# Munda Biddi - Albany to Walpole

Join us on a scenic cycling holiday (pedal assisted mountain bikes available) along the iconic Munda Biddi trail and complete only the best sections\* of the southern end of this world class touring trail over 6 days. Cycling around 40km per day from Albany to Walpole you will enjoy the sights and sounds of isolated coastline and the cool depths of Karri and Tingle forest. Each night you will return to lodge style accommodation in one of the quaint South West towns. Our Australian cycling holidays are perfect for cyclists that enjoy regular riding. They are not fast paced and the tracks are a mixture of sealed roads and off road tracks. You will ride free of trailers and heavy panniers as you will be supported by a vehicle, stay in accommodation and have all of your meals taken care of.

\*We complete almost the entire Southern section of the Munda Biddi Trail from Albany to Walpole excluding a 25km stretch after Day 4 due to difficult terrain.

## Details

## Testimonials

My wife and I recently completed the Inspiration Tours mtb event. We both thought it was very well organised, the preamble was accurate and informative, guides were very open and transparent and the other participants from NZ, Sydney and Perth were all lovely people. The accommodation, particularly Albany and Denmark was excellent and the nightly home cooked meals were sumptuous and flavour filled. Whilst I thought some parts of the ride were quite hard for the "average" bike rider I heard very few complaints and most would be lining up to it again. Thanks again Mike and Neil, a job well done.

# Itinerary

Ride the world class Munda Biddi trail from Albany to Walpole on WA's Southern Coast. Beautiful forest rides. You pedal and we do the rest.

## Day 1

### DRIVE PERTH TO TORBAY + RIDE TORBAY TO ALBANY

Picking up in Perth, we will head south. With morning tea and lunch on the way, we will arrive in the town of Torbay early afternoon and we will get straight into it!

From Torbay it is mostly easy going, with the odd hill. A perfect start to this epic adventure. We will ride straight to our accommodation for the night in the center of the quaint coastal town of Albany.

After a refreshing shower we'll meet together for a short walk to our dinner for the evening where we can relax and enjoy our first meal together as a group at a local Albany restaurant.

Activity: 26km ride

Meals: L, D

Accommodation: Albany Motel & Apartments, Albany (or similar)

## Day 2

### TORBAY TO DENMARK

We will get going after breakfast and head out in the vehicle with bikes in the trailer back out to Torbay. All of today's ride to Denmark is classed as easy in terms of the riding surface, but there are a few decent hills. There are several access points for our vehicle to pick you up along the way should you wish to have a shorter day.

We will finish the days ride at our accommodation in Denmark where we will be staying for the next 3 nights.

Activity: 52km ride

Meals: B, L, D

Accommodation: The Cove OR the Koorabup Motel - Denmark (or similar)

## Day 3

### DENMARK TO SCOTTSDALE ROAD

From Denmark, it is a particularly scenic and enjoyable route along the WOW trail past Light's beach then out to Green's Pool, one of Australia's most beautiful beaches. After a delicious morning tea, there is a long uphill section heading out towards Mt Shadforth, followed by a long down hill, to Scotsdale road. The riding is partly along the stunning coastline then up through farmland today.

At the end of the ride, the bus will be waiting to take us back to Denmark.

**Activity:** 42km ride

**Meals:** B, L, D

**Accommodation:** The Cove OR the Koorabup Motel - Denmark (or similar)

## Day 4

### SCOTTSDALE RD TO NORNALUP RD

A great day today! We will begin by weaving our way through some more farmland and passing one of the beautifully built campsites (don't worry we are not sleeping there!). After morning tea, we start to head back into the tall trees of the National Parks. There are a few short challenging sections today which will test us, but it is all achievable. Again, those seeking an easier option, can shorten the day if they wish.

The bus will be waiting for us at Nornalup Rd, to take us back for our last night in Denmark.

**Activity:** 46km ride

**Meals:** B, L, D

**Accommodation:** The Cove OR the Koorabup Motel - Denmark (or similar)

## Day 5

### MIDDLE RD/TRENT RD TO GULLY RD

We are changing accommodation today, so we will check-out of our accommodation in Denmark before we head out. Today we pick the track up at Middle Rd to avoid roughly 25km of difficult riding through sand and loose gravel. Most of today's ride is in National park, through Tingle forest and following the river. We will see a mix of Karri forest as well as Tingle trees as we get closer to Walpole. There are some long uphill and fun downhill sections today, with a mix of easy and intermediate terrain.

Accommodation tonight is in the lovely South West town of Walpole where we will enjoy another local restaurant to celebrate the (almost!) completion of the trail.

Activity: 32km ride

Meals: B, L, D

Accommodation: Tree Top Motel - Walpole (or similar)

## Day 6

### DRIVE BACK TO PERTH

Our last day! A short ride this morning with a few challenges, so it is no easy push off into the sunset. We finish in the town of Walpole. We'll get views of the Nornalup inlet at Coalmine Beach before arriving in the town.

There will be time for a quick shower and morning tea before we head back to Perth, with our tired legs and our sore cheeks - that's from smiling too much!

Activity: 10km ride

Meals: B

## About our tours

First, our tours are for people who like to ride long(ish) distances. That means we usually leave our accommodation pretty early each morning (between 7.30 and 8.30) and finish riding mid to late afternoon.

You won't break any records on our rides - for fastest or slowest time. We keep a steady pace, but there are plenty of opportunities to rest, take photos and appreciate the views along the way.

A relaxed, social and supportive atmosphere is central to our tours. Have a chat and enjoy the sights and smells with your companions. Then back at the accommodation, slip into your comfy slacks and slippers and put your feet up with a cup of tea or a wine. Enjoy the conversation around the dinner table. And if you want to go to bed as soon as you've finished the last spoonful of dessert, or stay up and chat, you can.

We don't specialise in birds or plants or rare subterranean amphibians - although we're interested in all of these things. There are no evening lectures and you don't need to bring a notepad and pen (unless you want to). We have a sound and ever-expanding knowledge of the unique and special environments that we travel through, and love sharing what we know with those who are interested. We especially like digging around for stories of the plants and people whose history is linked with the areas we are in and we'll share those stories with you as we go.

Our tours are for those who enjoy the simple pleasure of being in nature, combined with the luxuries of a proper relaxing holiday. We pay attention to the details so that you can relax and enjoy the experience. With the assistance of a team of knowledgeable friends, Inspiration Outdoors aims to provide... Recreation Beyond Expectation
