1. You may remain silent. You must give your name and address, but you do not have to answer ANY other questions. ANYTHING you say may be used against you in court as evidence. Don't volunteer any information you don't want to hear used against you at a later date. Your best bet is to REFUSE TO MAKE ANY STATEMENTS TO THE POLICE other than your name and address.
2. The police may arrest you legally:
 - a. by serving you with an arrest warrant listing your name and the 'crime' you are charged with, or
 - b. if they have 'REASONABLE' grounds to believe you are committing or have committed a crime.
3. The police may legally search your person and an area within your immediate presence ONLY if they have arrested you or if they have a search warrant or arrest warrant. ASK TO SEE IT! Don't panic and give them reason to arrest you—then any search conducted by the police becomes legal.
4. The police must inform you of the offense with which you are charged, but frequently they will refuse to do so.
5. Whatever happens, you should not resist arrest even if you are innocent, or else you may be beaten and charged with 'assaulting a police officer,' or not beaten and charged with 'resisting arrest.' That is standard police procedure everywhere in Amerika.
6. Write down the arresting officers' badge numbers and names whenever possible. In the future it will be financially impossible for the National Hdqts. to mail out these Supplements to the People for free (over 1500 people are on the mailing/literature list, and contacts are growing fantastically --- financial donations, as well as material & spiritual sustenance are urgently needed.)

THE SUPPLEMENT IS REQUIRED READING FOR ALL MEMBERS OF THE WHITE PANTHER PARTY!

IF YOU DON'T KNOW, LEARN! IF YOU KNOW, TEACH!

TWO MEMBERS OF THE LOCAL FACIST PIG (POLICE) DEPARTMENT VAMPED ON BRO. CARROL MCFADDEN AND BRO. GARY WILSON OF THE BLACK BERETS YESTERDAY FOR SELLING BLACK PANTHER NEWSPAPERS. REALLY SEEMS AS IF THE PANTHER REALLY STRIKES FEAR INTO THE HEARTS OF THE PIGS. THE BROTHERS HAD BEEN OUT FOR ABOUT FOUR HOURS AND THE PAPERS WERE REALLY GOING HIP. ALL UP AND DOWN THE STREET PEOPLE WERE READING PAPERS OR CARRYING THWM SO THE PIGS DECIDED THEY HAD BETTER PUT AN END TO THIS. HE RODE DOWN IN SOME KIND OF PIGGISH MANNER AND PROMPTLY STARTED OINKING. WHEN THE BROTHERS WOULD NOT RESPOND TO THIS TYPE OF SHITXX THE ROLLERS GOT KIND OF UPTIGHT BECAUSE THE PEOPLE STARTED TO CHECK OUT WHAT WAS HAPPENING. RIGHT AWAY THE PIGS INFORMED US THAT WE WERE UNDER ARESST FOR SOLICITING WITHOUT A PERMIT WHEN WE INFORMED HIM THAT HE COULDN'T TAKE US IN ON THIS CHARGE HE FORCED US INTO THE CAR AND ~~XXXX~~ TOOK OFF TO THE STATION. ON THE WAY THE DISPATCHER ALSO TOLD HIM THAT HE COULD NOT BRING US IN ON THIS STUPID CHARGE, INSTEAD OF HIM DOING WHAT WOULD HAVE BEEN RIGHT, LETTING US GO. THIS PIG MADE UP A DIFFERENT CHARGE DISTURBING TRAFFIC!!! LOCAL PIGS ARE SO STUPID!!! HOW THE HELL CAN WE DISRUPT TRAFFIC STANDING ON THE SIDEWALK??? AFTER WE WERE HASSLED AND THREATENED AT THE POLICE STY THEY LET US GO WITH CLAIMS OF WARRANTS TO BE ISSUED THE NEXT MORNING. WE WOULD WELCOME THE CHANCE TO MAKE THEM FOOL PIGS TRY TO PROVE THAT WE WERE DISRUPTING ANY TRAFFIC. IT SEEMS AS IF THE ANN ARBOR PIGS ARE IN ON TRICKY DICKS PLAN TO CRUSH OUT ALL LIBERATION STRUGGLES IN THE BALCK COMMUNITY. WE SAY TO THE FACIST KILLER PIGS THAT YOU WILL HAVE TO WITHDRAWW YOUR OPPRESIVE BRUTAL FORCES FROM THE BLACK COMMUNITY OR WE GONNA START SHOOTING PERIOD! (Eldridge Cleaver) WE AIN'T GOT NOTHING TO TALK ABOUT AND THERE AIN'T NO NEGOTIATING TO BE DONE. YOU GET YOUR BOOT OFF OF MY NECK OR I'M A TRY SNATCH YOUR LEG OFF. EVER SINCE THE BLACK BERETS HAVE STARTED TO TRY AND LIBERATE THE PEOPLE OFF THE COMMUNITY THEY HAVE HAD GUNS PULLED ON THEM BY KRASNYS KILLERS AND BEEN HARASSED AT EVERY TURN. THIS ONLY LETS US KNOW ONE THING PIGS! WE MUST BE MOVING IN THE RIGHT MANNER TO FREE BLACK AND ALL OPPRESSED PEOPLE. WE ARE NOT GOING TO TAKE MUCH MORE OF YOUR S--T PIG BUT YOUU WILL NOT TRICK US INTO FIGHTING YOU WHEN WE CAN'T WIN.

"Historically all reactionary forces on the verge of destruction invariably conduct a last desperate struggle against the revolutionaries forces, and some revolutionaries are apt to be deluded for a time by this phenomnom of outward strength but inner weakness, failing to grasp the essential fact that the enemy is nearing extinction while they themselves are approaching victory."

Chairman nMao Tse Tung.

