Azurite Press supports the propagation, continuation and preservation of ideologies that encourage non-political Environmentalism, Holistic Living and non-hierarchical, dogma-free Spiritual-science paradigms consistent with and complementary to the "Law of ONE" spiritual-science perspective.

**Azurite Press**  
**Mission Statement**

The "Inner Christos Law of One" perspective respectfully acknowledges the interconnection, interdependence and intrinsic value of all components of reality and the Living Consciousness, "God-Spirit" or "Inner Christos" alive within all things, promoting affirmative action personal empowerment and environmental appreciation through applied spiritual optimism within a framework of practical realism. With foundations firmly rooted in love-based egalitarian spiritual humanitarianism, the Law of One paradigm incorporates exploration of Unified Field Physics, Quantum theory and ancient Light-Sound-Scalar-wave, Merkaba Mechanics and Esoteric sciences into intelligent investigation of holistic spiritual psychology, physiology, theology, sociology and cosmological principles.

Azurite Press MCEO is dedicated to providing state of the art publications and programs focused upon Consciousness Evolution, Spiritual Development, Holistic Living, Environmental Sustainability, Personal Empowerment and Global Life Enrichment, through which greater harmonious synthesis of the spiritual, psychological, physical and environmental aspects of the human condition can be gained. Azurite Press serves the international community through publication of Educational Resources and sponsorship of Educational Workshops exploring New Frontiers of Self, Science and Spirituality, and through Azurite International Educational Travel Tours fostering personal growth and global healing perspectives in the Inner Christos – Law of One spiritual-science tradition.

### Notice of Claims, Consent and Commitment.

Pertaining to EOMC  
Teachings, Techniques  
and Technologies

Page 1/5

EOMC teachings presently exist on Earth as a growing body of detailed information pertaining to the spirituality and science of creation and the history and evolution of humanity. EOMC teachings offer unique perspectives, techniques and technologies of mind and spirit that have proven useful to many people in the exploration and expansion of personal consciousness. Information contained within EOMC teachings represents a cohesive paradigm of ideas, beliefs and perspectives reportedly translated from ancient texts, which together comprise an affirmative and inspirational "point of view" or "world view" regarding the tangible realities of spirituality, the mechanics of creation, the history of our universe and the potentialities of the human condition. Like many popular "New Age" and "Traditional" paradigms of spiritual, scientific and historical beliefs, many points of view presented within EOMC teachings extend beyond the framework of presently recognized spiritual/religious, scientific and historical "fact" that can be verified through common contemporary scientific procedures. *Thus, like many other popular belief paradigms, including ALL known "New Age" and "Traditional" spiritual/religious doctrines and many fields of contemporary scientific study, the perspectives presented within the EOMC teachings must, too, be presently categorized as theoretical in nature.*

The verifiable actuality, and thus the potential validity, of the presently theoretical spiritual, scientific and historical perspectives of EOMC teachings pertaining to the "Ancient Science of the Shields" (scalar-standing-wave templates of matter and consciousness), "Merkaba Mechanics" (interdimensional electromagnetic vortex mechanics), "DNA Template Activations" (frequency accretion within the scalar template behind manifest chemical DNA), "Interdimensional Structure", "15-Dimensional Anatomy", "Bio-Spiritual Healing" (support of biological healing and well being through holistic spiritual practice) and **Humanity's Evolutionary Journey**, perspectives which are featured within the **EOMC Kathara Bio-Spiritual Healing Program**, **EOMC Maharata "Dance For" Programs** and related published works of the EOMC, cannot at this time be "proved or disproved". Therefore, the EOMC Paradigm and its related teachings, techniques and technologies are offered to the public as a unique and inspirational view point, solely for the purpose of public investigation, consideration and theoretical exploration.

Though the presently theoretical categorization of EOMC teachings within the public sector is recognized, it should also be recognized that members of the Azurite Press, Trustees and the AP Regents Council, as well as authorized EOMC translators/authors and teachers and many individuals within the international community, have personally chosen to accept the validity of EOMC teachings as representing more than a theoretical perspective, instead acknowledging the EOMC Paradigm as a factual reality interpretation, and practical worldview, through which progressive expansion of personal consciousness and coherent spiritual awakening are fostered. Such decision as to the factual or theoretical categorization of the EOMC Paradigm, and the responsibilities inherent to this decision, are deeply private spiritual issues, and thus must be assigned to the faculties of personal discretion.

## EOMC Meditations for Spiritual Exploration, Medical and Psychiatric Considerations

As the EOMC Paradigm is built upon presently theoretical spiritual, scientific and historical perspectives, any and all techniques and technologies offered through the EOMC Paradigm must also be considered as presently theoretical in nature, and thus any and all techniques and technologies presented within EOMC teachings are ***not intended to diagnose, treat or cure any disease or illness, nor are they intended as substitution for professional medical or psychiatric advisory or treatment.*** Techniques and technologies provided within EOMC teachings are offered to the public solely as "***Meditations for Spiritual Exploration***", with the intention of assisting to serve the further evolution of human consciousness through providing exposure to an expanded range of perspectives and potentialities. It is strongly recommended that individuals having a history of medical or psychiatric difficulties, or whom are presently under the care of medical or psychiatric professionals, seek professional advisory before using any ***EOMC Meditations for Spiritual Exploration*** techniques or technologies.

### **Notice of Claims, Consent and Commitment.**

*Pertaining to EOMC Teachings, Techniques and Technologies*

**Page 2/5**

Since introduction of ***EOMC Meditations for Spiritual Exploration*** techniques and technologies in 1999 many people have claimed to receive beneficial affects and effects in the development and expansion of personal consciousness and spiritual awakening through use of EOMC techniques and technologies. There have also been a lesser number of reports of individuals claiming to receive no affect, effect or benefit at all, but there have been ***no reports of individuals claiming adverse medical, psychiatric or psychological affects or effects in conjunction with use of EOMC techniques and technologies.*** As a reflection of commitment to responsibility in presentation, EOMC techniques and technologies are not presented for exploration in the public domain until they are first and/or simultaneously explored, utilized or practiced by authorized EOMC translators/authors/ teachers and members of the Azurite Press Board of Directors. Though validation of factual actuality pertaining to affects, effects or benefits of practicing EOMC Meditations for Spiritual Exploration techniques and technologies must, like the techniques and technologies themselves, for the present time remain within the realm of theoretical exploration, it can be reported that since 1999, findings pertaining to the practicality of utilizing EOMC techniques and technologies have consistently revealed that affects and effects of such practices are ***quite individualized, though predominantly positive, in nature.*** Therefore, however, ***no claims, promises or guarantees as to the affects, effects or benefits an individual might expect to encounter through use of EOMC techniques and technologies can be offered at this time.*** Utilization of EOMC Meditations for Spiritual Exploration techniques and technologies presently remains within the category of ***experimental self-exploration***, through which absolute conclusions regarding generalities of mass affect, effect, benefit or detriment cannot yet be drawn. ***An individual's involvement with EOMC teachings, techniques and technologies represents a choice of personal decision and discretion, and thus responsibility pertaining to affect and effect of practice that are inherent to this choice must also remain with the individual.***

### Claim of Authenticity

In offering EOMC teachings for public exploration, neither the translators/authors, publishers, promoters or related individuals and organizations make any claims whatsoever as to the factuality of ideas or perspectives contained within the EOMC Paradigm. Though the ***EOMC***

teaching texts themselves do on occasion claim that certain ideas and perspectives are of a factual nature, such claims represent points of view intrinsically contained within the ancient texts from which contemporary translations are drawn. The authorized translators/authors of contemporary EOMC teaching texts hold a binding commitment to ensure the clearest and most accurate translation of EOMC texts as possible under current evolutionary circumstances; a *commitment to clarity and accuracy of translation* that must include the allowance of contemporary translation of any *claims of factuality as they are contained within the EOMC texts of antiquity*. Information represented as *factual knowledge* within the EOMC texts of antiquity, and their contemporary translations, is understood to represent "*potential or possible factuality, expressed as factuality within the ancient texts, but which presently resides within the domain of theory*" within the context of contemporary publication.

**Notice of  
Claims, Consent  
and  
Commitment.**

Pertaining to EOMC  
Teachings, Techniques  
and Technologies

Page 3/5

The contemporary translators/authors of EOMC teachings *claim only* that the EOMC text translations contained within presently published works bearing their authorship represent an "as-accurate-as-possible" translation of EOMC text records believed to have been created in ancient times, which the contemporary translators/authors have had opportunity to review through *authentic personal experiences*. Translators/authors thus make claims only as to the authenticity of their personal experiences through which review of ancient EOMC text records occurred and as to the factuality that translation of the reviewed ancient EOMC texts into contemporary English language has been rendered by them as clearly and accurately as possible.

