Day 3

PERTH TO MARGARET RIVER

After breakfast we will pick you up in a small bus (8am in the hotel lobby), to begin a 4-day touring adventure of Margaret River and the south-west corner of WA. Our first stop is Busselton Jetty which is about 2.5hrs south of Perth. Busselton is a chilled holiday town with pristine Indian Ocean beaches and a 19th-century wooden Jetty which extends nearly 2km out to the ocean. It is the southern hemisphere's longest wooden jetty, and an impressive sight.

From Busselton we will follow the coast round to Cape Naturaliste and visit some of it's beautiful beaches with Meelup Beach being a highlight. We will also check out the lighthouse precinct and Sugarloaf Rock Lookout to see this massive granite island. We will fill the afternoon picking out spots on the coast before heading to the town of Margaret River to check into our motel. Enjoy dinner in the evening with our new friends at our accommodation.

Activity: Guided tour to Margaret River

Accommodation: Margarets Forest Holiday Apartments (or similar)

Day 4

MARGARET RIVER REGION HIGHLIGHTS

Today we will spend the day exploring the natural side of the Margaret River region. Known mainly for it's wineries and delicious gourmet produce, Margaret River also boasts a spectacular coastline. Perfect white sand beaches, limestone cliffs and deep red granite boulders that beg to be explored.

We will allow time to drop into the famous Cape to Cape walk trail to access some of the more spectacular sites along the coast. While the walking is not hugely demanding, there will be some walking on uneven surfaces for up to an hour or so at a time. A highlight is standing on top of the Wilyabrup sea cliffs, and walking through the tranquil Boranup Karri Forest. For tours in summer we can take a swim at Hamelin Bay. We will pack everything we can into this memorable day out in nature before heading back to our motel, where you can walk into town for an evening meal from one of the many restaurants.

There are some famous names that we cannot miss such as Leeuwin Estate, and Voyager Estate but there are also many smaller boutique producers with fantastic wines and beautiful grounds. With 'Freo' at your doorstep, there is no end to the nightlife options available. The original Little Creatures Brewery is in view of the hotel, as is the fishing boat harbour which must be the epicentre of Australia's "Fish and Chip industry". There are many small bars, quirky restaurants and cafes within walking distance of your hotel. Enjoy a night on the town and soak up the bohemian vibes.

Day 7

FULL DAY ROTTNEST ISLAND

It is about a 10 minute walk from your hotel to B Shed ferry terminal, where you can jump on the 30 minute boat ride over to the perfect island paradise, that is Rottnest Island. On Rottnest, it is customary to try to grab a Quokka selfie. These little marsupials have the title of "World's Happiest Animals" and are an absolute delight for young and old.

If you are feeling energetic, bicycles are a great way to explore the island. You can whip around the island in a couple of hours or take the whole day to explore the many swimming bays and snorkelling spots. If you are feeling like less physical exertion, there is a hop on hop off bus, which constantly rotates around the island and is another way to explore until your heart is content. Take the afternoon ferry back to Fremantle and enjoy one final night in Western Australia's cultural capital.