BLACK BERET NEWS

ANN ARBORS FACIST PIG #ORCES KEEP UP THEIR CONTINUED HARRASMENT OF THE BLACK COMMUNITY!!!!!!

DIG! POINT #7 BLACK PANTHER PARTY PLATFORM.... WE WANT AN IMMEDIATE END TO POLICE BRUTALITY AND MURDER OF BLACK PEOPLE. We believe that we can end police brutality and murder in our black community by organizing black self defence groups that are dedicated to defending our community from racist police oppression and brutality. The Second Admendment to the Constitution of the United States gives a right to bear arms. We therefore beleive that all black people should arm themselves for self defence.

DIG! During the recent PIG (police) Riot three bros. were vamped on by the facist pig forces of Sheriff Hoghead Harvey. Seems as if the pigs were not satisfied with vamping on our brothers and sisters of the White Panther Party so they starting f---ing with a couple of brothers they saw looking on as they were rioting. (the police)

DIG! Bro. Carrol Macfadden was snatched out of his car after the pigs told him to pull up presumably to let him continue after they had the street blocked up. When he pulled up the pigs for no reason snatched him and a freind who was with him out of the car and be them with their clubs then (get this) charged them with rioting. The charges were drop later for lack of evidence.....POWER TO THE PEOPLE

DIG! SAME NITE ___ The Facist pigs vamped on Eugene Gregory and his brother Lil Ma as they were sitting on their porch , claimed they were rioting and throwing bottles. Now just how long does the fool pigs think he can fool the people about his facist ass. Only fools and reactionaries throw bottles and bricks at GUNS! THEN THE FACIST PIGS STOLE THE BROS. COAT. AND HAVE NOT RETURNED IT YET.

DIG! Twice during the last two weeks PIG KRANSYS hired killers have vamped on David Hunter and pulled their peices out on him once to tell him to turn his record player down. And another time about some made up robbery. We didnt know that it takes 45caliber revolvers to turn a record player off. This type of action very cleary shows that the pig police department is not set up to prtect us but to harass and destroy us.....OFF THE PIG!

DIG! Local groups have started working with each other on a RECALL Hoghead Harvey campaign. THE people call themselves CRUSH (right on) You can contact these people to see if you can help in any way. by writing RECALL BOX 593 Ann Arbor Mich. STOP THE TERROR BY ANY AND ALL MEANS NECESSARY!!!!!!!!!!!!!!!!!!!!!!!!!!!!

DIG! The Pigs are desperate they to are using any and all means to bust you .So be on your Guard against them constantly; watch out for their so called under cover pigs who are everywhere. POWER TO ALL PEOPLE

-7-24-69 DETROIT by Vince Kenneth, White Panther- -Wednesday's benefit at the Grande for John Sinclair's Defense Fund pulled in \$1,612.90, one of the greatest signs of support of a revolutionary person by revolutionary people. Right now John is on trial for possession of dope. Officially, "The People of Michigan vs. John Sinclair," but we know who the people really are and we proved it Wednesday at the Grande when "The People of Michigan saluted John Sinclair."

The state's pig power structure wants to do away with John and his kind (Huey Newton, Eldridge Cleaver, Abbie Hoffman, etc.) because they are a threat to the pig's existence. People like John continuously expose the PIG for what he really is and every day, more and more people realize that "what we've been saying all these doggone years has been true." And it's not just the young ones anymore. Older people are turning over to our side of the coin, some slowly, others quickly. Parents every day are awakening to the fact that the only reason their children are so dedicated to the revolution is that their children are right. They've been running around in a half-assed manner for so long not caring who really becomes mayor, sheriff, governor or president. These people who have been voting all these years for a pretty face or a family name are just beginning to think about who they've voted for. Vietnam. Starvation. Illiteracy. Rascism. Ghettos. Fascism. Johnsons. Rockefellers. Maddoxes. Reagans. Cavanaugh's. Harveys.

Fascism is coming down faster than most people think. Young people cannot gather in a park to hear music without having 100 pigs there to see that they don't have too much fun. Blacks cannot hold a protest over rascist action of a police department without police informing them that they are involved in an unlawful assembly and must disperse. Dig the difference, brothers and sisters, that just a couple years of maturing fascism in Amerika can make. During the July 23rd Rebellion of 1967, in Detroit, the DPD, State Police and the National Guard teargassed a rooftop or a building only if a sniper was suspected of being present there. Looters and arsens were no shot at but above. When captured they were just put into a paddy wagon and shipped off to Wayne County Jail. With the exception of the Algiers Motel Incident, there were no real cases of police brutality except in the cases of pigs who were pissed off at all the extra duty they had to put up with and just wanted to take it out on someone . . . a prisoner.

In the recent Ann Arbor Pig Riot, Tuesday night, ins no pigs went running all over the city from South University Street all the way downtown chasing anyone that happened to be on the streets, tossing teargas everywhere they went. Pigs arrested anyone they could get their piggie paws on, even grabbing people from their homes. If there was no one committing a crime, then they'd find someone, anyone as long as they could fill that fucking bus, shipping prisoners to the police station and sending it back for more prisoners. The pigs laughed, grunted and oinked as they hustled and dragged people to the bus. A kid with a slingshot, know as "Slingshot" by the pigs, was arrested for "carrying a concealed weapon" and "carrying a deadly weapon," then knocked down to the pavement, kicked in the head, rolled over, kicked all over the back then put in the bus to join his comrades, including myself. All night he was the object of abuse by the pigs who seem insulted that this punk "hippie" would dare carry a weapon of such a lethal nature.

Fascism is here, and just as Hitler said, in the name of Law and Order. Wake up Amerika! National Socialism is rascism is fascism. The U.S. is rapidly becoming a police state. Don't be fooled. The laws cannot be used to our advantage. The pigs keep finding ways to work the laws in their favor. If a law is found to be unconstitutional, the pig rewords it. Everything works in their favor.

