

# Highlights of Kakadu and Litchfield

**WARATAH**  
ADVENTURE TOURS

Welcome to your next adventure.  
Here are a few details to help you get prepared...

---

## Luggage

You will be responsible for all your personal belongings whilst on the tour. With regards to luggage, you must carry your own luggage from the coach to the hotel room and back to the coach. The driver will assist with the uploading and off-loading of the luggage from the coach.

## Phone Coverage and Charging

There is patchy phone coverage while you are out in the National Parks. Like most remote rural places, Telstra offers the best chance at reception. When you are back at your accommodation there is phone coverage.

## Climate

Days are usually quite humid and warm, well into high 20's to mid 30's. However, some evenings can be very chilly, particularly in July, with overnight temperatures sometimes dipping to below 15 deg. Generally it is always dry in the dry season, but it can still rain at any time, so please be prepared.

## Food

All breakfasts are included. Breakfast comprises of cereal, fruit and toast. Most lunches are included and will be mainly picnic lunches and/or rolls you can prepare for yourself. The included dinners are a 2 course meal at local restaurants.

## Drinks

Jabiru is a dry community and hence doesn't have any bottle shops in town, but you will be able to purchase drinks at the fully licensed restaurant every night.

## Medical Restrictions

As we operate in remote areas, guests will need to bring all of their own personal medications on tour. Whilst our guides are qualified in remote area or wilderness first aid and carry satellite phones, we do not carry epi-pens, Ventolin or other emergency medications. If a person requires urgent medical attention whilst on tour, it may take several hours or more for emergency services to attend the scene and take you to a medical facility.
