# GIANT FLYING PLASTIC JET— NOW ONLY \$1

Yes! Glistening silver plastic *twenty-one inches long!* Slashes through the air at 600 scale miles an hour—*every second under your complete control.*

So life-like that it even **SOUNDS** like a real jet! So authentic that Pan American Airways has authorized it as an Official Model! *And now it is yours complete—with nothing else to buy!—FOR A PRICE SO LOW THAT UNTIL TODAY IT WAS ENTIRELY IMPOSSIBLE.*

## No Fuel! No Danger! Yet It Flies 600 Scale Miles An Hour!

Simply attach the U-Control Line as we show you to the left wing. Then suspend the model from this control line, and begin slowly to swing it through the air. *Before your astonished eyes, you will see one of the most thrilling aerodynamic sights of your entire life!*

This model is perfectly designed for high-speed flight! As soon as it picks up power from the motion of your hand, it will lift up its nose, its wings will begin to cut through the air, it will flash upward and streak ahead of you! As you give it more and more line it will turn wider and wider, fly faster and faster! You have perfect control every second of its flight! You can fly it in circles only five feet wide, or you can take it outdoors and fly it in gigantic arcs

*one hundred feet wide—the size of an entire city lot—so fast that your eye can hardly follow it—BUT EVERY SECOND UNDER YOUR COMPLETE CONTROL!*

You can make this plane soar upward—stall at fantastic heights—dive towards the ground—and then pick up speed and flash upward again in a breath-taking rescue! You can make the engines on your plane scream like fighters at bursts of 600 scale miles an hour! You can make them purr softly at cruising speed—hear them roar again as your plane picks up altitude and speed!

You can spiral this magnificent model down into a perfect landing! You can fly two or more planes in perfect formation! You can have jet races! You can have an entire fleet of breath-taking models flown by every member of your family—and you can have them all for only \$1.00 a piece plus 25¢ postage & handling—**LESS THAN ONE-FIFTH THE PRICE YOU'D EXPECT TO PAY!**

## CHECK THESE INCREDIBLE FEATURES!

All plastic! Almost twenty-one inches long, six inches high, twenty-one inches in wingspan!

Full brilliant official colors! Silver engines and wings—red, white and blue body! All colors already printed on the plastic! Nothing to paint! No chance of a mistake!

Fits together—without glue, without tools, without hard work! All parts already die-cut for you! Nothing to cut! Nothing to shape! Nothing to paste!

So incredibly beautiful that it is authorized by Pan American Airways and Douglas Aircraft! Try it completely at our risk—**TODAY!**

# Before you pick your next bike tire get the pitch from this expert

Meet John David Arena, newsboy for the Milwaukee Journal. An eighth grader at St. Rita's school, he's an avid stamp collector and model boat maker. Covers his route on a middleweight bike, equipped with Goodyear tires.

A successful newsboy just has to be a bike tire expert, too. John David Arena, for example, uses his bike seven days a week in getting the Journal to Milwaukee's south side. He couldn't afford to take chances on ordinary tires.

What kind of tires does John use? Although he's only 13, he has been riding Goodyear bike tires for six years.

John knows that Goodyears are made with rubber that's especially compounded to take hard bumps and bruises. Their treads are designed to grip and hold — on pavements, dirt roads, even in winter weather.

Even if you don't use your bike for work, you'll get more fun out of cycling when you ride sturdy, dependable Goodyears. Ask your dealer to show you the Goodyear line. He'll help you pick the size and type that best fits your bike. Goodyear, Cycle Tire Dept., Akron 16, Ohio.

# ILL-TIMED

Janie was feeling wonderful. It was a bright Saturday morning, she had completed all her homework for the week-end, and she had two full days of playing and fun to look forward to.

She felt like whistling, and then she did, smiling always at the sparkling sun as she strolled through the park.

"What are you so happy about?"

She turned around to face the person who had spoken, and saw her girl friend . . . "Gwendolyn! Gee, I haven't seen you in a long time!"