As the original EOMC texts of antiquity are not presently in the direct possession of authorized contemporary translators/authors, and thus contemporary translators/authors cannot at this time publicly display these artifacts in order to validate the reality of their continued existence and verify their inherent content, those who explore contemporary EOMC texts translations must understand that such works are presented as theoretical perspectives and possibilities, the validity of which one may choose to believe, or disbelieve, upon the merit of one's personal discretion. *If ideas, concepts or perspectives contained within the EOMC texts, their contemporary translations or related teaching materials bear any resemblance to ideas, concepts or perspectives contained within any other presently known spiritual/religious, scientific or historical paradigms or teaching systems, such resemblance is purely coincidental*. However, the event of such coincidence arising may potentially suggest that both the EOMC Paradigm and paradigms to which it might bear resemblance *may have arisen from a common source in antiquity* that has yet to be discovered or scientifically verified, but which would upon discovery lend credence and clarity to such coincidence.

### Terms, Conditions, Agreements and Implied Consent

As contemporary EOMC text translators/authors can make no claims or promises as to the factuality of ideas and perspectives presented within EOMC teachings, they likewise **cannot offer any claims, promises or guarantees as to the affects or effects that may or may not arise through personal use of EOMC teachings or Meditations for Spiritual Exploration techniques and technologies**. The responsibility for decision to engage involvement with EOMC teachings, techniques or technologies rests with each individual, and thus the responsibility for any affects or effects that may or may not occur in conjunction with use of EOMC teachings, techniques and technologies must also rest with the individual. The *Meditations for Spiritual Exploration* techniques and technologies provided within EOMC teachings represent translations from the ancient EOMC texts, and are provided to the public as an **option for personal spiritual**

exploration, investigation and experimentation, *to be utilized at the personal discretion of the reader or workshop attendee.*

As stated in numerous public forums and workshops since 1999, *in choosing to utilize* EOMC teachings, techniques or technologies it is understood that *in so doing the individual accepts full responsibility for any and all conditions* that may or may not occur in conjunction with such practice. It is further recognized that the individual, *through the act of utilizing* EOMC teachings, techniques or technologies, *thereby through this act agrees* to release Azurite Press, Trustees, the AP Regents Council, authorized Kathara Bio-Spiritual Healing Program teachers and facilitators (pertaining only to EOMC-sanctioned Kathara "no-touch" procedures), authorized EOMC translators/authors, teachers, promoters and any individuals and organizations thereto related, from any and all claims of liability or damages perceived or assumed to occur in conjunction with involvement in EOMC teachings, techniques or technologies. This statement of Terms and Conditions represents a written *Notice of Implied Agreement and Consent to Liability Release* in regard to involvement with EOMC teachings, techniques and technologies. This Notice of Implied Agreement and Consent of Liability Release represents a *reiteration in specific written format* of previously provided notice as to the *necessity of taking personal responsibility for any and all consequences arising from chosen involvement with the EOMC Paradigm*; notice which has been frequently provided verbally in public forum since 1999. It is recognized that the *Implied Agreement and Consent to Terms and Conditions of Liability Release* stated here within is accepted and enacted as such *upon the act of chosen involvement with and/or practice of* EOMC teachings, techniques and technologies. If one is uncomfortable or in disagreement with this stated *Notice of Implied Agreement and Consent to Terms and Conditions of Liability Release*, it is suggested and recommended that one choose at this time non-involvement with EOMC teachings, techniques and technologies, until a future time wherein such concerns have been assuaged.

### A Commitment to Quality and the EOMC Course-book Manuals

The authorized EOMC translators/authors, members of the EOMC, Azurite Press, Trustees, Regents Council, teachers and promoters of the EOMC Paradigm extend their greatest efforts in making EOMC teachings available for public exploration in **the most responsible and respectful manner possible**, whilst striving to maintain the **highest standards of integrity in EOMC text translation and teaching**. Intrinsic to such responsibility in presentation, authorized EOMC translators/authors, members of Azurite Press, Trustees, Regents Council and authorized teachers and facilitators of EOMC programs are all individuals who personally believe in the factuality of the EOMC Paradigm and who actively participate, for personal spiritual reasons, in EOMC programs, including personal utilization of EOMC techniques and technologies. These individuals all share a **common commitment to achieving and maintaining integrity, quality and responsibility in public presentation of EOMC teachings**; this shared commitment arises from a commonly shared, individually held, reverence, respect, appreciation for, and belief in the validity of, the EOMC Paradigm, its inherent teachings of personal spiritual self-discovery and the limitless potentialities of human consciousness that this paradigm suggests.

On behalf of this commitment to quality, may it be understood that **EOMC Course-book Manuals**, as featured within the EOMC *Kathara Bio-spiritual Healing Program*, *EOMC Maharata "Dance For" Programs*, *EOMC Masters Templar Stewardship Initiative Program* and other EOMC teaching programs, **do not represent completed books**, but rather exist as **companion text**

**briefings** that are created in conjunction with **specific corresponding live workshop presentations** which are preserved via **audio/ video recordings** that are made available on the *Azurite Press Products List* as specific Program Sets. The Course-book Manuals that accompany some of these audio-video workshop programs **contain only the charts, graphs and most pertinent information pertaining to their corresponding audio-video program**, and **do not contain the many pages of dialogue and detailed explanation** that is incorporated verbally within the audio-video program. Thus EOMC Course-book manuals are not intended to be used alone, but are rather intended for used as an **additional educational aid in conjunction with their corresponding audio-video workshop program**.

As new EOMC workshop materials are often released and translated during live workshop presentations, the corresponding Course-book Manuals and their inherent graphs and charts often reflect the immediacy of the new information provided in that they are initially rendered "**in-the-rough**", often with portions of text in hand-written form, not yet "**perfected**" for book publication with appropriate dialogue text detail, typesetting, computer graphics, pagination and indexing. As each new workshop since 1999 has introduced the next level of new, live EOMC data translations, there has been insufficient time to "**move backward**" and perfect the quality of production pertaining to EOMC Course-Book Manual texts from previous workshops. The information and new EOMC teachings contained within each workshop program always reflect the standards of integrity and quality inherent to the EOMC Paradigm, but often timely public release of new materials is achieved at the expense of quality in product production. **The Azurite Press staff apologizes for any inconvenience that such "data-in-the-rough" may cause; however, if workshop programs were withheld from Product List release until their audio/video recordings and corresponding Course-book Manuals were "perfected" in terms of product production, it would be several years before these materials were released for public review.** As new EOMC teachings are often time-sensitive in regard to the unfolding of planetary events, especially since 2000, it has been of greater priority during this time to expedite availability of the EOMC teachings contained within the products, than it has been to demonstrate the standards of excellence in quality product production that remains a goal of Azurite Press.

For the time being, EOMC audio-video-Course-book Programs are in a **state of continued evolution**, as the small staff at Azurite Press, with the assistance of numerous individuals who volunteer their time and talents, endeavor to compile dialogue transcripts and perfect typesetting, computer graphics and format organization of previous EOMC workshop presentations in effort to fulfill the goal of creating "**perfected**" book publications that contain, and "**do justice to**", the vast body of quality teachings that have been presented during the 1999-2003 EOMC workshops. The commitment to achieving excellence in quality of production, as well as quality of information, that is held by members of Azurite Press staff arises from the personal desires of staff members to "**honor the spirit of the teachings**" which they have found personally valuable, as well as from a desire to provide the best possible quality of product and service in spiritual respect to the public. Until the goal of achieving "**perfected**" product production quality is actualized, Azurite Press staff hopes that the public will share in the recognition that it is the **quality, and inherent substance, of EOMC information**, more so than the "**package that it comes in**", which demonstrates the **value of Azurite Press EOMC educational products**.

## *Azurite Press MCEO-Krystal River Connection Website Introductory Information Section MCEO-Speakers' Letter of Introduction*

Welcome to the *Introductory Section* of the *Azurite Press MCEO-Krystal River Connection* website. This section provides an overview of basic information about *Azurite Press MCEO, Inc.* and the *MCEO Freedom Teachings®*; this information is provided to assist you in better understanding the nature of our organization and the ideas it represents.

### *Azurite Press MCEO, Inc.*

Azurite Press  
Introduction  
Page 1/2

The *Azurite Press MCEO, Inc.* is an educational resource publishing organization that emerged as an evolution of *Azurite Temple MCEO*. The *Azurite Temple MCEO* was founded in 1999, by Ashayana "A'sha" Deane (*MCEO Speaker-1* and author of the *Voyagers Books*) and Maryanne "Mac" Callaway (*MCEO Speaker-3*), to serve as a *spiritual service organization* dedicated to preserving and creating public access to the ***MCEO spiritual-science teachings*** provided by the *Guardian Alliance-Melchizedek Cloister Emerald Order (GA-MCEO)*. The *MCEO spiritual-science teachings* are provided by the GA-MCEO through translation of the ancient *Cloister-Dora-Teura Plates (CDT-Plates)* and *Maharata Texts* (details in "Introductory-Topics Summary-1" and *Voyagers Volume-1, 2<sup>nd</sup> Edition*). In early 2002, A'sha Deane, Mac Callaway and A'san Deane (*MCEO Speaker-2*) co-founded *Azurite Press MCEO, Inc.*, expanding and restructuring *Azurite Temple MCEO* to become the *spiritual service and educational resource publishing organization* that *Azurite Press, Inc.* is today. The decision to restructure the organization was made to protect the integrity, and enhance public availability, of MCEO teachings and publications.

