Testimonials

The Kimberley's is the most amazing place on the planet!! This tour was fantastic as our very experienced tour guides, Duffy & Carlya, made us feel welcome & safe from the very start. What a fabulous & resourceful team! Each day was a new adventure of spectacular scenery, hiking, swimming, fauna & flora & learning a little about our original landowners. The camping was comfortable, the food was plentiful & delicious & I was very grateful that my special dietary requirements were well catered for. This small group tour allowed us to meet new friends and make some lifelong memories. Thank you Inspiration Outdoor tours!

Itinerary

Walk, swim, relax and soak up the beauty on this guided Kimberley tour. So many extraordinary places.

Day 1 BROOME TO WINDJANA (BANDILNGAN)

It's an early start this morning as we make our way to Windjana (Bandilngan). There is a bit of driving today but the scenery is like no other, passing Boab trees (including the famous Prison Tree) and vast savannah woodlands interspersed with giant and unusual termite mounds.

Activity: Travel Day

Meals: L, D

Accommodation: Comfortable camping, Windjana Campground (or similar)

Day 2 WINJANA GORGE (BANDILNGAN) AND TUNNEL CREEK (DIMALURRU)

Today we have a full day to explore the Windjana National Park. We will take an easy stroll into Windjana Gorge where we can see the original Great Barrier Reef. There are always plenty of fresh water crocs to see here but no swimming. After lunch back at camp we will drive to Tunnel Creek (Dimalurru). Here we will venture into the tunnel and wade through the water to the other side.

Activity: Short Walk and a swim

Meals: B, L, D

Accommodation: Comfortable camping, Windjana Campground (or similar)

Day 3 WINDJANA GORGE TO MT BARNETT STATION

We head through the Napier Range visiting Bell Creek Gorge with its many rock pools, rapids and a waterfall. This is a spectacular spot for a swim and one of the most photographed waterholes in the Kimberley.

After a good amount of time exploring, we will drive on to our next campsite at Mt Barnett Station on the banks of the Manning Creek.

Activity: Short walk and swim

Meals: B, L, D

Day 4

MANNING CREEK

Leaving early from our campsite, we follow an open, beautiful walk trail to Manning Gorge and Falls. Swim, relax and soak in the atmosphere while you enjoy morning tea, carried in by your guides. We will head back to the campsite for lunch. For those looking for a relaxed afternoon, it is time to read a book under a boab tree and perhaps another swim in the creek nearby to the camp.

Activity: Moderate walk

Meals: B, L, D

Accommodation: Comfortable camping - Manning Gorge Campground (or similar)

Day 5

MT BARNETT STATION TO BIRDWOOD DOWNS

Today we travel back along the Gibb river road to Birdwood Downs to experience a real station stay. This is mainly a driving day but we will stop at Galvin's Gorge along the way for a short walk and a swim.

Once we reach Birdwood downs we will settle into our huts and enjoy a proper station dinner under the stars, and if we're lucky, relaxing around the campfire.

Activity: Travel Day

Meals: B, L, D

Accommodation: Birdwood Downs, Derby (or similar)

Day 6

DERBY TO BROOME

After breakfast we will have time to enjoy some of the sights around Derby before starting our drive back to Broome. We will complete our time on country with a cultural experience in the afternoon.

The guides will drop you back in Broome at around 5:30pm. We recommend booking a night in Broome and taking advantage of the many restaurants for your dinner.

About our tours

Firstly, our tours are for people who like to walk long(ish) distances. That means we usually leave our accommodation pretty early each morning (between 7.30 and 8.30) and finish exploring mid to late afternoon.

You won't break any records on our walks - for fastest or slowest hike. We keep a steady pace, but there are plenty of opportunities to rest, take photos and appreciate the views along the way.

A relaxed, social and supportive atmosphere is central to our tours. Have a chat and enjoy the sights and smells with your companions. Then back at the accommodation, put your feet up with a cup of tea or a wine. Enjoy the conversation around the dinner table. And if you want to go to bed as soon as you've finished the last spoonful of dessert, or stay up and chat, you can.

We don't specialise in birds or plants or rare subterranean amphibians - although we're interested in all of these things. There are no evening lectures and you don't need to bring a notepad and pen (unless you want to). We have a sound and ever-expanding knowledge of the unique and special environments that we walk through, and love sharing what we know with those who are interested. We especially like digging around for stories of the plants and people whose history is linked with the areas we walk in and we'll share those stories with you as we walk.

Our tours are for those who enjoy the simple pleasure of walking in nature, combined with the luxuries of a proper relaxing holiday. We pay attention to the details so that you can relax and enjoy the experience. With the assistance of a team of knowledgeable friends, Inspiration Outdoors aims to provide... Recreation Beyond Expectation
