

Daintree & Cape Tribulation

Welcome to your next adventure.
Here are a few details to help you get prepared...

Luggage

You will be responsible for all your personal belongings whilst on the tour. With regards to luggage, you must carry your own luggage from the coach to the hotel room and back to the coach. The driver will assist with the uploading and off-loading of the luggage from the coach.

Note: Due to luggage size restrictions for day's 2,3 and 4, you will be issued a duffel bag, and your larger suitcase can be stored at the resort while we head north into gulf country.

Phone Coverage and Charging

Palm cover has reliable phone reception. There is WiFi available at The Hotel Grand Chancellor. Mungumby lodge however has no TV or mobile coverage. There is free internet available from a terminal in the office for anything urgent. A place to truly switch off!

Climate

We run this tour during the dryer months. The days will be warm, reaching between 25 and 30 degrees celcius. So what to wear in Spring? Visitors traveling to Palm Cove might want to wear dresses, tops, T-shirts and skirts made of cotton or linen. Shorts for men made of cotton or linen are good options for staying cool on a hot day. With a water temperature of around 24.0°C (75.2°F), this is a great month to swim so bring your swimwear.

Dining

Enjoy 7 meals including daily breakfast.

Medical Restrictions

As we operate in remote areas, guests will need to bring all of their own personal medications on tour. Whilst our guides are qualified in remote area or wilderness first aid and carry satellite phones, we do not carry epi-pens, Ventolin or other emergency medications. If a person requires urgent medical attention whilst on tour, it may take several hours or more for emergency services to attend the scene and take you to a medical facility.

Under certain circumstances your tour consultant may request a medical certificate of fitness before you are cleared to participate on the tour.
