SAFEST GUN of its Kind

Safest because a Daisy is NOT a pneumatic NOR a compressed air gun. It cannot be "pumped up" to increase power! A Daisy is a low "factory-limited" power, short range spring-type air rifle—best and safest of its kind for teaching juniors safe gun handling—since 1888!

PARENTS! Read These Club Facts:

Spring-type air rifle club shooting—under adult supervision—needs no expensive "firearms" range—no costly backstops—no expensive "ammunition." The official club shooting distance of 15 feet means any 20 foot space—indoors or out—will do. Large grocery corrugated cartons (stuffed with wadded papers) provide adequate backstops. 168 air rifle BBs cost only about 5¢! Send now for club booklet...it will fascinate you!

NEW 40-PAGE BOOKLET Includes:

- 1. HOW TO START A JUNIOR AIR RIFLE CLUB**
 Complete, proven "how to do it" program. Also detailed forms on by-laws, membership application blank, parent's information sheet, member's cards, safe shooting instructions, targets, Marksmanship Awards, etc.

MOVIE DAY

It was Saturday. And you know what Saturdays means to most boys and girls. It was no different for Billy and Bess. Saturday was their movie day!

"What's playing today?" Billy was saying as the two of them ran toward the Bijou Theater.

"Oh, I think something with Renfrew Renfrew!" sighed his sister Bess.

"Ouch!" said Billy. "I sure hope not. I'd rather see some terrific picture about the Foreign Legion, and the desert, and Arabs, and fighting, and all that wonderful stuff!"

"Really?" asked Bess. "Gosh, you have terrible taste!"

"Says who?" snapped Billy.

"Says me!" snapped back Bess.

"Well, I'll tell you what, smarty," said Billy. "If there's a Foreign Legion picture playing, you'll have to clean my room tomorrow. And if there's a Renfrew Renfrew picture, I'll clean yours!"

"That's a deal!" was the answer, and they shook hands on it.

The two of them got quite a surprise when they finally got into the movie. For playing that day was a picture called "Duke of the Desert." And sure enough, it was Renfrew Renfrew as a romantic legionnaire who was the duke of the desert!

"Guess none of our rooms get cleaned," laughed Billy as they went into the theater.

But a few minutes later, there wasn't time for any of them to talk. They were too engrossed in the action-packed film that was going on.

"Gulp!" was all one could say.

And "Gulp!" answered the other.

Now Renfrew Renfrew was fighting the bad men of the desert. And Billy was happy. Now Renfrew was making love to a beautiful princess. And Bess was happy. Now Renfrew Renfrew was making love and fighting at the same time. And the two of them were happy.

But now something terrible was happening. Renfrew Renfrew was lost a-

lone in the wide hot desert. He had no food. He had no water. He just crawled on the sands.

"I-I'm g-getting hungry," said Billy.

"I-I'm g-getting thirsty," said Bess.

And still Renfrew Renfrew crawled on and on in the sands. You could tell his mouth was watering for food and drink.

"Owww! I'm starving," complained Billy.

"And my throat is parched!" said Bess.

"Please get me some candy," said Billy.

"No, you get me a drink of water!" said Bess.

But neither of them could move. They couldn't leave Renfrew Renfrew alone in the desert.

"Oh, my stomach is killing me," said Billy.

"And so is my throat," said Bess.

But now Renfrew Renfrew was being saved! Troops and troops of legionnaires were pouring over the desert coming to his rescue!

"Y-yay!" gasped Billy.

"Y-y-yippe!" gasped Bess.

Now Renfrew Renfrew was taken to the sultan's palace, and to his beautiful princess. They were feeding him and giving him drink.

Renfrew Renfrew was eating chicken and lamb and potatoes and all kinds of vegetables and fruits. He was drinking wine and water and soda and more wine and more water and more soda!

"Oh, stop!" said Billy.

"Please stop!" said Bess.

But Renfrew Renfrew didn't stop. He kept on eating and eating, and boy, did Renfrew Renfrew have an appetite!

"M-my stomach is killing me," cried Billy. "I'm so full!"

"And mine, too," said Bess. "And my throat is ice cold!"

"Oh, I can't stand it," said Billy.

"Me neither," said Bess.

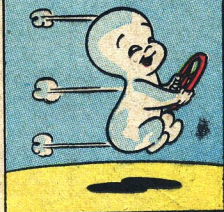

Now they didn't care what happened to Renfrew Renfrew. They scooted out of the movies as fast as they could and dashed all the way home -- still holding their stomachs!

HEP-NOTIC

"Hey, Bernie! Bernie, look what I've got!" Jimmy was almost shouting as he dashed down the street.

"Take it easy, Jimmy," said Bernie. "Nothing could be that important."

"Yeah, look what I've got here!" rushed on Jimmy, who was almost breathless. And he showed his friend a little tin figure.

"So what's that?" laughed Bernie.

"Come on into that yard and I'll show you," said Jimmy.

Bernie followed his pal into the backyard, but still couldn't figure out what was going on.

Jimmy looked around to make sure that no one was around, and then he started to tell his story.

"You see this tin figure," he started, "well it has supernatural powers!"

"Hah!" laughed Bernie.

"Give me a chance," Jimmy said. "You'll see what it can do!"

"Go ahead," said Bernie, who figured he may as well hear the whole thing.

"I got it from a junk man," Jimmy started again, but he was interrupted by a...

"Hah! Just as I thought!"

But Jimmy didn't pay a bit of attention to his friend.

"This little tin figure," he continued, "can make me hypnotize you!"

"Huh?" gasped Bernie, who was beginning to get interested.

"If I point this at you, and say the magical words, I can make you do anything I want!" Jimmy was beaming.

"I don't believe you!" shouted Bernie.

"OK!" was the reply, "then will you let me try it on you?"

Bernie really thought about that one. Suppose it really was true? Finally, he said, "It's a deal!"

A smile now won over Jimmy's face. He rubbed his hands together. Then he picked up the little tin figure and pointed it at Bernie...

"Tashy katoo honoo lepowa!" Jimmy

said, and then there was a...
SPLAMMM!

Bernie fell to the ground. His eyes were glassy, and he stared back at Jimmy.

"You will now arise!" said Jimmy, and Bernie got up.

"Now walk three steps toward me," said Jimmy. And Bernie walked three steps toward his friend.

"And now I want you to do something amazing! But you will think it is perfectly ordinary." Jimmy was having the time of his life.

"I want you to fly for me!" shouted Jimmy.

And sure enough Bernie, almost as if he had wings, had risen high above the ground and was now fluttering in the air!

"Fly back and forth for awhile!" laughed Jimmy. And Bernie glided around.

"OK," said Jimmy. "Now come on down!"

Bernie went into a slight tailspin and nosed toward the ground.

But, "Hey, look out!" shouted Jimmy. For Bernie was coming straight towards him, and...

BOOMMM!

He crashed right into Jimmy, the two of them sprawling to the ground.

"What happened?" said Bernie, who couldn't figure out what was going on. "Why did you hit me?"

"I didn't," smiled Jimmy, who didn't care about his bruises. "You were flying!"

"What are you talking about?" quizzed Bernie.

"I just hypnotized you, and you were flying!" Jimmy was more excited than ever.

"I don't believe it! Do it again!"

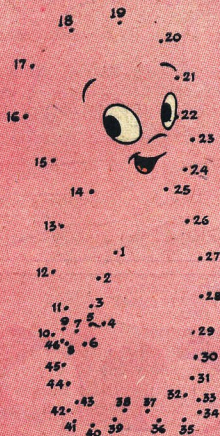

Jimmy reached down to pick up the tin figure, but the crash had smashed it into a million pieces!

"Well?" asked Bernie.

But there was no answer from Jimmy. He just pushed aside the million pieces. There were tears in his eyes now as he knew he could never do it again!

WHAT'S MY SECRET?

"DYNAMIC TENSION!" That's the ticket! The identical natural method that I myself developed to change my body from the scrawny skinny chested weakling I was at 17

to my present superman physique! Thousands of other fellows are becoming marvelous physical specimens—my way. I give you no gadgets or contraptions to fool with.

When you have learned to develop your strength through "Dynamic Tension" you can laugh at the artificial muscle-makers. You simply utilize the DOR-MANT muscle-power in your own God-given body—watch it increase and multiply double-quick into real solid LIVE MUSCLE.

My method—"Dynamic Tension" will turn the trick for you. No theory—so easy! Spend only 15 minutes a day in your own home. From the very start you'll be using my method of "Dynamic Tension" almost unconsciously every minute of the day—walking, bending over, etc.—to BUILD THE MUSCLE AND VITALITY you want. And you'll be using the method which many great athletes use for keeping in condition—prize fighters, wrestlers, baseball and football players, etc.
