# MORE ACTION

Children who understand the meaning of the revolution are the ones who will lead the revolution. We must get them to understand the meaning of the revolution. We must get them to understand the meaning of the revolution. We must get them to understand the meaning of the revolution.

We've got to do more than just talk. We've got to do more than just talk. We've got to do more than just talk. We've got to do more than just talk. We've got to do more than just talk.

In many cities, people have started to organize. They have started to organize. They have started to organize. They have started to organize. They have started to organize.

Yes, people have organized. They have organized. They have organized. They have organized. They have organized. They have organized. They have organized. They have organized.

When you get an invitation you must see it as a commitment. When you get an invitation you must see it as a commitment. When you get an invitation you must see it as a commitment. When you get an invitation you must see it as a commitment.

We'll get you a copy of our new book. We'll get you a copy of our new book. We'll get you a copy of our new book. We'll get you a copy of our new book. We'll get you a copy of our new book.

The National Office has been working hard to get you. We've got you for you. We've got you for you. We've got you for you. We've got you for you. We've got you for you.

## Kick the Ass of the Ruling Class

The ruling class of the world that is now in the process of disintegration is becoming more and more desperate. They are now in the process of disintegration. They are now in the process of disintegration. They are now in the process of disintegration.

They are now in the process of disintegration. They are now in the process of disintegration. They are now in the process of disintegration. They are now in the process of disintegration. They are now in the process of disintegration.

Although the Communist Party is "The Party of the People," it is not the party of the people. It is not the party of the people. It is not the party of the people. It is not the party of the people. It is not the party of the people.

It is not the party of the people. It is not the party of the people. It is not the party of the people. It is not the party of the people. It is not the party of the people. It is not the party of the people. It is not the party of the people.