Our job as revolutionary people is to OFF THE PIG. Fascist government officials must be exposed for what they are NOW and removed. If we don't act NOW, it may be too late a few months from now. We will win the fight against the Oppressor or we will die. We won't die because we will win the fight against the Oppressor.

WHITE PANTHER PARTY 10-POINT PROGRAM AND PLATFORM

1. We want freedom. We want the power for all people to determine our own destinies.
2. We want justice. We want an immediate and total end to all cultural and political repression of the people by the vicious pig power structure and their mad dog lackies the police, courts and military. We want the end of all police and military violence against the people all over the world right now!
3. We want a free world economy based on the free exchange of energy and materials and the end of money.
4. We want free access to all information media and to all technology for all the people.
5. We want a free educational system, utilizing the best procedures and machinery our modern technology can produce, that will teach each man, woman and child on earth exactly what each needs to know to survive and grow into his or her full human potential.
6. We want to free all structures from corporate rule and turn the buildings over to the people at once!
7. We want free time and space for all humans—dissolve all unnatural boundaries!
8. We want the freedom of all prisoners held in federal, state, county or city jails and prisons since the so-called legal system in Amerika makes it impossible for any man to obtain a fair and impartial trial by a jury of his peers.
9. We want the freedom of all people who are held against their will in the conscripted armies of the oppressors throughout the world.
10. We want free land, free food, free shelter, free clothing, free music, free medical care, free education, free media, **EVERYTHING FREE FOR EVERY BODY!**

We believe that the only solution to the problems of the people of earth now is through the establishment of a free economy throughout the world in which the only consideration is the needs of all the people all the time, and that any social system which does not provide for the needs of all the people must be abolished and replaced by a free social order.

When, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume, among the powers of the earth, the separate and equal station to which the laws of nature and nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal; that they are endowed by their creator with certain unalienable rights; that among these are life, liberty and the pursuit of happiness. That, to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that, whenever any form of government becomes destructive to these ends, it is the right of the people to alter or abolish it, and to institute a new government, laying its foundation on such principles, and organizing its powers in such forms, as to them shall seem most likely to effect their safety and happiness. Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes; and, accordingly, all experience hath shown, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But, when a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, it is their duty, to throw off such government, and to provide new guards for their future security.

UPS

.....WARREN-FOREST SUN.....

(7-22-69, Detroit) With the possibility of twenty years imprisonment facing him, John Sinclair, Minister of Information/White Panther Party and his attorneys began their defense in the retrial of Brother John's third dope case. Last month, Judge Colombo of the Recorder's Court Bench in Detroit declared a mistrial after prejudicial remarks were given by the chief prosecution witness, undercover scum pig patrolman Vahan "Louie" KAPIGan. Not only is John on trial for "possession of marijuana, third offense", but the defense team is also challenging the constitutionality of marijuana laws. The challenge is based on the "cruel and/or unusual punishment" for possession of the benevolent weed and the fact that Cannabis Sativa is harmless anyways. (Back in the thirties when marijuana was classified by the federal government as a narcotic, scare tactics and bizarre ruses were given to the unsuspecting American public through the bogus establishment news media, creating a demand for the prohibition of grass which followed.)

No one can really speculate exactly how John's trial can last or what the outcome will be. All we know is that the Detroit pig structure, the local fascist force, is out to get him but his excellent team of revolutionary lawyers, Ravitz, Cockrel, Segosta, etc..., are out to save him (and you too, brother) Dig it, man! You're sitting at that very same table, listening to every word in that very same courtroom because your freedom is on the line, too. Running out to the beach in the early morning with a lid of tokes forgetting about what's going on in Detroit or anywhere in the universe is like scheduling a heart transplant for yourself and going to see a movie on coronary diseases instead.

Get a carload of your friends together, head down to Recorder's Jest Court at 9:00 am and learn. Watch what's going on. We are next. We can't get fucked when our turn comes up. Support John. He is our BROTHER really.....

MIDNIGHT z INVASION
POLICE CELEBRATE FESTIVAL OF DEATH ON SOUTH UNIVERSITY

Last night in 90 minutes, the Ann Arbor Police Department staged and successfully completed a planned military maneuver on South University, occupying the street and paralyzing the right TO BE. Being on South University, or the half block of South Forest, meant harassment, intimidation, shoving, and arbitrary arrest.

At 11:25pm the invasion began. One Ann Arbor police car abruptly squealed to a stop, and emptied out six riot dressed pigs, bouncing like football players, ten minutes late for the game. Marching two abreast, pretending to "clear" the loosely scattered sidewalk crowd, they goose-stepped to the rhythm of 3 ft. clubs smacking against their palms. They verbally agitated people to react hostilely, and, and jabbed one brother in the ribs (black pig John Hall) saying "You got troubles man?" "If you do, come to me, understand?" Three brothers walking arms over shoulders and being stoned free, were chased from Millers Ice Cream store and down South Forest. Their refusing to act paranoid must have the pigs.

From dusk on, the street buzzed with energy. People digging each other and moving on. People being free. People being happy, and hanging around like after rock concerts. Everyone was righteously street stoned. At no time was the sidewalk or street blocked. There were no disturbances. There were no illegal acts--none. The decision to incite a riot with the National Guard and Sheriff Harvey waiting just out of town, acts 2 and 3 was saying "To be free constitutes a disorder, a lawless situation. If necessary we will beat our Readers Digest morality into you. If you persist on acting and relating as human beings rather than consumers on South University; than through illegal acts, we (the pigs) will force you to switch rolls, becoming potential threats to the gestapo situations we create. Go home freak. Watch T.V. Law and order, alone, determine morality. You being free, by Honky law, is immoral. We are here protecting morality. Our morality made us, 6% of the world: population, owning 60% of the world's resources. To fuck with that balance is to fuck with America, and we protect America by any means necessary."

In one hour at the cost of \$45.00 to the taxpayers (\$7.50 per hour x 6 pigs) the street was desolate, but for small groups of frightened people and the Whistle Stop congregation. The pigs seeing the opportunity, hoofed to the Whistle Stop, pushed and jabbed their way in, and busted Jackie for "obscene language". Black pig John Hall knocked down Grant Fisher with his club and busted him, "Your going too-for interfering". Jackie and Grant were pushed out. Some people followed until Corporal Johnson oinked, "Anybody who comes this way gets it too".

Between 12:15 and 2:00p.m. the pigs swept up and down the half block of South Forest making at least one more arbitrary arrest. Another sister, Audrey, was busted when two pigs realized she was taking witnesses names. Pig cars raced up and down South Forest, and eventually stationed two pigs, Hoy, badge 86 and Ritter, badge 31, in the Standard gas station. The Military Industrial Complex personified.

Dig it man. When you hear a brother rapping naive shit like, "I just can't believe it." "There must be some switch in tactics." "They can't do that", or "That's going on man?" Tell him America is going on: the planet is losing. Tell him Blacks live with it every fucking day. Tell him if the police don't protect the people, then the people will protect the people, from the police. TAKE UP MOTHER FUCKERS!!!!

Last night, Act I, inciting the people, was a deliberate attempt to create Act II- overreaction by Hog Harvey and the National Guard, and Act III- a police state in Ann Arbor. Now either you start warning people of Act IV-- total Fascist control, or get seated for Act I of a play entitled, "The Total Destruction of America." POWER TO THE PEOPLE!

TO ALL PROSPECTIVE MEMBERS OF THE WHITE PANTHERS

We are sending this issue of the Ann Arbor Argus to all people interested in the White Panther Party. This issue is especially important because it has the first White Panther Supplement. The Supplement will be a regular feature of the ARGUS, and will explain what the W.P.F. believes and what the Community Programs of the Party are, and how White Panthers must serve the needs and desires of the People!

In the future it will be financially impossible for the National Hdqts. to mail out these Supplements to the People for free (over 1500 people are on the mailing/literature list, and contacts are growing fantastically --- financial donations, as well as material & spiritual sustenance are urgently needed.)

THE SUPPLEMENT IS REQUIRED READING FOR ALL MEMBERS OF THE WHITE PANTHER PARTY!

IF YOU DON'T KNOW, LEARN! IF YOU KNOW, TEACH!

The best way to make sure you get the Supplement every time is to get a subscription to the ARGUS, so you will get the whole paper every two weeks. A one year sub. (26 issues) costs \$3.00 (Men in service or people in jail - FREE)

807 S. State, Ann Arbor, Mich. 48104

All White Panthers should subscribe/read as many revolutionary underground Newspapers as they can get their hands on! If you can not afford the \$3.00, then write us a letter and we will send you 100 ARGUS' and you can sell them on consignment (i.e., you sell each paper for 25¢ and pay the W.P.F. 15¢ for each paper). The papers will be mailed at our cost, and with the money you receive from distributing the ARGUS, you will be able to subscribe to other papers or buy some holy weed or sacrament. Right on!

The same hold true for the BLACK PANTHER PAPER. The BLACK PANTHER comes out weekly and is the official paper of the B.P.F.. This paper is also required reading for ALL WHITE PANTHER MEMBERS. A subscription is \$7.50 for 56 issues... Ministry of Information, B.P.F., Box 2967, Custom House San Francisco, Calif. 94126.

The people must know what is happening and what to do, because the mass media in Amerika is racist and designed to confuse the people and serve the interests of the pig capitalist ruling class -- OFF THE PIG IN OUR MINDS AS WELL AS THE PIG IN THE STREET! POWER TO THE PEOPLE!

