Unit Overview

Bricks Reading's aim is to make reading a wonderful experience for its young learners. To accomplish this, **Bricks Reading 40** offers the learners a step-by-step series of reading exercises in sections.

Word Time introduces key words with real images. It helps learners understand the meanings of the words.

Illustrations done by skilled professionals help learners capture the main situation in the passage. They help learners make predictions about the passage.

I love my fun tree house!

Picture Fun! offers a shared activity to familiarize learners with the passage before reading the text. It helps learners have interest in reading and learning the passage.

Reading passages are comprised of interesting topics and subjects. One or two basic pattern sentences make learning to read easy. Animated chants on the multi-CD help learners read the passage in fun ways.

Practice Time A offers an exercise in which learners identify the meanings of the words and choose the corresponding pictures.

Practice Time B helps learners know how to use words in context by filling in the blanks in sentences.

Practice Time D helps learners gather the meanings of the sentences by matching the sentences to the right pictures.