### *MCEO Freedom Teachings®*

The *MCEO Freedom Teachings®* present a unique, cohesive, personally empowering understanding of the ***Context and Dynamics of the Evolution of Human Consciousness***, and the inherent realities of ***Human Spirituality***, as viewed from a united "spiritual-science" perspective. The MCEO paradigm embraces people from ***all walks of life***, and from ***all spiritual and scientific ideologies***, encouraging everyone to ***investigate and compare*** the perspectives offered through the vast array of commonly available spiritual and scientific ideologies — and further encouraging the comparison of these common belief systems to the ideas presented in the MCEO teachings. Through such ***comparative review***, ***one can become more aware and empowered*** to assume greater ***conscious direction of the evolution of personal consciousness***. The MCEO teachings encourage comparative review so that individuals may ***expand the base of knowledge*** through which they make "worldview" decisions, thus fostering more immediate personal involvement in "***Conscious Evolution***."

The MCEO Freedom Teachings® embody an ***attitude of cooperation***, not competition, with other spiritual and scientific paradigms, focusing upon the ***unity*** inherent to the "*areas of agreement*," while reserving the ***mutual right to "respectfully agree to disagree"*** in areas of ideological difference; thus the MCEO paradigm makes no attempt to "*convince or prove*" the worth and validity of its teachings, nor does it attempt to disprove the worth and validity of other worldviews. The MCEO Freedom Teachings® do not require you to "*convert*" to the MCEO worldview, or replace any previous spiritual or ideological orientation — they simply encourage you to ***explore*** the MCEO perspective as ***additional knowledge*** that can be added to your current belief system,

to provide a "larger vision" through which you may increase your understanding, and expand your conscious perspective.

### *Introductory-Topic Summaries*

In this "Introductory Information" section you will find a selection of *Introductory-Topic Summaries*, offered to provide you with a **brief introduction** to, and **essential background** information on the *MCEO Freedom Teachings®* and *Azurite Press MCEO, Inc.* These "Summaries" are **sequentially ordered**, to assist you in gaining a **well-rounded orientation** to the origins, essential background and basic ideas of the *MCEO Freedom Teachings®* perspective; we recommend reading the "Summaries" in the sequence provided to best facilitate your understanding.

Azurite Press  
Introduction  
Page 2/2

The *MCEO Freedom Teachings®* and the *Introductory Topic Summaries* below offer a **unique perspective on human history, evolution, spirituality and experience**; some of the ideas contained here within may seem quite different than the familiar ideas, more common worldviews and "conceptual filters" that are popular in contemporary culture. Though the unique ideas found in the *MCEO* perspective may seem "new and revolutionary" in relation to common ideologies of our contemporary times, these perspectives were once, long ago, "common knowledge" among the early races of the human lineage. We, the *MCEO* Speakers, do not "invent nor create" the information contained within the *MCEO* teachings and books. The information is *translated verbatim* from its source, and we publicly teach precisely what we, ourselves, have been taught. Detail on the origins of the *MCEO* teachings is found in *Introductory-Topic Summary-1*. Our purpose in presenting this information is not to "convince" you to abandon your current worldview in order to adopt the *MCEO* perspective — rather, it is to offer you an **opportunity to explore ideas** that can significantly *broaden, enhance and expand* your current perspectives to include a "vision" of the nature of reality, and of the **spiritual and biological potentials for humankind**, that is much larger, and far more "grand," than the immediate vision to which you may be accustomed.

The information contained within the *Introductory-Topic Summaries* can best be appreciated if viewed with an **open mind** and a **simple consideration** of the question, "**What IF this information IS true?**" For if the knowledge presented in the *MCEO Freedom Teachings®* IS indeed true, as many of us have come to believe, the immediate potentials for **personal growth, empowerment and Spiritual Actualization** are immense, and the immediate times in which humanity lives are nothing less than **extraordinary**.

The **Contents List** for the **Introductory-Topic Summaries** is found directly below. Links are provided for each *Introductory-Topic Summary*. To explore our website further, click on the "**More Information**" Link at the bottom of the *Summaries Contents List*.

Thank you again for visiting our website. May you enjoy your journey of discovery and exploration of the *MCEO Freedom Teachings®*.

Hello, and thank you for your visit to the Azurite Press website, home to the "Freedom Teachings"®. Our thanks and welcome are expressed to you through this brief primer, respectfully supporting your need to quickly assess the range, depth and personal contemporary significance of the many resources introduced on these and following pages.

The urge to understand the *nature of human reality* has occupied the hearts and minds of many caring and thoughtful people for as long as anyone can remember, to little practical effect. Today, the desire to comprehend the *purpose of reality* supports an environment awash with a massive variety of paradigms, "quick fix solutions", and "re-cycled "truths" all of which not only profess to satisfy our need to *understand* why our world is as it is... but also to deliver the means to create *tangible*, peaceful and expansive personal expression. Book after book, workshop after workshop, and still *so very many questions* remain unanswered; and, the very fundamentals of "Life" continue to make so little sense !

**The Freedom Teachings**

**A Brief Primer**

**Page 1/6**

Contemporary reality demonstrates that the idea that individuals can significantly alter the conditions of their personal experience, contribute to improved collective well-being, growth, harmony and creative expression has grown ever less attainable as our world has become more "civilised". What contemporary humans have learned, by default, is the lesson of powerlessness and victimhood. But, these all too prevalent circumstances are *simply a reflection of what is taught or imposed, what is believed or accepted, and what is otherwise 'necessarily' assumed in the absence of adequate prescriptive facts*. The apparent futility of life has, for many people, either elevated "God", "Masters", Angels, or "ET's" as the only viable means of human "liberation" or has otherwise supported their respective denigration; either way, promoting hope and trust in all manner of alternate forms of external authority, at the expense of nurturing the remaining vestiges of spiritual potency, loving self-expression and personal sovereignty.

This awareness (and concern) is fundamental to the context, and content, of the Freedom Teachings (FT's), which means that a new and very different perspective *is* available now. It is a perspective which not only embraces the nature, origin and direction of personal and planetary circumstance, but also offers fresh and dynamic opportunities via understanding the greater evolutionary processes at work - and - in *unprecedented detail*. The conditions of humanity, and the planet humanity occupies, reflect the progression of a bigger drama in which humanity and the planet are playing an unacknowledged part. It is a part that can be played out in complete ignorance and perpetual powerlessness - or - our roles can be dramatically changed according to what we choose to believe in, and act upon, at this time. This time is one in which the growing pains of Cosmic Evolution are likely to involve all, and become apparent to all. It is the time predicted by so many of the ancient prophets, seers, and sages: 2012-2017 / the Golden Dawn / the New Age / the biblical "End Times" - *the most major event in the entire 'history of man' and about which next to nothing, of conceptual or practical personal value, has so far been discovered (or revealed) !*

Ask yourself why? Why have we not been allowed access to such understanding? What is it that we could be capable of if we could know what there is to know? Imagine, just for a moment, what would happen if more people understood the Source-Creation mechanisms of true co-creative power ... and consider what might then be achieved with regard to the overwhelming abundance of

human limitation, suffering, and its myriad expressions, that is so evident in every corner of our so called "advanced civilization".

Doesn't the fact that we are presently unable to influence the conditions of human existence imply that "someone somewhere" doesn't want us to express our preferences for loving kindness, egalitarian respect, and co-creative expression? Or - must we instead reluctantly acknowledge some intrinsic human weakness which therefore justifies our lowly-ness and therefore the adoption of the teachings of "blind faith", laying our spiritual impotence at the feet of an "angry God"? Do we therefore also accept that in our striving for "goodness", and a remote chance of appeasement to relieve our suffering, that our only choice is to work with intermediaries such as angels and ascended masters who, we are led to think, will intercede, plead our case, and deliver all best intentions on our marginalized and disempowered behalf?

**The Freedom  
Teachings**

**A Brief Primer**

**Page 2/6**

Isn't this kind of "surrender" consistent with the "education-imposed – media-reinforced" sense that we are, after all, merely descended from apes, as so many experts insist that we are? The implications are quite plain. Such supposed evolutionary origins, or any established variation on the same general theme, implies our acceptance that all which is higher than the kingdoms of animals and 'man', is guaranteed; accordingly, the human psyche is impressed, and carries within itself the belief that all "higher" life is self-evidently superior! This way, or that way, by hook or by crook, the questioning of humanity and the desire for any significant degree of effective spiritual potency has been pacified, side-tracked, or simply persecuted ... throughout all the ages, ancient and pre-ancient ... by such simple, and evidently effective, contrivances.

The answers *the FT's offer do not necessarily negate the old paradigms*, but they do challenge old ideas to evolve. The greatest benefit that the FT's offer you is the *gift of uncommon knowledge*, through which some of the mysterious aspects of reality can be understood ... and, through this, the majesty of personal experience can be re-discovered. Challenges inspire growth and the FT's are a challenge; their implications are intrinsically profound, so much so that at times they may seem unbelievable, a fiction, though we assure you they are not. If the FT's are approached with openness of mind, and keen intuition, the message can be immensely enlightening, the implications wholly transformational. The overall challenge we speak of here is embodied by the potent answers to questions like: "What do we *really know* about our own origins, our history, our purpose, our 'world'?"; "What do we *really know* about the *workings* of reality, the *framework* of Creation, the *existence* of other-worlds (and life-forms), their relationship and significance to us, our latent abilities, our planet and our future?"

The FT's offer a *different, and significant, beginning* to the many people who *continue* to search for a *cogent* understanding about the greater purpose, meaning and cause of "reality" and the human role, and power, inherent to the answers. Through this beginning you may begin to comprehend the incredibly complex framework within which human reality actually takes place, the intrinsic promise for evolutionary potential that this represents, and the fundamental re-affirmation of our common connection to a Sacred Creation. The FT's are very scientific in a certain way; they are also very spiritual in a certain way too. Contrary to the given teachings of our world, the FT's represent the natural, organic, union between science and high spirituality, representing phenomena *we are taught do not exist*: Multi-dimensional structure, multi-dimensional life-forms and a *pre-ancient history* and an *evolutionary purpose* we haven't had the privilege of knowing for a very long time ... ("Evolutionary Path" & "Amenti Series" materials refer).

The FT's reveal, and in substantial detail, that the connection between Science and Spirituality, the relationship between Energy and Consciousness, between Light and Sound, is the basis of all Creation ("Keylontic Science" and "KA-THA-RA" refer). This knowledge is the foundation of the Framework of Reality inherent to the FT's. By understanding this reality framework you can also understand many things that would otherwise be impossible to know. The truth behind Earth changes, "ET" realities and the spiritual self, about the physics of evolutionary existence, time travel, and "ascension", about "God", religions, politics and conspiracy theories, about the Angels and Masters, why "channelling" is dangerous and "higher" is not necessarily better ... It is the same truth that unites all these subjects. The same truth that makes 'human beings' tick, is the same truth that explains the 15 dimensional structure of the Universe and holds the key to the structure of our very own multi-dimensional anatomy ... and this truth explains how *future* humans can visit Earth now and how they can quickly recall how to use the tools of such truth as the natural way to deal with the 'earthly', as well as multi-dimensional, reality of "2012 - 2017" (aka Stellar Activation Cycle).

**A Brief Primer**

**Page 3/6**

*Understanding* these things is *what will set you free*, not 'assumptions' or paradigms that teach you nothing about your true power, abilities or potentials. In the brief sampling of summary materials which follow this introduction you can begin to discover a pretty detailed review of critical historical events which span billions of years; the presence, role and purpose of certain earth inhabitants known as the "Angelic Humans" and "Indigo Children" (as well as many other non-human species); the content and context, the processes and mechanics of Multi-dimensional reality, as well as the essential and corresponding aspects of your own personal Multi-dimensional anatomy. These components are some of the many which have been hidden, forbidden or suppressed. It is through such an apparently dramatic discovery as this that a greater personal discovery can be made: that *a bridge is now available between genuine, passionate, but under informed spiritual aspiration and the meaningful actualization of potent spiritual participation*. A specific result of such a major paradigm-shift is that your understanding of, access to, and integration of your "higher self", as a direct expansion of conscious awareness and potential expression, can be more certainly, safely and thoroughly developed.

We recognize that there are many paradigms that claim or imply similar personal benefits and we totally respect the right of everyone to embrace whatever choices they wish. I can do no more than to point out that, as far as legitimate Indigo's are concerned, there is no other known source of such acutely useful and profoundly relevant information than the FT's. The empowerment intrinsic to these materials forms an unparalleled personal hub through which the deep and unpresumptuous Love that IS Source can be re-discovered AND re-experienced as present reality. Access to Source lies in the detail, simply because the Love emanating from *Source creates the detail*. You, me, our planet, galaxy, and the "God Worlds", and all sentient life-forms, ARE the detail through which Source experiences itself. It is through the same principles of detail that we are implicitly permitted to know Source, and participate as "Sparks of Source" across the Creation Framework.

These *inextricably connected facts* form the greatest truth of all existence. Knowledge of these matters is our birthright. It is this awareness, this strength and this persistence that denotes the highest qualities of Divine Love, Divine Responsibility and Divine Awareness. These are the attitudes which characterize the most desirable response to the current planetary and wider Drama. And, it is the same attitudes which form the basis of passage into the worlds of true

Spiritual Maturity, Loving Grace, and organic Co-creative Power, as conscious representatives of Source in a fundamental re-affirmation of our common connection to a Sacred Creation.

Of course, each of us, with the best of our spiritual intention, can affirm all we like, any way we choose ... but it really is a "no-brainer" that if we hope to create anything new, 'better' or of lasting substance, if we are really serious about re-affirming our active, conscious, connection to Source-Creation, then that *must presuppose* a reasonably detailed knowledge of the workings of Divine Substance so that *the all essential question* of our personal, conscious, *informed accessibility to the stuff of creation* can be reliably and successfully achieved.

In other words, if we don't really understand how Source creates, how the creation framework functions, what our genetic relationship to that process contains, what forms of energetic obstructions exist to compromise our best intentions, then we simply cannot, in all honesty, expect to manifest anything, of any lasting significance, in Divine Right Relationship!

**The Freedom Teachings**

**A Brief Primer**

**Page 4/6**

The FT's explain, in detail, that the connection between Science and Spirituality, the relationship between Energy and Consciousness, between Light and Sound, is the basis of all Creation. If we do not understand the basic mechanics of Creation, of ourselves, of our world and other-worlds, we cannot possibly expect to manifest much of anything ourselves, let alone create anything which is consistent with the organic nature of the framework within which creation-manifestation processes are expressed.

If this simple reality of First Creation cannot be understood and respected, then that which is created can only be inorganic in terms of the original, and continuing, Creation Ethic, and will therefore prove harmful to self and others, on some level, and at "some point in time". It is in precisely this way that much harm is, and has been, created in the name of "good". And it is also through this same lens of naïve understanding that the limitations inherent to certain contemporary approaches to both the concept and expression of "Christ Consciousness" can be better understood.

*Understanding these things is what will set you free, not 'assumptions' or paradigms that teach you little about your true power, abilities or potentials... and nothing about who you really are or why you are here ...*

It is true to say that the FT's are *unique* in these respects, simply because such questions are addressed with depth as well as integrity; and so, we can begin to comprehend the tangible reality of ourselves as manifest in Time and Space on multiple levels simultaneously; and what that really means in terms of the potential of human evolution inherent to Crystal Body integrity and associated DNA Template activation, together with the central fact that *any meaningful relationship* with these aspects of Self *presupposes conscious connection* to the Primal Life Force Currents emanating from Source. This, in truth, is one of the most important of the Sacred Keys; and, has thus been amongst the most forbidden of forbidden knowledge.

The FT's explain the difficulties associated with the lack of such knowledge through historical and anatomical DNA Template data, showing that progressive genetic degeneration, through intrusive or self-inflicted mutation, has imposed an immense practical spiritual limitation within the realm of human evolutionary optimism. The root of this human issue, the planetary and the many related species issues, date back to a time 950 Billion YA. This is the span of history in which the "biblical

“Fall” has actually been occurring, in corresponding Earth Time. The “Fall” is actually a *detailed and continuing process* of the natural consequences arising from the inappropriate use of Free Will Choice on many levels of Creation, of Karma on a Cosmic Scale, totally eclipsing the notion of “Adam and Eve”. The FT’s reveal a cohesive account of these phenomena, the actions of certain race collectives and their impact on the cyclical mechanism of a Creation in perpetual motion, ever striving to evolve, ever desirous of higher expression.

By imbuing the Reality Framework with the right of Free Will Expression, Source implicitly risked the consequences of expressions inorganic to the organic Divine Blueprint. In doing so, and with the full cognition and agreement of all individuated manifest expression, Source provided for a cyclical mechanism by which evolutionary and species balance would be naturally and lovingly maintained, as an organic, non-judgmental expression of the fundamental Laws of Source-Creation. This implies that Source provided for the possibility of a critical mass development of inorganic energetic accretion, within the reality framework, that would or could risk the fundamental destabilization of the experiential Universes as well as the Creation Framework itself.

The Freedom Teachings  
A Brief Primer  
Page 5/6

The common link between all species and this cyclical pattern of renewal is the critical link between Primal Life Force Currents and the condition of the structural templates which connect, and support, the energetic architecture all life forms. If the condition of the templates contains an imbalance of inorganic structure and accreted detritus (*true karma*) then the templates cannot hold the frequency infusions which flow through Peak Cycles, such as the one approaching in 2012-17. And so, many humans and other life forms are unlikely to be able to successfully participate in the forthcoming evolutionary leap. As the FT’s reveal, there is a very sad and immense irony associated with the present human condition that is embedded in the heart of the evolutionary leap unfolding at this time. This is because humans, and especially those that hold an Angelic Human or Indigo DNA Silicate Matrix, were originally created, and have continued to incarnate, as a healing force within this Cosmic karmic scenario. Angelic Humans were created as a Guardian Race, to facilitate healing on many levels and, literally, in terms of this *irrevocable* Stellar Activation Cycle (“SAC”), which is what the 2012-17 Peak Cycle is properly termed.

As representatives of Source preferences, and by virtue of the special nature of their genetic composition and co-creative potentials, the Indigo’s and their extended Angelic Human Race Line Families have represented a major obstacle to those races who preferred to follow an inorganic agenda. Consequently, and as a result of the loving innocence of the Healer races, these races encountered progressive genetic mutation, and sometimes total extinction, as a result of their attempted healing interactions with other races across a period of many billions of years. The technical aspects of the FT’s explain what such DNA mutation looks and feels like, what to do to heal that at Core Template Level, and how that process is inextricably connected to Earth Grids, its resident life forms, and other key locations, such as Star Gates and Crystal Temples, within Universal structure.

You may, perhaps, understand the basic (!) scope of the FT’s a little better now, and you might understand, also, that our use of certain words like ‘spiritual potency’, ‘practicality’, ‘empowerment’ and ‘maturity’ carry a very special, as well as deeply genuine, connotation. These characteristics are important in terms of the task which forms the embodiment of our purpose. The current Cyclical Peak (“SAC”) *presupposes our focus on the absolute necessity of “realigning” the sub-atomic elements of our personal bio-energetic fields*, and thereby achieving significant restoration of the organic condition of our DNA templates, spin condition of local and extended Merkaba fields,

Crystal Body restoration, as well as other key elements of our multi-dimensional anatomy... and, therefore, the corresponding elements of Planet Earth. *It is only in this way that we are once again enabled to assume progressive co-resonant participation, and all that that implies, with the increasingly intense flow of Primal Life Force Currents moving through Earth crust and core, or emanating as Solar Frequencies, as these frequencies drive the mechanism of the forthcoming, and now irrevocable, evolutionary leap.*

"Indigo Children" and "Angelic Humans" were created specifically with precise organic abilities to assist in the healing processes represented by the scenario I have introduced here, as embodied within the Original Divine Blueprint, and thus the Original Law of One. We uniquely share the intrinsic genetic capacity to do so. We share a genetic responsibility, as well as certain "high agreements" (Contracts), to represent 'millions' of races and 'billions' of life forms from our "pre-destined" and special location here on Earth. Together with the Eieyani of Inner Earth we respectfully invite you to consider in more detail what the FT's have to share. We hope that you will find sufficient encouragement, in what I have tried to explain so very briefly, to take a step beyond what you think you know, toward the Guardian birthright that awaits ... clicking the button below is the doorway to our collective World of Wonder, Self-restoration and Divine Right Expression.

A'sha Deane, Ekr MCEO Speaker-1 is Co-founder, President and Director of Creative Development of *Azurite Press MCEO, Inc., International*; founder of the *Kathara Alliance* and the *Azurite Temple MCEO USA* (now *Azurite Press MCEO, Inc.*); author, host, speaker and instructor of the *MCEO Freedom Teachings® Workshop Series* (81 workshops as of 9/2009); and is founder, author and co-host of *Azurite International Educational Travel Tours* Spiritual Development Workshops. A'sha is also author of the "Voyagers Series" and "Angelic Realities" books (1999 and 2001 Granite Publishing USA), the *Kathara Bio-spiritual Healing System®*, the *Tangible Structure of the Soul Accelerated Bio-spiritual Evolution CD Program*, the *Masters Templar Planetary Stewardship Initiative Course-book*, and the *Amenti Life Empowerment Videos*.

Born in northeastern Pennsylvania, raised in traditional Protestant and Catholic Christian perspective, A'sha experienced "Conscious Birthing" as an "Indigo Child," with open reincarnational memory since birth. At the age of seven she was chosen for a 12-year (1971-1983) course of private MCEO Elementary-Intermediate training from the Melchizedek Cloister Emerald Order Eiyani Priests of UR of Kauai, Hawaii, in MCEO Emerald Covenant studies and translation of the ancient *Cloister-Dora-Teura Plates*. ("CDT-Plates" are a set of 12 relic ancient *holographic data-recorded discs* that digitally store massive amounts of pre-ancient data, reportedly held for many generations since pre-Atlantian times in protective custody of the Eiyani Priests. Details in *Voyagers Volume-1: The Sleeping Abductees, 2001 2<sup>nd</sup> Edition.*) Following a **NDE** (Near-Death-Experience) at age 18, A'sha redirected her focus from the pursuit of studio art and a Psychology degree, to fulfilling a humanitarian spiritual service commitment, engaging full-time MCEO study, while working professionally as a freelance Studio Portrait Artist and in the Theater Management and Commercial Printing industries.

A'sha entered the Eiyani Priests MCEO Masters Course at the age of 20, receiving intensive MCEO Ministerial training from 1984-1996 through frequent engagements with the Eiyani Priests of Kauai, completing a rigorous 12-year Masters CDT-Plate training course and 6<sup>th</sup>-Degree (of 6)

MCEO Ministerial Ordination (Ekr. MCEO). Her MCEO training includes the "Inner Christos/Krystos Law of One" Spiritual Tradition, extensive Pre-ancient History studies, Kathara Core Template Healing applications, Keylontic (matter-template) Science, Scalar-wave and Time Mechanics, 15-Dimensional Physics, and Masters Spiritual Actualization training featuring advanced Merkaba/DNA Template/ Kundalini/ Ascension sciences and Planetary Templar (Template) mechanics. In 1996 A'sha accepted appointment from the Eieyani Priests of Kauai to serve as *Eieyani MCEO Speaker-1*, holding the first of three Eieyani MCEO CDT-Plate Speakers' Contracts (publication endorsement for MCEO CDT-Plate and texts translation), and completing an additional two years of MCEO Speakers training. Previously known by her birth name in this lifetime, *Diana Kathryn*, or "Katie," in 1998 she began public use of the ancient Eieyani language translation of her name — *Aneayhea Kananda Ashayana Melchizedek*, or "A'sha" for short — choosing this as her MCEO-Speaker publishing name in appreciation for her MCEO training. In 1998 she conducted classes in New Jersey, from which emerged the *Amenti Series* video course.

In 1999 A'sha's first CDT-Plate dispensations were released (under pen name "Anna Hayes" — derived from "Aneayhea") as the *Voyagers Series books* (*Voyagers Volume-1: The Sleeping Abductees* and *Volume-2: The Secrets of Amenti*; Wildflower Press/Granite Publishing), the *Tangible Structure of the Soul Accelerated Bio-spiritual Evolution CD Program*, and in 2000, the *Kathara Bio-Spiritual Healing System*®. Between May 1999 and May 2000, A'sha conducted a progression of 12 intensive Spiritual Development Workshops in the US that became the *Life Empowerment Workshop Series* audio/video course (which in 2006 became part of the *MCEO Freedom Teachings*® workshops compilation). As someone respected for her knowledge of New Science, Spiritual Development, Pre-ancient History, Extra-ordinary Experience, Bio-Spiritual Ascension Training and related subjects, A'sha frequently appeared as a featured speaker on the US Expo circuit between 1999 and 2001, and has been interviewed on a variety of radio programs in the US and abroad, including Jeff Rense's *Sightings Show*, *SHINE* in Florida, and *Transitions* in New Mexico.

In November 1999, at the request of the MCEO Eieyani Priests, and with the assistance of *Maryanne "Mac" Callaway* (who accepted the commission of *Eieyani MCEO-Speaker-3* in 2001), A'sha founded the *Kathara Alliance* (a Holistic Healing network) and *Azurite Temple MCEO* in Sarasota, Florida, USA — a non-profit service organization that made available to the public the Spiritual Baptism, Nuptial, Ministerial Ordination and Burial rites of the egalitarian MCEO "Inner Christos/Krystos Law of One" Tradition. In February 2000, A'sha published the *Kathara Bio-spiritual Healing System*® *Instructor's Manual* for international correspondence study. While continuing a schedule of US Workshops, A'sha also began a series of *Azurite International Educational Travel Tours*, with the organizational assistance of Mac Callaway; the first tour went to Egypt in March 2000. During her August 2000 Travel Tour Workshop in Peru, A'sha met *Michael A'san Deane* of the UK (who accepted the commission of *Eieyani MCEO Speaker-2* in 2001); in October 2000 A'sha and A'san married, and she changed her published name to "A'shayana Deane." In 2001, A'sha released the *MCEO Masters Templar Planetary Stewardship Initiative Course-Book*.