"Of course you haven't," said Gwendolyn, her long face almost scraping the park walk. "I've been sick with the mumps."

"Oh, that's terrible," said Janie, and she really thought so. "Do you feel any better now, Gwendolyn?"

"Worse!" grumped Gwendolyn. "I just couldn't tell you how bad I feel. And besides with a day like this, how good can you feel?"

"But the sun is shining," said Janie.

"Bah!"

"And the grass is so green!" said Janie.

"Who cares?" Gwendolyn grumped once more. "And by the way, Janie, you don't look so good yourself."

"Don't I?" asked Janie, with a slightly troubled look.

"Am I?" Janie gasped, that troubled look becoming worse.

"Just look at your eyes," Gwendolyn continued. "And look at your tongue, and your hair! Isn't there something that bothers you?"

"I-I d-don't know," Janie stuttered. "I thought I was feeling good!"

"Just like I told you!" snapped Gwendolyn. "You THINK you're feeling good. But deep down inside you're just feeling awful!"

"Do you really think so?" Janie asked, her face almost the length of Gwendolyn's.

"I know so! And you'd better take care of yourself. If I were you, I'd run right home and go to bed . . . See you, Janie. I've got to go home to bed myself."

"S-so l-long," grunted Janie. "I-it's been nice talking to you."

"Bah!" said Gwendolyn, and she was off.

Janie walked disgustedly through the park now, her head hanging low, her eyes saddened. She almost walked into her cousin, Barbara . . .

"Gee, Janie," said Barbara. "Isn't this a wonderful day?"

"Bah!" bellowed Janie. "It's terrible!" And without another word she dashed all the way home . . . and to bed!

# CASPER'S DIARY

Dear Diary:

Every so often I like to have my readers "write" my message to you. I like to go through my mail, and show you what some of my friends have written to me, using their exact words. So, dear Diary, let me happily show it to you right now...

"I enjoy your comics very much. Every time I have a chance to get a funny book, I always get yours." -- Bonnie Hastings, Sparks, Nevada.

"I like your comics better than any others... Tell Fatso to go on a diet." -- Louise Donchatz, Poland, Ohio.

"Boo-oo-oo-oo-oo!" -- Michael Gurgos, Youngstown, Ohio.

"I love you very much," -- Marion Stewart, Ft. Worth, Texas.

"Please put my name in your comics" -- Anne Troxler, Alexandria, Va.

"My sisters and I read your comics every time we can. The best of all the stories is 'Casper and the Magic Mirror.'" -- Nancy Mather, Merrimac, Wisc.

"I always read your comics." -- Pidgy McGill, Pittsburgh, Pa.

"I like your comics. They sure are good. I think each comic is better." -- Ronnie Ezell, Stockton, Calif.

"I am in the La Rochelle School, and

we are writing to a friend. I would like you for a friend for we have to write every week." -- Freddy Krug, APO #21, New York, N. Y.

"I read nothing but Casper, the Friendly Ghost funny books because they're the best books I can buy." -- Ralph Eno, San Leandro, Calif.

"I never cared for comic books until I read one of your books." -- Richard Morre, Dearborn, Mich.

"I think Spooky, the Ghostly Trio, Nightmare and Wendy are all so funny." -- Darrell Berger, Toledo, Ohio.

"How can you stand Fatso and those two ghosts? I think you are so cute." -- Dianna Hynson, Longview, Wash.

"I like your books because they show me how to be nice to other people." -- Sandra Anderson, Coos Bay, Oreg.

"Sure enjoy your comics. Believe me keep it up." -- Naomi Romero, Scottsbluff, Nebr.

"We were thinking how nice it would be to have you on television. I think it would be a lot of fun. And with all the other characters, too." -- Jean Stemm, Akron, Ohio.

And there were lots and lots more. Dear Diary.

It sure is a wonderful thing to receive letters like these. Could you ask some of my other readers if they agree with these thoughts. And whether they have any different opinions.

You could tell them to send their postcards to:
