Testimonials

My wife and I recently completed the Inspiration Tours mtb event. We both thought it was very well organised, the preamble was accurate and informative, guides were very open and transparent and the other participants from NZ, Sydney and Perth were all lovely people. The accommodation, particularly Albany and Denmark was excellent and the nightly home cooked meals were sumptuous and flavour filled. Whilst I thought some parts of the ride were quite hard for the "average" bike rider I heard very few complaints and most would be lining up to it again. Thanks again Mike and Neil, a job well done.

Day 3

MT FRANKLAND TO NELSON RD

This morning we pack up before loading luggage and bikes into the trailer to make our way to the start of the ride. Back to where we finished the day before the trail heads along a gravel road through Karri forest first, then intermittently turns into single track for some downhill and gravel/sand riding through woodlands and wet heathland. After a delicious morning tea at Fernhook Falls, there is more sand and gravel riding on a single track. There will be some regeneration forest and more wet heathland in the afternoon. Your guides will prepare dinner for the last time tonight.

Activity:	49km ride
Meals:	B, L, D
Accommodation:	Bayside Villas Walpole (or similar)

Day 4

NELSON ROAD TO HILL BROOK ROAD

A great day today! We will begin by weaving our way through some more old growth Karri and, Jarrah and Marri forest. Just before morning tea, we come back onto a gravel road which is undulating with short, steep hills. We will definitely have earned ourselves some cake to enjoy at Boorara Tree. The rest of the day will be riding through a mix of firetrail/singletrack/bitumen through Karri forest and farmland and even a little bit of Bluegum plantations. The bus will be waiting at the junction of Hill Brook Road and make our way to our new accommodation.

Activity:	55km ride
Meals:	B, L, D

Day 5

There is a fair amount of undulating singletrack, firetrail and old logging railway tracks until Gloucester Tree. At the Gloucester Tree we will enjoy a lovely morning tea and you have the option to climb Gloucester tree if you can muster up the courage. From Gloucester tree it's downhill to Pemberton and then uphill onto bitumen road for a bit. In the afternoon we ride along mainly old gravel logging roads through regeneration and Jarrah/Marri forest with some undulations. We finish our day with a ride through farmland and logging coups.

Day 6

WHEATLEY COAST RD TO MANJIMUMP

Our last full day of riding! You'll start the day off with some undulating hill riding to get to the quaint town of Quinninup. After a short break, enjoy the variety of terrain and scenery as we ride the trail through jarrah forest, pine and bluegum plantation before descending to the Warren River where we'll have morning tea. You'll need the energy for the hill that follows, so take your time to listen to the birds and breathe in the forest air. We turn toward Manjimup now and wind our way along less hilly tracks and trails. You'll know our final destination is approaching when we hit the outskirts of town and some bitumen roads, before a last uphill into town where you can kick off your shoes and enjoy a relaxing picnic lunch in the park.

Grab a coffee or have a look around Manjimup before we head back to our accommodation for our last night away.

Activity: 45km ride

Meals: B, L, D

Accommodation: Pemberton Hotel (or similar)

Day 7

RETURN TO PERTH

Our last day already!

We will pack up in the morning and depending on the group, we'll head to another fire tree to climb or spend the morning in Bridgetown where we can grab a coffee and peruse the quaint shops along the main street.

On the way back to Perth we will stop in Bunbury where you can grab some lunch (own expense), before embarking on the last leg with our tired legs and our sore cheeks - that's from smiling too much!

About our tours

First, our tours are for people who like to walk long(ish) distances. That means we usually leave our accommodation pretty early each morning (between 7.30 and 8.30) and finish walking mid to late afternoon.

You won't break any records on our walks and rides - for fastest or slowest hiker/rider. We keep a steady pace, but there are plenty of opportunities to rest, take photos and appreciate the views along the way.

A relaxed, social and supportive atmosphere is central to our tours. Have a chat and enjoy the sights and smells with your walking companions. Then back at the accommodation, slip into your comfy slacks and slippers and put your feet up with a cup of tea or a wine. Enjoy the conversation around the dinner table. And if you want to go to bed as soon as you've finished the last spoonful of dessert, or stay up and chat, you can.

We don't specialise in birds or plants or rare subterranean amphibians - although we're interested in all of these things. There are no evening lectures and you don't need to bring a notepad and pen (unless you want to). We have a sound and ever-expanding knowledge of the unique and special environments that we walk through, and love sharing what we know with those who are interested. We especially like digging around for stories of the plants and people whose history is linked with the areas we walk in and we'll share those stories with you as we walk.

Our tours are for those who enjoy the simple pleasure of walking in nature, combined with the luxuries of a proper relaxing holiday. We pay attention to the details so that you can relax and enjoy the experience. With the assistance of a team of knowledgeable friends, Inspiration Outdoors aims to provide... Recreation Beyond Expectation