Between 2000 and 2002, A'sha served the *Azurite Temple USA* as MCEO Eckar Minister and Speaker-1, and together with A'san and Mac, provided Spiritual Baptism, Nuptial rites and over 1,500 MCEO Ministerial Ordinations; throughout this two-year period, A'sha and A'san co-hosted *Azurite International Educational Travel Tours* in Peru, England, Ireland, Canada, Greece, Cyprus and Kauai, Hawaii. (By 2009, A'sha and A'san had hosted additional *Azurite Travel Tour workshops* in France, Bermuda, Andorra, India, Belize, Mexico, Morocco, Tenerife, the Netherlands, St. Kitts and numerous locations in the USA.) In spring 2002, at the request of the Eiyani-MCEO Guardians, A'san restructured and expanded Azurite Temple to become **Azurite Press MCEO, Inc., USA, UK and Europe**, as MCEO spiritual service work expanded to include the publishing and preservation of MCEO texts and other complementary ideologies. The Deanes continued to release A'sha's Masters Spiritual Development MCEO CDT-Plate translations, via Travel Tours and 3-Day Workshops, and in 2001, A'sha released the much-expanded *2nd Edition* printing of the *Voyagers Series* books (Granite Publishing: 2001), while preparing for continued global MCEO workshops.

In October 2002, A'sha and A'san relocated to England to create foundation support for the broadening interest in Law of One spirituality within the international and European community; *Eiyani MCEO Speaker-3 Mac Callaway* assumed operational direction of Azurite Press MCEO, Inc. USA, while A'san continued administrative duties for *Azurite Press MCEO, Inc. USA* and *Azurite Press MCEO UK and Europe*. From October 2002 to July 2006, A'sha and A'san resided in England, where A'sha continued transcription of the MCEO-Guardians' CDT-Plates and Keylontic Transmissions, and created and hosted international *MCEO workshop presentations and Travel Tours*, and A'san, with the assistance of dedicated individuals in various locales, expanded Azurite Press to include service offices in **Ireland, South Africa and Australia**, while co-hosting international *MCEO workshops and Travel Tours* with A'sha.

In late 2005, the Guardians' *GA-MCEO Eiyani, EyanA, AdonA and Haah'-tUr Councils* commissioned the Deanes to relocate back to the USA and assist them in protecting specific Earth Templar locations the Guardians deemed "**Sacred Sites**." In preparation for the move, A'san closed the UK service office of Azurite Press, and in July 2006 A'sha and A'san relocated to the USA, temporarily residing at the first "*Guardian Sacred Site*" in NW Colorado. In an effort to protect the integrity of the MCEO-Guardians' teachings from being plagiarized and distorted, A'san in 2006 initiated Trademark procedures for all of A'sha's prior MCEO workshop programs, which became registered as the **MCEO Freedom Teachings®**—Ashayana & Michael Deane. In January 2007 the Deanes again relocated, this time to the second "*Guardian Sacred Site*" near Phoenix, Arizona. Between 2003 and 2006 a succession of events took place within the "*planetary Big Picture* drama" (first discussed in *Voyagers Volume-2, 2nd Edition*) — the same period in which occurred a corresponding series of "*GA Mission Upgrades*" and "*Guardian Council Up-steps*" — and in late 2006 the *trans-dimensional Krystal River Councils of Aquareion-Adashi Adept Elder Councils* joined the efforts of their local *inter-dimensional GA-MCEO Guardian Councils*. Resultantly, in early 2007 the Krystal River and GA-MCEO Guardian Councils expanded A'sha's

MCEO Speaker-1 *CDT-Plate* translation contract to include the translation of appropriate aspects of the more advanced *KUMA'-yah Al-humbra Crystal Discs*. The *KUMA'-yah Al-humbra Crystal Discs* contain Ascension teachings and history records from not only our **Milky Way galaxy**, as featured in the *CDT-Plate Silver Discs*, but also from the **M31-Andromeda/Aquinos galaxy** and the **Aquareion Universe**, with which our local Milky Way galaxy shares a pre-ancient history — and a relationship of contemporary significance.

In early 2008, A'sha and A'san were re-commissioned by the GA-MCEO and Krystal River Guardian Councils to relocate once more back to Florida; in December 2008 the Deanes moved their residence and Administrative/Creative Development Offices to a "Guardian Sacred Site" on Pine Island, Florida. As of December 2008, the "Guardian Sacred Sites" in Colorado and Arizona remain under Guardian protection and MCEO Stewardship. And in 2009, the 3 MCEO-Speakers — A'sha, A'san and Mac Callaway — and the Ministers of the MCEO received a spiritual-Ordination "up-step," invitation and appointment into the *Mashaya-Hana Priest-Caste of the MCEO-Krystal River Councils of Aquareion*.

From their new home in Florida, A'sha and A'san continue to co-host international *MCEO Freedom Teachings®* workshops and Travel Tours. While continuing his duties as MCEO Speaker-2 and International CEO of Azurite Press MCEO, Inc., A'san is currently working with the Mashaya-Hana Councils on his first book, tentatively titled "*Expecting to Fly*," planned for release in late 2010. MCEO Speaker-3 *Mac Callaway* continues her volunteer services of operational direction and administrative coordination for Azurite Press MCEO, Inc. USA, while providing MCEO public-access services — through the *Keylontic Science e-Group*, and through the *Kathara Team* and *MCEO Kathara Team Modules Program* which she created in 2003 and has worked to progressively evolve on behalf of the MCEO — with the assistance of dedicated members of the *International MCEO Volunteers Network*. A'sha continues progressive transcription of the *GA-MCEO-Krystal River Keylontic Transmissions*, *CDT-Plate Silver Discs* and *KUMA'-yah Al-humbra Crystal Discs*, and creation of the *MCEO Freedom Teachings®* workshop programs. As of September 2009, A'sha is working with the *GA-MCEO-Krystal River Mashaya-Hana Councils* on her next book — "*2012 - Life After Earth: Orb Whisperers and the Silver Seed Awakening*" — planned for release in late summer 2010.

A'sha's focus in her commission as *MCEO Speaker-1* — and in her work as author and teacher of the *MCEO Freedom Teachings®* and related publications, and as Co-founder, President and Director of Creative Development of Azurite Press MCEO, Inc. — is to assist the *GA-MCEO-Krystal River Guardians* in their Earth-mission of keeping the potentials of genuine Ascension viable and accessible for contemporary humanity; to return to humanity the Sacred Knowledge and Truth of the *CDT-Plates* and *KUMA'-yah Al-humbra Crystal Discs* through accurate and accessible translation; to foster awareness, personal empowerment, Spiritual Actualization and genuine Love, Freedom and Enlightenment among "all life everywhere;" and to lovingly assist *MCEO Speakers 2 and 3*, members of the *International MCEO Volunteers Network*, those who embrace the *MCEO Freedom Teachings®*, and anyone else who cares, to joyfully fulfill the unique purposes of healing

and education for which they incarnated in this lifetime — so they may finally know peace and reclaim their *Ancient Birthright of Eternal Life Ascension*.

A'san Deane, M. Sc, Ekr MCEO Speaker-2 is Co-founder, International CEO, and Director of Administration of *Azurite Press MCEO, Inc. International* and is host, speaker and instructor of the *Spiritual Discovery Workshop Series-UK*, co-host of *Azurite International Educational Travel Tours* and Spiritual Development Workshops and contributor to the *MCEO Freedom Teachings®* workshop programs. Born in England, raised in a traditional Christian perspective, A'san demonstrated natural interest and special abilities in spiritual development from an early age; in childhood he was chosen for private contact by the Melchizedek Cloister Emerald Order Eieyani Priests of UR of Kauai, Hawaii. Initially trained and working as a Mechanical Design Engineer, A'san later studied Philosophy, Economics and Politics at Lancaster University (UK), gaining notoriety and appreciation for the dynamics and spirit of team work as an international university-league soccer player representing England in international competitions on the European Universities Championship League. In 1971 A'san was awarded a scholarship to the University of Colorado (USA), where he next pursued a double specialization in Psychology and Marketing while serving as Captain of the University of Colorado soccer team through their 1972 victory in the All-America Soccer Championships. After earning a Master of Science degree, A'san returned to England, founding an International Business Consultants group and pursuing a distinguished career in executive business administration and marketing.

