#### WHITE PANTHERS NAME CENTRAL COMMITTEE

White Panther Minister of Information John Sinclair announced today that the Newly-formed revolutionary organization has named its first Central Committee. The administrative board comprises the following White Panthers:

Panther White, Chairman  
John Sinclair, Minister of Information  
Pun Plamondon, Minister of Defense  
Rob Tyner, Minister of Culture  
Wayne Kramer, Fred Smith, Michael Davis, Dennis Thompson, Ministers  
of War  
J.C. Crawford, Minister of Religion  
Skip Taube, Minister of Education  
Bob Rudnick/Dennis Frawley, Ministers of Propaganda (East Coast)  
Peter Werbe, Minister of Propaganda (Midwest)  
Gary Grimshaw, Minister of Art (in exile)  
Jerry Younkins, Minister of Survival  
Underground, Minister of Foreign Affairs  
Steve Harnadek, National Captain  
Genie Plamondon, Corresponding Secretary  
Joshua Newton, Demolitions Expert  
Brother Larry Belcher, National P.O.W. Captain

In their first formal meeting the Committee discussed matters of immediate importance to the White Panthers and to the world, including the threatened imprisonment of Brother Eldridge Cleaver, Minister of Information, Black Panther Party, and the arrest and imprisonment of 13 brothers and sisters in Detroit for alleged "conspiracy to place explosives with intent to cause damage."

The Committee offered a special round of tokes dedicated to Eldridge Cleaver and the strength he has demonstrated in his stunning escape from the mother country police forces. A second round was offered in solidarity with the powerful brother, "wherever he may be." The Committee then dedicated itself to increasing the White Panther attack on all fronts in order to possibly short-circuit any future attempts on brothers' lives.

"We can't tolerate this bullshit any longer," Sinclair said in a prepared statement. "The shit is really put in the open now and it's starting to stink real bad. If Eldridge Cleaver--or any brother--is fucked with any further we will be forced to step up our assault on the pig-death culture until the pigs can't stand it. We have been shown no mercy and we will grant none until all harassment of all citizens is stopped and the brontosaurus capitalist economy smashed to smithereens. We mean it. We are tired of this shit from the honkies and so are millions of young brothers and sisters all over the planet. We will not rest until it is stopped.

"The problem is getting more serious every minute, and we are responding to the increased pressure of the power structure by building a dangerous power structure of our own. Panther Ministers have been meeting with spokesmen of a number of tribes of radicals and maniacs and will be moving to establish direct and concrete alliances with as many groups as possible, all over the planet. A ten-man guerrilla reconnaissance team will be sent out from our national headquarters in Ann Arbor to meet with people in Boston, Cleveland, and New York City in the next two weeks.

"The spearhead of this attack will be the MC5, who have scheduled engagements at the Boston Tea Party (Dec. 12-14), the Cleveland Grande (Dec. 20-21), and the Fillmore East (Dec. 26) in New York City in order to get the Panther message to the people in those cities. Minister of Defense Pun Plamondon, Minister of Religion J.C. Crawford, National Captain Steve Harnadek and myself will accompany the brothers in the band, and we will all be looking forward to meeting with militant brothers and sisters wherever we go."

Plans are also being made for the first national Zenta revival in New York City between Christmas and New Year. A heavy contingent of Panther officers will be in the city and will meet with freeks from all over the country to discuss plans and programs for the coming year. Specific details of this important meeting will be released in the next two weeks.

Brothers and sisters all over the country are urged to consider attending this monster get-together and toke-down. The meeting has tentatively been set for New Year's Day at 597 Broadway in the first New York Zenta colony. Call Elizabeth at 212-966-5608 or the National Headquarters in Ann Arbor (313-769-2017) for details.

The committee also discussed the case of the 13 brothers and sisters in Detroit who were arrested for "conspiracy to place explosives with intent to do damage," a bogus political move by the City of Detroit. All of the accused have been released on Bond (up to \$10,000) with the exception of Brother David Valler, who is still in the Wayne County Jail in lieu of \$10,000 bond, and Brother Ron Peirce, whose bond is still at \$25,000. Brother Pierce was offered a lower bond by honkie judge Thomas Poindexter if he would cut his hair, but the brother told the judge to get fucked.

A defense committee has been formed and is gathering bread to help the accused fight their case. The Defense Committee is headed by Detroit Minister Propaganda Peter Werbe and Detroit Captain Alan Gotkin, care of the Fifth Estate newspaper at 1107 W. Warren, Detroit, Michigan 48201. A series of benefits are being planned for December and January and local Panther bands will be playing to raise money for their brothers and sisters in the case.

## POETRY IS REVOLUTION!

white man's song  
for Huey Newton.

there is no danger,  
really.

revolution to the fullest!  
black power  
shows me no threat.

i. find the spades on the corner,  
the hippies in the street,  
both getting the same shit  
from the heat.

the same turn of the head  
(they have no necks-  
these Oakland policemen  
drive around  
with a rifle

between their legs.

we both realize  
the common enemy  
our common fight.

Black People. the first  
people to reject  
assimilation into  
the great plastic  
universe.

America,  
you created a culture so sick  
your ex-slaves  
couldn't dig it.

the children  
of your great 'middle class'  
are leaving in droves.

your cities are burning.

i call for  
the destruction  
of law & order.

& the beginning  
of the time  
of man.
