Spend the next day exploring the highlights of Purnululu National Park, the most famous of which are the Bungle Bungle domes. Rivers created this landscape of unique orange and black striped 'beehive' geological formations over a period of 20 million years. Unbelievably, only the locals knew it existed until the early 1980s. To protect its unique landscape, the area was made a national park in 1987 and now boasts UNESCO World Heritage status.

In the morning there is the option for a 30 minute scenic helicopter flight to see this majestic landscape from the air.

You'll explore the Echidna Chasm in the afternoon today, known for its towering Livistonia Palm trees. Take the short walk into the gorgeous Cathedral Gorge, where towering rocks create a natural amphitheatre.

Spiritually significant, these limestone caves are one of the oldest identified sites of human occupation in Australia. Delve into Dreamtime with a local Gooniyandi guide who will share traditional stories and reveal the secrets of Mimbi Caves - a sanctuary of crystal-clear pools, rare fossils and ancient rock art. Share fresh damper and billy tea with the Gooniyandi traditional owners before you head back to Fitzroy Crossing.

Stop at Tunnel Creek - a 750-m cave system where you can explore secret caves and a large variety of wildlife. Here, you'll also learn the legend of Jandamarra - an Aboriginal freedom fighter who used the tunnel as a hide-out in the late 1800s. Travel to the geological wonder of Windjana Gorge - a delightful oasis in the outback. Beneath gorge walls rising 90 m, enjoy a picnic lunch as you search for freshwater crocodiles, local birdlife and Indigenous bushtucker.

About our tours

First, our tours are for people who like to walk long(ish) distances. That means we usually leave our accommodation pretty early each morning (between 7.30 and 8.30) and finish walking mid to late afternoon.

You won't break any records on our walks - for fastest or slowest hike. We keep a steady pace, but there are plenty of opportunities to rest, take photos and appreciate the views along the way.

A relaxed, social and supportive atmosphere is central to our tours. Have a chat and enjoy the sights and smells with your walking companions. Then back at the accommodation, slip into your comfy slacks and slippers and put your feet up with a cup of tea or a wine. Enjoy the conversation around the dinner table. And if you want to go to bed as soon as you've finished the last spoonful of dessert, or stay up and chat, you can.

We don't specialise in birds or plants or rare subterranean amphibians - although we're interested in all of these things. There are no evening lectures and you don't need to bring a notepad and pen (unless you want to). We have a sound and ever-expanding knowledge of the unique and special environments that we walk through, and love sharing what we know with those who are interested. We especially like digging around for stories of the plants and people whose history is linked with the areas we walk in and we'll share those stories with you as we walk.

Our tours are for those who enjoy the simple pleasure of walking in nature, combined with the luxuries of a proper relaxing holiday. We pay attention to the details so that you can relax and enjoy the experience. With the assistance of a team of knowledgeable friends, Inspiration Outdoors aims to provide... Recreation Beyond Expectation