During the 1990's A'san assisted in developing community service and support programs as County (Parish) Chairman for a large, non-denominational Charitable Association in the UK. Fulfilling the personal spiritual commitment that guided him from childhood, A'san changed his life course as a successful corporate founder and business administrator to pursue full-time spiritual development study in the MCEO "Inner Christos Law of One" spiritual tradition, devoting full-time efforts to humanitarian service as a MCEO Minister, Spiritual Development teacher and speaker. Throughout the 1990's A'san hosted *Spiritual Discovery Workshops-UK* and a variety of public speaking endeavors throughout the UK. As a respected Business and Spiritual Professional, A'san was selected on four occasions in 1999 to serve as a spokesman representing a mature spiritual perspective on SKY-TV, BBC and Channel-4 UK television.

In early 2000, after discovering on the internet — and feeling a spiritual connection to — excerpts from A'sha's Voyagers Books, A'san contacted Azurite Temple MCEO USA, with interest in distributing A'sha's books in the UK; shortly afterward, A'san registered to attend A'sha's next *Azurite Educational Travel Tour* to Peru, scheduled for August 2000. After meeting A'sha (fellow MCEO Eckar Minister who holds the *MCEO Speaker-1 CDT-Plate* translation contract, and then-co-founder, with Maryanne "Mac" Callaway, of Azurite Temple MCEO USA) and Mac Callaway (who became *MCEO Speaker-3* in 2001) during A'sha's August 2000 Peru Travel Tour workshop,

A'san organized a *UK MCEO-Kathara Healing Workshop Travel Tour* for A'sha, for September 2000.

After receiving his 6<sup>th</sup>-Degree MCEO Spiritual Ordination from the Eieyani Priests of Kauai, Hawaii, A'san founded *Azurite Temple MCEO UK and Europe* in September 2000, to introduce the spiritual education programs of Azurite Temple USA to the UK community. Simultaneously, A'san accepted appointment as Executive Director of *Azurite Temple USA*, and joined A'sha in the US, when they discovered their personal love for each other and married in October 2000. Following their marriage in October 2000, A'san relocated to the USA to join A'sha in serving the Azurite Temple USA community. Upon relocating to the USA to be with A'sha, and with the assistance of Mac Callaway, A'san restructured, reorganized and expanded the existing production, distribution and marketing network for the *Azurite Temple MCEO USA* educational product line, and assumed all international administrative duties for *Azurite Temple MCEO USA*, while A'sha continued transcription of the MCEO-Guardians' CDT-Plates and Keylontic Transmissions, and creative development of the international *MCEO workshop presentations and Travel Tours* programs and MCEO educational product line.

In 2001 A'san accepted appointment from the Eieyani Priests of Kauai to serve as *Eieyani MCEO Speaker-2*. Known as *Michael* throughout his lifetime, he began public use of the name "A'za," the ancient Eieyani language translation of his name, choosing this as his MCEO-Speaker publishing name in a gesture of appreciation for his Speaker appointment. In 2009, following his appointment — alongside A'sha, Mac and the Ministers of the MCEO — to the *Mashaya-Hana Priest-Caste of the MCEO-Krystal River Councils of Aquareion*, Michael changed his spiritual name from "A'za" to "**Ma-A'tU A'-san**," or "**A'-san**" for short, the ancient name by which the *Krystal River Councils* know him; Michael began public use of the name "A'san" in August 2009.

While initiating preparations for his MCEO Speaker-2 spiritual development books, A'san spent 2001 serving as International CEO and Administrator of *Azurite Temple USA* and co-hosting *Azurite International Educational Travel Tours* and Workshops with his wife A'sha; in 2002, the two collaborated to create the *Maharata Text "Dance For" Program*. Between 2000 and 2002, A'san served the *Azurite Temple USA* as MCEO Eckar Minister and Speaker-2, and together with A'sha and Mac, provided Spiritual Baptism and Nuptial rites and over 1,500 MCEO Ministerial Ordinations. At the request of the MCEO Eieyani of Kauai, A'san restructured and expanded the Azurite Temple USA spiritual service organization to become *Azurite Press MCEO, Inc. USA, UK and Europe*.

In October 2002, A'san and A'sha relocated to England to create foundation support for the broadening interest in Law of One spirituality within the international and European community; *MCEO Speaker-3 Mac Callaway* assumed the roles of Operations Director and Administrative Coordinator for *Azurite Press MCEO, Inc. USA*, while A'san continued international administrative duties for *Azurite Press MCEO, Inc. USA* and *Azurite Press MCEO UK and Europe*. From October 2002 to July 2006, while residing with A'sha in England, A'san engaged the assistance of

dedicated individuals in various locales to expand *Azurite Press* to include service offices in **Ireland-EU, South Africa and Australia**, and continued to co-host international *MCEO workshops and Travel Tours* with A'sha. During this period, A'san also restructured for greater efficiency the production, distribution and marketing network, and orchestrated "in-house" production and distribution, for the Azurite Press educational product line, as A'sha continued transcription of the MCEO-Guardians' CDT-Plates and Keylontic Transmissions, and creation of the international *MCEO workshop presentations and Travel Tours* programs.

In late 2005, when the Deanes were commissioned by the Guardians' *GA-MCEO Councils* to relocate back to the USA, A'san closed the UK service office of Azurite Press, while continuing international administrative duties for Azurite Press MCEO, Inc. USA and the Irish, South African and Australian MCEO service offices. In July 2006 A'san and A'sha relocated to the first "*Guardian Sacred Site*" in NW Colorado, then again relocated in January 2007 to the second "*Guardian Sacred Site*" near Phoenix, Arizona. In 2006, A'san initiated Trademark procedures for all of A'sha's prior MCEO workshop programs, to protect the integrity of the MCEO-Guardians' teachings from being plagiarized and distorted; the workshops became registered as the ***MCEO Freedom Teachings®***—Ashayana & Michael Deane. Between 2003 and 2006 there occurred a series of "GA Mission Upgrades" and "*Guardian Council Up-steps*"; as a result, in late 2006 the *trans-dimensional Krystal River Councils of Aquareion-Adashi Adepts Elder Councils* joined the efforts of their local *inter-dimensional GA-MCEO Guardian Councils*. After the Krystal River and GA-MCEO Guardian Councils expanded A'sha's MCEO Speaker-1 *CDT-Plate translation contract* in 2007 to include the translation of the *KUmA'-yah Al-humbra Crystal Discs* — and the 3 MCEO-Speakers and the Ministers of the MCEO in early 2009 received a spiritual-Ordination "up-step" into the *Mashaya-Hana Priest-Caste of the MCEO-Krystal River Councils of Aquareion* — A'san changed his spiritual name from "A'za" to "Ma-A'tU A'-san" ("A'-san" for short).

In December 2008, A'san and A'sha were re-commissioned by the GA-MCEO-Krystal River Guardian Councils to the "*Guardian Sacred Site*" in Pine Island, Florida, and relocated their residence and Administrative/Creative Development Offices from Arizona to this site. Currently A'san is working with the Mashaya-Hana Councils on his first book, tentatively titled "***Expecting to Fly***," planned for release in late 2010. A'sha continues progressive transcription of the *GA-MCEO-Krystal River Keylontic Transmissions*, CDT-Plate Silver Discs and *KUmA'-yah Al-humbra Crystal Discs*, creation of the *MCEO Freedom Teachings®* workshop programs, and is working on her next book, "***2012 – Life After Earth: Orb Whisperers and the Silver Seed Awakening***," planned for release in late summer 2010.

*MCEO Speaker-2* A'san Deane continues to serve as International CEO and Director of Administration of Azurite Press MCEO, Inc. USA and International; oversees administrative functions for the Azurite Press MCEO, Inc. service offices in the USA, Ireland, South Africa and Australia; and co-hosts, with A'sha, the international *MCEO Freedom Teachings® workshops and Travel Tours*. A'san's focus in his commission as *MCEO Speaker-2*, in his work as co-host of the *MCEO Freedom Teachings®* workshops, and as International CEO of Azurite Press MCEO, Inc., is

to assist the GA-MCEO-Krystal River Guardians in their Earth-mission, to support MCEO Speakers 1 and 2 in their respective commissions, and to encourage the widest proliferation and awareness of the Birthright MCEO Freedom Teachings®, in a context of grounded, fear-free integration of the gentle power and spiritual strength of the "Body Kryst."

Maryanne "Mac" Callaway, B.S., D.Ch, MCEO Speaker-3 is Co-founder, Operations Director, Administrative Coordinator and Director of Public-access Services of **Azurite Press MCEO, Inc. USA**, founder of the **MCEO Kathara Team** and **Keylontic Science e-Group**, and contributing organizer and operations assistant to **Azurite International Educational Travel Tours** and **MCEO Freedom Teachings®** workshops. Born in northeast USA, raised in traditional Catholicism, Mac constantly raised difficult questions to her family and teachers regarding the contradictions found in traditional religion, as well as questions about many metaphysical topics. Receiving very few acceptable answers, Mac began a lifetime of studying a wide range of metaphysical subjects, seeking to find her own answers.