TWO MEMBERS OF THE LOCAL FACIST PIG (POLICE) DEPARTMENT VAMPED ON BRO. CARROL MCFADDEN AND BRO. GARY WILSON OF THE BLACK BERETS YESTERDAY FOR SELLING BLACK PANTHER NEWSPAPERS. REALLY SEEMS AS IF THE PANTHER REALLY STRIKES FEAR INTO THE HEARTS OF THE PIGS. THE BROTHERS HAD BEEN OUT FOR ABOUT FOUR HOURS AND THE PAPERS WERE REALLY GOING HIP. ALL UP AND DOWN THE STREET PEOPLE WERE READING PAPERS OR CARRYING THWM SO THE PIGS DECIDED THEY HAD BETTER PUT AN END TO THIS. HE RODE DOWN IN SOME KIND OF PIGGISH MANNER AND PROMPTLY STARTED OINKING. WHEN THE BROTHERS WOULD NOT RESPOND TO THIS TYPE OF SHITXX THE ROLLERS GOT KIND OF UPTIGHT BECAUSE THE PEOPLE STARTED TO CHECK OUT WHAT WAS HAPPENING. RIGHT AWAY THE PIGS INFORMED US THAT WE WERE UNDER ARESST FOR SOLICITING WITHOUT A PERMIT WHEN WE INFORMED HIM THAT HE COULDN'T TAKE US IN ON THIS CHARGE HE FORCED US INTO THE CAR AND ~~XXXX~~ TOOK OFF TO THE STATION. ON THE WAY THE DISPATCHER ALSO TOLD HIM THAT HE COULD NOT BRING US IN ON THIS STUPID CHARGE, INSTEAD OF HIM DOING WHAT WOULD HAVE BEEN RIGHT, LETTING US GO. THIS PIG MADE UP A DIFFERENT CHARGE DISTURBING TRAFFIC!!! LOCAL PIGS ARE SO STUPID!!! HOW THE HELL CAN WE DISRUPT TRAFFIC STANDING ON THE SIDEWALK??? AFTER WE WERE HASSLED AND THREATENED AT THE POLICE STY THEY LET US GO WITH CLAIMS OF WARRANTS TO BE ISSUED THE NEXT MORNING. WE WOULD WELCOME THE CHANCE TO MAKE THEM FOOL PIGS TRY TO PROVE THAT WE WERE DISRUPTING ANY TRAFFIC. IT SEEMS AS IF THE ANN ARBOR PIGS ARE IN ON TRICKY DICKS PLAN TO CRUSH OUT ALL LIBERATION STRUGGLES IN THE BALCK COMMUNITY. WE SAY TO THE FACIST KILLER PIGS THAT YOU WILL HAVE TO WITHDRAWW YOUR OPPRESIVE BRUTAL FORCES FROM THE BLACK COMMUNITY OR WE GONNA START SHOOTING PERIOD! (Eldridge Cleaver) WE AIN'T GOT NOTHING TO TALK ABOUT AND THERE AIN'T NO NEGOTIATING TO BE DONE. YOU GET YOUR BOOT OFF OF MY NECK OR I'M A TRY SNATCH YOUR LEG OFF. EVER SINCE THE BLACK BERETS HAVE STARTED TO TRY AND LIBERATE THE PEOPLE OFF THE COMMUNITY THEY HAVE HAD GUNS PULLED ON THEM BY KRASNYS KILLERS AND BEEN HARASSED AT EVERY TURN. THIS ONLY LETS US KNOW ONE THING PIGS! WE MUST BE MOVING IN THE RIGHT MANNER TO FREE BLACK AND ALL OPPRESSED PEOPLE. WE ARE NOT GOING TO TAKE MUCH MORE OF YOUR S--T PIG BUT YOUU WILL NOT TRICK US INTO FIGHTING YOU WHEN WE CAN'T WIN.

"Historically all reactionary forces on the verge of destruction invariably conduct a last desperate struggle against the revolutionaries forces, and some revolutionaries are apt to be deluded for a time by this phenomnom of outward strength but inner weakness, failing to grasp the essential fact that the enemy is nearing extinction while they themselves are approaching victory."

BLACK BERET NEWS

ANN ARBORS FACIST PIG #FORCES KEEP UP THEIR CONTINUED HARRASMENT OF THE BLACK COMMUNITY!!!!!!

DIG! POINT #7 BLACK PANTHER PARTY PLATFORM.... WE WANT AN IMMEDIATE END TO POLICE BRUTALITY AND MURDER OF BLACK PEOPLE. We believe that we can end police brutality and murder in our black community by organizing black self defence groups that are dedicated to defending our community from racist police oppression and brutality. The Second Admendment to the Constitution of the United States gives a right to bear arms. We therefore beleive that all black people should arm themselves for self defence.

DIG! During the recent PIG (police) Riot three bros. were vamped on by the facist pig forces of Sheriff Hoghead Harvey. Seems as if the pigs were not satisfied with vamping on our brothers and sisters of the White Panther Party so they starting f---ing with a couple of brothers they saw looking on as they were rioting. (the police)

DIG! Bro. Carrol Macfadden was snatched out of his car after the pigs told him to pull up presumably to let him continue after they had the street blocked up. When he pulled up the pigs for no reason snatched him and a freind who was with him out of the car and beat them with their clubs then (get this) charged them with rioting. The charges were dropped later for lack of evidence.....POWER TO THE PEOPLE

DIG! SAME NITE ___ The Facist pigs vamped on Eugene Gregory and his brother Lil Ma as they were sitting on their porch , claimed they were rioting and throwing bottles. Now just how long does the fool pigs think he can fool the people about his facist ass. Only fools and reactionaries throw bottles and bricks at GUNS! THEN THE FACIST PIGS STOLE THE BROS. COAT. AND HAVE NOT RETURNED IT YET.

DIG! Twice during the last two weeks PIG KRANSYS hired killers have vamped on David Hunter and pulled their peices out on him once to tell him to turn his record player down. And another time about some made up robbery. We didnt know that it takes 45caliber revolvers to turn a record player off. This type of action very cleary shows that the pig police department is not set up to prtect us but to harass and destroy us.....OFF THE PIG!

DIG! Local groups have started working with each other on a RECALL Hoghead Harvey campaign. THE people call themselves CRUSH (right on) You can contact these people to see if you can help in any way. by writing RECALL BOX 593 Ann Arbor Mich. STOP THE TERROR BY ANY AND ALL MEANS NECESSARY!!!!!!!!!!!!!!!!!!!!!!!!!!!!

DIG! The Pigs are desperate they to are using any and all means to bust you .So be on your Guard against them constantly; watch out for their so called under cover pigs who are everywhere. If you don't have a copy of our pocket lawyer drop by the BLACK BERET Office and get one. 311 South Fith Ave.... Long ago The Ancient Ones told that this thing would be.
The white man would kill the spirit of the people, and take it to a far place,
but after a while it would come back again, it would be born again.
In time a new spirit would come into the world and we should look for it.

Like the raindrops gathering in the clouds of the springtime
so would the spirit come to a thirsty land and a dying people.
It would bring back life and hope and make them great again.
We have seen the beginning of this spirit in this people
LET IT GROW! LET IT GROW!

This light you must find.

When you seek for your vision on the mountain top

that in it all peoples of the world can find shelter
and in that day all the little circles
will come under the big circle of understanding and unity.

