Armadale Rd all the way to the end.
- Once in the town of Armadale Rd, you need to get onto Albany Hwy which is straight ahead.
- DO NOT turn right onto South West Hwy.
- Albany Hwy then curves around to the right (south).
- Follow Albany Hwy for approximately 35km and you will see the car park on the right hand side of the road (western side).
- HINT: It is 9km after the intersection of Tarrahdale Rd and Albany Hwy

This has to be one of the best day walks on the Bibbulmun Track. We will start at Sullivan's Rock and head up Mt Vincent and Mt Cuthbert for some sensational views. The trail then flattens out and we will arrive at the Monadnocks campsite in time for lunch.

After lunch we will take a fire break trail back to the carpark (avoiding scaling the mountains a second time) for a more relaxed afternoon. This walk has a good amount of challenge but is not beyond most beginners. Give us a call if you have any concerns.

Includes - morning tea and guiding. Does not include lunch (bring a packed lunch with you).

Activity: 12km return

Day 1

EAGLES VIEW TRAIL, JOHN FORREST NATIONAL PARK

Saturday 13th November

Time: 8:45am - 4:30pm (approx)

Meet: John Forrest National Park

We meet in the car park near the John Forrest National Park Pools and the Ranger's hut. If you are heading east on Great Eastern Hwy, take the second "Park Road" entrance for the most direct route. Please arrive 10 minutes early

This is a fabulous track that takes you to the heights of John Forrest National Park, along Jane Brook and past granite outcrops, with views over the Swan Coastal Plain below. The Eagle View Trail is a moderate 15 km circuit walk with some steep hills and rocky sections. It will take about 6 hours, including rest breaks. Fine for fit and healthy beginners (but give us a call if you are concerned).

Includes - morning tea and guiding. Does not include lunch (bring a packed lunch with you).

Activity: 15km loop

Day 1

NUMBAT TRAIL, PARUNA WILDLIFE SANCTUARY

Date: TBA

Time: 8:45am - 4:30pm (approx)

Meet at: Paruna Wildlife Sanctuary

Getting to the start of the track from Perth...

- Turn right off Roe Hwy onto Toodyay Rd (in Midland).
- Go 11km up the hill, past Red Hill Tip and turn left onto O'Brien Rd.
- Go about 15km to the junction of Ewing Rd (at sign to Walyunga Lookout).
- Turn right onto Clenton Rd and go 2.5km, then turn left onto Avon Rd. Go about 1 km to the end of Avon Rd.
- Follow signs to parking area outside pedestrian gate,
- Please arrive 10 minutes early so we can get away at 9.30am

This walk has some fantastic views. Rolling valleys and natural bushland. We can't guarantee we will see wildlife, but this is the best chance this close to Perth. This walk has some decent hills, but it is definitely worth the effort.

Includes - morning tea, guiding. Does not include: lunch (bring a packed lunch with you).

Activity: 12km loop

About our tours

First, our tours are for people who like to walk long(ish) distances. That means we usually leave our accommodation pretty early each morning (between 7.30 and 8.30) and finish walking mid to late afternoon.

You won't break any records on our walks - for fastest or slowest hike. We keep a steady pace, but there are plenty of opportunities to rest, take photos and appreciate the views along the way.

A relaxed, social and supportive atmosphere is central to our tours. Have a chat and enjoy the sights and smells with your walking companions. Then back at the accommodation, slip into your comfy slacks and slippers and put your feet up with a cup of tea or a wine. Enjoy the conversation around the dinner table. And if you want to go to bed as soon as you've finished the last spoonful of dessert, or stay up and chat, you can.

We don't specialise in birds or plants or rare subterranean amphibians - although we're interested in all of these things. There are no evening lectures and you don't need to bring a notepad and pen (unless you want to). We have a sound and ever-expanding knowledge of the unique and special environments that we walk through, and love sharing what we know with those who are interested. We especially like digging around for stories of the plants and people whose history is linked with the areas we walk in and we'll share those stories with you as we walk.

Our tours are for those who enjoy the simple pleasure of walking in nature, combined with the luxuries of a proper relaxing holiday. We pay attention to the details so that you can relax and enjoy the experience. With the assistance of a team of knowledgeable friends, Inspiration Outdoors aims to provide... Recreation Beyond Expectation
