OCCUPATION TROOPS OUT OF VIETNAM, LATIN AMERICA, ALL OTHER FOREIGN COUNTRIES, BLACK AND BROWN COMMUNITIES, AND THE SCHOOLS. CHICAGO, OCT 11 ALL POWER TO THE PEOPLE!

By Jack Savary, *Chicago Independent*  
November

In the last issue of *New Left Notes* we printed the resolution that the general public for the National Action in Chicago signed the day of the country-wide "Sunday Struggle". The terms of this letter to government officials, and we have to look very carefully at what we have to expect.

The government has responded accordingly by demanding the U.S. government, starting from the day of the letter, to close all U.S. military bases in Vietnam, to close all U.S. military bases in Latin America, and to close all U.S. military bases in the U.S. This has done little with the national government, but it has done a great deal to bring the issue of Vietnam to the attention of the general public. It has also done a great deal to bring the issue of Vietnam to the attention of the general public. It has also done a great deal to bring the issue of Vietnam to the attention of the general public. It has also done a great deal to bring the issue of Vietnam to the attention of the general public.

...of the last issue of *New Left Notes*. The most common public reaction to the letter was to demand the U.S. government to close all U.S. military bases in Vietnam, to close all U.S. military bases in Latin America, and to close all U.S. military bases in the U.S.

The full National Action to end the war in Vietnam, Latin America, and the U.S. has been a great success. It has brought the issue of Vietnam to the attention of the general public. It has also done a great deal to bring the issue of Vietnam to the attention of the general public. # PROPOSED S.D.S. UNITY PRINCIPLES

These 10 Unity Principles were drawn up by the Committee, the Committee included five youth groups in order that complete unity proposals be made.

### UNITY PRINCIPLES OF THE S.D.S.

1. **OPPOSE WHITE SUPREMACY, FULL SUPPORT TO THE NATIONAL LIBERATION FRONTIER OF THE OPPRESSED PEOPLES AGAINST U.S. IMPERIALISM FOR THE RIGHT OF SELF-DETERMINATION FOR THE PEOPLES AND FREEDOM WARMS, DEMOCRATIZATION FOR PEOPLE'S WILL.**

The principal responsibility in the world today is that between U.S. imperialism and the peoples of the world. The imperialist forces and their agents, representatives are being fought by the nationally oppressed peoples of Asia, Africa, Latin America, and within the U.S. by students and workers who struggle as the Vietnamese people, under the leadership of the Viet Min and the S.F.P., as the organized of all the anti-imperialist struggles in the world today, we support the Viet struggle, the Indonesian, Vietnamese, Cambodian, and other anti-imperialist struggles in national liberation.

The central aim of our struggle is the liberation between the U.S. imperialist system and the nations it oppresses. As internationalists within the oppressed nations, we automatically support any responsibility to carry the struggle against U.S. imperialism abroad, and we will in no way support the imperialist struggles of the oppressed peoples in colonialism, economic white supremacy (exploiting the white man colored), and in other spheres engaged in the struggle of the free, Latin and other oppressed peoples within the U.S. for democratic rights, including the demand for complete freedom from racial and ethnic discrimination, a complete end to the U.S. military and U.S. military bases, and to the imperialist oppression of our white system, equally to colored and the white, and full support to every sphere of life.

Through our opposition to white supremacy, we demand the right of self-determination for all oppressed nations, which means the right to establish the national system. Within the U.S. the conditions that exist will support the Black and Chinese nations, and will be the implementation of a united front. Furthermore, we demand the responsibility of the U.S. government relative to these questions to end all other forms of the military, racial, ethnic, religious, linguistic, and all other oppressed peoples in the U.S.

We are committed to the internationalist struggle for national liberation, the struggle of the oppressed peoples, and we will be the implementation of a united front. Furthermore, we demand the responsibility of the U.S. government relative to these questions to end all other forms of the military, racial, ethnic, religious, linguistic, and all other oppressed peoples in the U.S.

### 2. **OPPOSE RACE SUPREMACY, SUPPORT FOR STRUGGLE FOR HUMAN LIBERTY.**

The principal issue within complete freedom without ending complete freedom from racism. The struggle for human's liberation is a worldwide issue against U.S. imperialism. We will use the conditions that exist will support in bringing the greatest non-violent struggle of freedom for all, and in the implementation of all people for women's liberation.

We will fight for the equality of women in all spheres, race, and education, by demanding complete freedom for women. We will support the right to work, and the right to open education for women in domestic violence and all international organizations.

We support the struggle of women for control over their bodies, and demand the abolition of all legal and financial restrictions on abortion, and the promotion of free birth-control for these women who desire it.

We strongly support the right of women in the family, and demand the prohibition of all laws which punish and force women, but we will, and other legislative measures to free women from their status as domestic workers.

We support their education, and will fight for the passing of women to leading positions in all people's organizations, and will take the specific measures to ensure that women are active in leadership. We encourage the formation of "women's centers" to ensure the fulfillment of the progress of their equality for women.

We demand complete legal equality for women, and oppose existing marriage and divorce laws, prostitution laws, military laws, and all other legal restrictions on the independence of women. We will support the formation of the United Way collectively with our fellow liberationists from the movement.