University was liberated and LIFE was celebrated instead of business and traffic -- the piggys are so crazed that they deem it more important to bring in hundreds of outside goons to riot in the streets of AA & beat citizens without restraint or accountability -- more important to have a dozen undercover pinks spy on the people at the sunday free rock concerts -- more important to steal over 1/4 MILLION dollars from the people by issuing parking tickets -- mpre important to plot against people who smoke harmless marijuana -- more important to place cops in the schools to intimidate freedom and self-determination- - all of these things more important than investigating to the fullest the murder of 6 young girls!! The pigs are out of control -- they do not serve the people; they repress the people and don't provide safety in the community. They are more interested in messing with young hip people and poor black people; and telling/making us 'stay at home, do not assemble or we will beat you, do not break any laws!'; more interested in confusing the general community as to the 'dangers' of free assemblages, revolution, and people power -- so that the public will be to upset to focus its attention on real and fundamental problems of the polices inability to solve the murders -- the police feud and compete with each other about information, they don't put top priority in terms of manpower and creativity and protection on this murder investigation; as well as misusing the murder investigation to harass people and pry into their lives.

The people demand community control of the police -- RECALL SHERIFF HARVEY -- the people will not be told to stay at home in fear -- we will assemble massively to fight fascism! OF 3 WEEKS AGO:

STREETS BELONG TO THE PEOPLE

South University was the scene of a police riot last Tuesday and Wednesday—Major Harris declared that the 2000+ people in the street could not declare themselves the people. Sheriff Harvey and his killer-goons from other counties made sure that the people were not allowed to prove wrong the Mayor's belief that the streets do not belong to the people. The whole community's resources were wasted to viciously beat heads and arrest innocent people instead of being used to intensify the murder investigation and solve the housing problem in Ann Arbor. There was no reason for the police and the Mayor to clear the street—traffic can easily flow around the block, it's done for 5 days during the Art Fair—and it would only cost the salary of a few traffic police instead of overtime for hundreds of riot squads. The violence resulting from the closing of South University rests solely in the hands of the Mayor, and the police, especially Sheriff Harvey. When the people closed the street to traffic on Monday night there developed an organic leadership that provided for everyone's welfare—there were no arrests or beatings because there was no police—People dealt with each other as brothers and sisters. There was a good time for all—party, drink, love, dance, music, people together—a community with the battle of Berkeley's People's Park fresh in their minds and a revolutionary concept of how to live in the city—turn South University into James rector Memorial Mall.* Let the pollution-machines and the merchants give way to the people's need to be together close to the mother-earth. That rascist pig who murdered the dude in the Algiers motel was walking the streets on \$500 bond, yet Terrys misdemeanor got 5 grand. SUMMARY OF POLICE CONTROL AMENDMENT THAT MUST BE ESTABLISHED IN THE CITIES AND COMMUNITIES OF AMERICA TO END FASCISM

This amendment to a City charter would give control of the police to community elected neighborhood councils so that those whom the police should serve will be able to set police policy and standards of conduct.

The amendment provides for community control of the police by establishing police departments for the major communities of any city; the Black community, the predominately White area, the Mexican American Communities, etc., etc. The departments would be separate and autonomous. They can by mutual agreement use common facilities. Each Department will be administered by full time police commissions. (Not single police chiefs.) The Commissioners are selected by a Neighborhood Police Control Council composed of fifteen members from that community elected by those who live there. Each department shall have five Community Council divisions within it. (Or number of departments ratioed to population.)

The Councils shall have the power to discipline officers for breaches of Department policy or violations of law. (Against the people). They may direct their police Commissioner to make changes in department wide police policy by majority vote of the said department commissioners. The Council can recall the Commissioner appointed by it at any time it finds that he is no longer responsive to the community. The community can recall the council members when they are not responsive to it.

All police officers must live in the department they work in, and will be hired accordingly.

CREATION - DESTRUCTION -

The pig power structure of this state has finally done what they have been trying to do for the past 3 years. They have put John Sinclair in jail. This morning in Recorder's Court, Judge Colombo sentenced John to 9½ to 10 years in a state prison for the possession of less than 2 joints of marijuana.

They think with this move, they will have crippled the American Liberation Movement in the medwest, and specifically the White Panther Party. This is where they have made their biggest mistake, just as the pig power structure made the mistake of putting Huey P. Newton in jail. When the California pigs, led by Mickey Mouse Reagan and Donald Duck Rafferty, put Huey in jail, they thought they would be destroying the Black Panther Party, or at least reducing it to a level where it would no longer be functional. But their tactics backfired on them and today the Black Panther Party is the most respected of the revolutionary groups in Amerika, and also the most feared by the Pigs.

The White Panther Party will grow and become stronger and more together than ever before. John Sinclair had a dream for this world, a dream where mankind could live together as brothers and not want for anything. A world where there was truly "freedom and justice for all," and out of this dream came the community known as Trans-Love, and out of Trans-Love came the White Panthers, and from the White Panthers and all of the other revolutionary groups in this country, this dream will become reality, and the dreams of Jefferson, Thoreau, Mao, Che, Huey, and Eldridge will come to pass also.

The Pigs think the White Panther Party was destroyed through their action, and the spirit of the people involved, broken. Well, they are right in only one small way. The people that know and love John Sinclair will miss him very much for the time that he is gone, but Huey P. Newton has said that "the spirit of the people is greater than the Pigs technology," and this will be proven true, for the people will rise up, with the White Panther banner snapping in the breeze, and take up the struggle where John left off, for that is the way that John wants it. What other way is there?

John once said, "We will not be fucked with!" They did. The Pigs have fucked with us, and must pay the price for doing so. The struggle must be intensified and the contradictions clarified so that the entire white, racist society is given the choice, of either being part of the solution to the problems that effect society or being part of the problem.

ALL POWER TO THE PEOPLE!!!!!!

