The Case for Joe Hill

(Continued from page 1)

of the Morrison story, on a tip to the paper from Dr. F. M. Knight. He stated that Hill came to his office about 11:45 p.m. on the night of the shooting. He was the only person who was with him at the time of the shooting.

Doctors See Gun Hit

As Mellich finished dressing the wound, Dr. A. Bird, panning, saw a light, looked at Hill, asked him to take Hill's coat off. He saw a bullet hole in the coat. He saw a bullet hole in the coat. He saw a bullet hole in the coat.

Injured in Dock Strike

If the police did not already know that Hill was an aggressive I.W.U. member, they learned it when they checked with C.W.O. officials. One of the British brothers told him he had worked with Joe Hill between thirty days in jail for his activity in a San Pedro dock strike a few months ago.

Insidious Forces of Work

Insidious psychological forces have been working against Hill. Insidious psychological forces have been working against Hill.

The Desert Evening News of January 22, 1914, printed a letter from the San Pedro (Los Angeles) police to Chief Grout of Salt Lake asserting that Hill and Applicant held up a street car in 1913, that Hill was arrested, but that neither car nor driver was recovered.

The Preamble of the Industrial Workers of the World

WE, THE WORKING CLASS and the employing class have nothing in common. There can be no peace so long as hunger and want are found among our fellow men. There can be no peace so long as the workers of the world organize on a class basis.

WE FIND THAT THE SUFFERING OF MANAGEMENT OF THE INDUSTRIES... WE FIND THAT THE SUFFERING OF MANAGEMENT OF THE INDUSTRIES...

IT IS THE HISTORIC MISERY OF THE WORKING CLASS... IT IS THE HISTORIC MISERY OF THE WORKING CLASS...

IT IS THE HISTORIC MISERY OF THE WORKING CLASS. IT IS THE HISTORIC MISERY OF THE WORKING CLASS.