PAPER RADIO

FLASH! John Sinclair, Minister of Information for the White Panther Party, is being held as a political prisoner in Jackson State Hog Pen--sentenced 9½ to 10 years on a pig--fabricated charge of possessing less than two joints of marijuana. Point number 8 of the White Panther 10-Point Program is

WE WANT THE FREEDOM OF ALL PRISONERS HELD IN FEDERAL, STATE, COUNTY OR CITY JAILS AND PRISONS SINCE THE SO-CALLED LEGAL SYSTEM IN AMERIKA MAKES IT IMPOSSIBLE FOR ANY MAN TO OBTAIN A FAIR AND IMPARTIAL TRIAL BY A JURY OF HIS PEERS.

We all know John and the incredible work he has been doing for the people for the past five years--we know he is innocent--we know that the charge he has been convicted of was totally fabricated by the pigs with the specific intention of pulling him off the streets of Amerika to prevent him from carrying on with his work. The pigs are running scared--we see this on the streets of Ann Arbor every night now--they are pulling people off the streets and into their pigpens as fast as they can--they are breaking the law with a cover story of preserving law and order -- one of the first manifestations of facism. John Sinclair is being held as a political prisoner as is Huey P. Newton, Minister of Defense for the Black Panther Party, and countless others of our brothers and sisters around the world. The people of this planet must unite, and it begins in your own community. The White Panther Party Central Committee is making a national appeal to the people to help us free John and put him back on the streets to do his work helping the people free themselves--we make a particular plea to the people of Ann Arbor, the people of our community to help us FREE ALL POLITICAL PRISONERS!!

FLASH!! Free Community meetings still going strong at 1520 Hill, the infamous UP house, every Wednesday night, usually starting around 10:30 pm and lasting until the business at hand is doen. There is much to be talked about: the murders, pig tactics being used against the people, further ways of getting our community together...all people are invited to come and share their energy, ideas, etc., all people are truly needed to come to these meetings. Talk now is starting to form around proposing a Federation of Communes in Ann Arbor, a truly working alliance between people working and living together communally in various houses in our city--ideas and energy desperately needed, totally welcomed--People of Ann Arbor COME TOGETHER!!

FLASH!! Political Education classes with direction from the Central Committee of the White Panther Party held every Monday night at WPP National Hdq. 1510 Hill. We know what we are about, we know what we have to do--we have also to put our work into perspective with the totality of the Revolution going on all over our planet. These PE classes are fun and provide a concrete way for people to share ideas, to learn, to teach--we urge all the people to make an effort to come, Monday nights, 9:00.

FLASH!! White Panther Ralley, August 23rd, to present ourselves to the whole Ann Arbor Community who as yet don't know us. There will be films & speakers--location not yet decided--everyone welcome, please come.

FLASH!! MICHIGAN MUSIC SUPPORTS JOHN SINCLAIR--Sunday, August 17th--a whole day of Rock and Roll music with all of Michigan's top bands in a benefit to show support for the imprisoned Brother: at a place outdoors in front of God & everybody--\$2.00 donation--Advance tickets from Trans-Love Energies, 1510 Hill, phone 769-2017--more information later.

FLASH!! Informed Sources relate their findings: speed & smack (heroin) abounding in the streets of Ann Arbor and most major cities in the country..... brought in by government agents to keep the people fucked up & separated, unable to work--trying the old divide & conquer thing in every way possible--this is no joke--hoping to deal with it by educating the people, but it will be dealt with BY ANY MEANS NECESSARY!! The Control creeps & money-men can not tolerate a new culture of revolutionary youth who refuse to work for someone else's profits and who devote their energy to the liberation of the planet. We are the solution and we are the future, and we can not be destroyed no matter how low-down & vile & facist the enemy gets. Chairman Mao says about youth,

"The world is yours, as well as ours, but in the last analysis, it is yours. You young people, full of vigour and vitality, are in the bloom of life, like the sun at eight or nine in the morning. Our hope is placed on you.... The world belongs to you."

ALL POWER TO THE PEOPLE!
PEACE AND POWER TO THOSE WHO EARN IT!

The State Police have moved in to Ann Arbor to head the murder investigations. The Deputy Sheriff was really uptight about this, but that's just more of the typical honkie system's methods of competition and unorganization. But the people will not be screwed over any longer if we can get out all information to the rest of the people. We cannot be stopped by the fascist control pig forces. People that were arrested beginning two days ago were interrogated, photographed, and released and told that they would be called later. The pigs might try to round everyone up at once in one gigantic effort to keep the people off the streets. Rumor has it that the pigs are going to make a search of all communes in a short time searching for runaways. Get your shit together! If you are ever stopped by the police, make sure you have some I.D. than ask the cop for his I.D. Take down his badge number and name. If he asks why you want to know this, tell him if he has a right to ask you, than you have a right to find out who he is. Always find out why they stopped you.

I've been sitting in Washtenaw Circuit Court all morning watching the messed up judicial system screwing with more people. Even guys that I don't even know were being screwed with. That's the way the Amerikan leaders want it. They train all kids in schools so that they don't even think. Than when they get them in court for some charge of stealing or breaking and entry the people can't even think of what the heck to do. They've been oppressed for so long that they cannot think. The messed up honkie system provides for nothing except makes people steal from others because they teach them that possessions and money and bras and underwear and big cars are truly Amerikan things. Think about it. Start living an alternative to this screwed up mess. Read the Quotations of Chairman Mao, Che Cuevera, Ann Arbor Argus, The Sun, The Fifth Estate, The South End. The Pigs will try to stop all these means of getting the the information to the people. But nothing can stop us acid--crazed beings of the universe. Organize communes all over the country. Get into yourselves and then get into other people. Find out what is going on in the universe, right now!

when will the blues leave?

when I get out of this place. I mean
the blues here are of such depth
there's no color to them, not the blue
of the sky these spring days
walking to the barracks where they
turn the lights out on us
10 o'clock every night --that sky is so pretty
it's not the blue I know
or speak of here -- these blues

not like Ornette's either, no joy to the song,
but like his "Sadness" played & replayed
24 hours a day / until the thought
of the sound itself
wears down the mind. Letters from my wife
"Haven't slept in 2 days so much
work to do no time
to do it" -- I'm sure to get
my 8 hours every night, dreaming
of everything I used to know
& all my people in those dreams

When the blues will leave is when I'm back
home again, home in bed
with my baby be-
side me, & not all these funky convicts
working on my mind. Where Ornette
& Trane & Charles & all the music of my life are
there to feel every minute
of every breathing day. (I mean
the point of the song is that
the blues will leave

That's why I sing it

FROM CORRECTIONS: a book of law

Written From Detroit House of Corrections - 1966

As the fascist campaign of terror continues to escalate against the peoples revolutionary culture, so does the fire of the peoples will burn ever brighter. And it is in this spirit that the people of Sunnigoode Street in the Congolian Mauler Commune now come together, gathering the two tribes into a DANGEROUS, ORGANIZED FORCE, even as our brothers and sisters are coming together everywhere. But we desperately need a bigger lodge, the people of Sunnigoode must be out of their present house by the end of August, and the Congolian Mauler house is even now too small to serve our needs. We appeal to the people in our search for a bigger house. If you have any information concerning houses for rent or sale of at least a 5-6 room size contact Sunnigoode Street at 1023 Church or Congolian Maulers at 312 E. Kingsley, 761-8314.

Tuesday afternoon as we were selling recall Hog Harvey bumper stickers we were confronted by one of Fig Krasny's dumbest officers about soliciting without a permit when Bro. Ray told the pig that we did not need one and that he had no right to be fucking with us. The pig left and went to get some of his friends to assist him in making an arrest of someone half his size. He returned with five other pigs than he started getting very brave, talking kinda loud and boisterous. When we asked him for his badge number he said its 69, can you count that far? The pigs are always surprised that a brother can even count they try so hard to see that you don't get a decent education. After revealing only our name and address we started to quote to the pig exactly what he could do and the charge he was talking about was one that he could not apply in our case. He really flipped on that here was two niggers who knew more about the law that he was supposed to be enforcing (You Dig?) After some more of that racist inferals that all niggers are dumb and when he saw that we were not going for this bullshit he called up one of the super pigs from the station this motherfuckaa wouldn't even identify himself and snatched the stickers out of our hands, Right on fascists!! He then had the nerve to ask us if we wanted to ride down to the police station and talk it over we told him, ~~XXXX XXXX~~ "You have to come up with a better one than that! If you can't take us in under arrest we don't have nothing to talk about just give us back our stickers and get out of our way, You ~~XXXX XXXX~~ ought to be somewhere trying to find the murderer! When we come down to the police station to talk to you we are coming so that we can be sure that we are coming back out with no ass-kicking. Can you dig that? We know you always like to fight when you have five to one odds but we will choose our own grounds to fight on and when we strike we are going to wipe you out very thoroughly!!!" They decided to leave because all kinds of witnesses started to gather around so this one pig who refused to identify himself (He had a suit on) started walking back to the pig headquarters, since he stole our bumper stickers we decided that we were going to go deal with that situation. This chickenshit Motherfucker started running from us. You dig? He seemed to know that he was about to face the wrath of the people, He was saved from the people's wrath by two carloads of pigs who tried to sneak up behind us and trick us into an ambush, but we did not fall for it. RIGHT ON! ALL POWER TO THE PEOPLE!

OFF THE FIG!!

STREET NEWS CONTINUED--More of the Same

The Ann Arbor Police force, along with its usual after dark \$7.50 per hour, street takeover is performing a function outweighing their attempt to keep the street free for poisoned honky food, hopsack pants, playboy magazine, and Budweiser. Their oinking, like a ringmaster's electrifying voice, arouses the people's spirit, and creates situations where street people, straight people, and all people want to gather, rap analyze, organize, and act. Two nights ago, eight freeks, distributing recall hog Harvey literature, were chased a half mile from city hall to and inside the Whistle Stop restaurant. The police, realizing the seriousness of that information, took the street. People gathered to see why. And the rap unrapped, hundreds of Recall Harvey leaflets were passed, and hundreds of people tuned in to the political nature of police oppression. Later, Have a Marijuana jammed for two hours, googobs of dope got smoked, and thanks to our sponsors, the pigs, the street was free again. Thank you.

FOR IMMEDIATE RELEASE (White Panther News Service) August 1, 1969

Me and a couple of dudes were at the Recall meeting for Fig Douglas Harvey. We all realized that Charlie is working his ass off and isn't getting much help, so we decided to help. We all picked up some literature and decided to distribute it to the people. On our way to South U. we passed City Hall where we decided if we put literature on the windshields of all the Honkies' cars maybe out of being curious they might read it and wise up. While in the process two pigs came flying out of the pig sty, and started running after us. At this point we decided to split because they would have probably arrested us for some bogus reason, cut our hair, and screwed us over. Well they chased us through backyards and shit all the way to South U., but we still passed out the literature. When we got to South U., and Church around the corner were more pigs in their van, who had been radioed to and were ready to attack. We ran again to the Whistle Stop. Three pigs came running in knocking people around, and pushing people over that were sitting in chairs under the shelter. They left a few minutes later and one pissed-off dude threw a wine bottle at them. So they came back and started harrassing people again. The people decided they weren't going to take this bullshit and chased the pigs away. More bottles flew and more bullshit came from the pigs throughout the night. One rock (aimed at a pig) went through a window at the Satellite. Things cooled down after a while when it started to rain. Everyone moved into the Whistle Stop and made music along with David Feel and the Lower East Side. People are getting tired of this same old continuous thing and something has to be done about it.