In 1976 Mac completed her undergraduate Bachelor of Science Degree (B.S.) in Elementary Education at Kutztown University in Pennsylvania; following this she pursued a career in Real Estate, and later engaged a long-term career in the Life Insurance industry, while continuing her metaphysical exploration. Mac earned a Doctor of Clinical Hypnotherapy Degree (D.Ch) from the American Institute of Hypnotherapy in California, and in 1990 she established a private Clinical Hypnotherapy practice in Pennsylvania, through which she assisted clients in personal healing through the popular Meditation, Stress-Reduction and Habit Control **Self-Hypnosis Programs** she created. Mac's philosophy in her hypnotherapy and healing practice was, and is, simple: "All healing is self-healing" — facilitators can best serve their clients by creating a space for healing to occur, rather than by imposing in and interfering with a client's organic self-healing process. Mac maintained her Clinical Hypnotherapy practice for over 10 years, before closing private practice in order to more fully serve the MCEO mission.

In early 1999, during a study-group meditation, Mac personally experienced a very distinct vision, with a clear message. Mac saw herself in Egypt, inside of the Great Pyramid, amid a fairly large group of people with whom she was doing some kind of "energy work;" with the imagery Mac received a very clear message "to do the conference with the H teacher." The following day Mac called a friend to discuss the vision and message, and he told her that he knew who the "H teacher" was — *Anna Hayes* (the pen name under which A'sha first published the *Voyagers* books). Mac responded to his statement with one word: "Who?" Mac's friend said he would call her back, and when the phone rang five minutes later, he said, "*She is waiting for your call*" and gave Mac A'sha's phone number. Mac called A'sha and they talked for hours, and Mac shared her meditation experience, telling A'sha what she thought it meant: that she had to arrange to take A'sha to Egypt. Following the phone call, A'sha sent Mac a copy of *Voyagers Volume-2: The Secrets of Amenti, 1<sup>st</sup> Edition*; as soon as Mac opened the book, she cried, and knew she had found the information for which she'd searched so long. So many personal memories of other

lifetimes — disjointed things Mac had remembered for decades — finally fell into place; it all started to make sense as the book revealed the accounts of humanity's "Lost History": the Templar Wars, Camelot, etc. Mac's mission of service to the MCEO began that night and continues to the present day.

In 1999, following her introduction to the MCEO teachings, Mac assisted A'sha in founding the *Azurite Temple MCEO* in Sarasota, Florida, USA and the *Kathara Alliance* (Holistic Healing network). In late 1999, the GA-MCEO Guardians informed A'sha that she needed to host a travel workshop to Egypt in early 2000, as essential Planetary Templar Stewardship "Grid-Keepers" activities had to be conducted in that timeframe at various sites in Egypt — and especially within the King's Chamber of the Great Pyramid. A'sha had traveled no further than Canada, and had no idea where to begin in creating a group-trip to Egypt. In March 2000, a year after her "Great Pyramid" meditation experience of early 1999, Mac organized A'sha's first Educational Travel Tour to Egypt, where A'sha, Mac and the workshop group conducted MCEO Ordinations and Earth Templar "Grid-Keepers' energy work" within the King's Chamber of the Great Pyramid, confirming the accuracy of Mac's earlier vision of guidance.

From 2000 to 2009, Mac has continued to provide, through her dedicated volunteer work to the MCEO, administrative coordination and on-site organizational assistance for all *Azurite International Educational Travel Tours* and *MCEO Freedom Teachings*® workshops, traveling with A'sha and A'san Deane, and MCEO workshop groups, to Peru, England, Ireland, Canada, Greece, Cyprus, France, Bermuda, Andorra, India, Belize, Mexico, Morocco, Tenerife, the Netherlands, and St. Kitts, and to Kauai, Hawaii and numerous other locations in the USA. In 2000, Mac initiated e-Group public-access services for *Azurite Temple MCEO Sarasota, FL*, which evolved to become the Azurite Press MCEO, Inc. *Keylontic Science e-Group* of today. In 2001 Mac accepted appointment from the Eiyani Priests of Kauai to serve as *Eiyani MCEO Speaker-3*. Between 2000 and 2002, Mac served the *Azurite Temple USA* as an MCEO Elder Consummate Minister and Speaker-3, and together with A'sha and A'san, provided Spiritual Baptism and Nuptial rites and over 1,500 MCEO Ministerial Ordinations. In spring 2002, Mac assisted A'san in his efforts to restructure and expand Azurite Temple to become *Azurite Press MCEO, Inc. USA, UK and Europe*. In October 2002, when A'sha and A'san relocated to England, Mac assumed the volunteer positions of Operations Director and Administrative Coordinator for Azurite Press MCEO, Inc. USA — and continued her career in the Life Insurance industry, working for a Fortune 500 Company — while A'san continued international administrative duties for *Azurite Press MCEO, Inc. USA* and *Azurite Press MCEO UK and Europe*.

As the Guardians' teachings grew through A'sha's continuing translation of the GA-MCEO Keylontic Transmissions and CDT-Plates, the "next-level-up" information provided in each new MCEO workshop progressively became so in-depth and specialized (each successive workshop introducing new subject matter in sequel to the subject matter from the workshop just before), that it became correspondingly more difficult for workshop newcomers to "catch-up" enough to comfortably comprehend the in-depth subjects addressed at their first workshop. Resultantly,

between 2003 and 2005 Mac created and organized the "*Kathara Team*," a group of dedicated MCEO students who volunteer their time, effort and talents to create an ongoing MCEO "*Newcomers' Modules Program*" — featuring a series of simplified and shortened presentations of *foundation teachings* from A'sha's past MCEO workshops — that is offered on-location to newcomers prior to A'sha's main workshop presentations. The Kathara Team also offers *Introductory MCEO Module-Workshops* in various international locales. The "*Modules Program*" helps people new to the MCEO teachings to better understand various aspects of the foundation teachings, thus enabling them to receive greater benefit from A'sha's more intensive main MCEO workshop programs.

From October 2002 to July 2006, while continuing her volunteer work as Operations Director, Administrative Coordinator, and Director of Public-access Services for Azurite Press MCEO, Inc. USA, Mac assisted A'san (while he and A'sha resided in England) as liaison for international administrative co-ordination as he was expanding Azurite Press to include service offices in **Ireland, South Africa and Australia**. When A'sha and A'san fulfilled their *GA-MCEO Councils*' commission to relocate back to the USA in July 2006 — and when they were re-commissioned to Pine Island, FL in December 2008 — Mac continued to serve as Operations Director, Administrative Coordinator, and Director of Public-access Services for Azurite Press MCEO, Inc. USA. In 2009 — after the *trans-dimensional Krystal River Councils of Aquareion-Adashi Adepts Elder Councils* in late 2006 joined the efforts of their *inter-dimensional GA-MCEO Guardian Councils* — Mac, alongside MCEO Speaker-1 A'sha and Speaker-2 A'san and the Ministers of the MCEO, received a spiritual-Ordination "up-step," invitation and appointment into the *Mashaya-Hana Priest-Caste of the MCEO-Krystal River Councils of Aquareion*.

MCEO Speaker-3 Mac Callaway continues her work as Operations Director, Administrative Coordinator and Director of Public-access Services for Azurite Press MCEO, Inc. USA, and with the assistance of the dedicated members of the *International MCEO Volunteers Network*, she continues to provide administrative coordination and management for MCEO public-access services through the *Keylontic Science e-Group*, *Kathara Team* and the *MCEO Kathara Team Modules Program* — while continuing her career in the Life Insurance industry as a Corporate Trainer for a Fortune 500 Company. Mac's focus in her MCEO Speaker-3 commission, and in her work with the Azurite Press MCEO, Inc., is to assist the GA-MCEO-Krystal River Guardians, and MCEO Speakers 1 and 2, in bringing the GA-Krystal River MCEO Freedom Teachings® to the world; and to foster a sense of personal empowerment and harmonious community among those who embrace the MCEO Freedom Teachings®.

The International MCEO Volunteers Network is a group of dedicated people across the globe, from many different walks of life, who over the past 9 years have continued to volunteer their time and talents in numerous ways, to help the MCEO Speakers and Azurite Press bring the GA-MCEO-Krystal River Guardians' *MCEO Freedom Teachings®* into public accessibility. ## The Melchizedek Cloister Emerald Order Teachings, The Eiyani and the CDT-Plates

A & A Deane , Ekr's MCEO

### The Melchizedek Cloister Emerald Order Teachings, The Eiyani and the CDT-Plates

Page 1/3

The ancient MCEO (Melchizedek Cloister Emerald Order) perspectives teach of the **Inner Christos**, or **living God-spirit alive within all things, including the natural environment**. "Inner Christos" philosophies are built upon understanding of what is referred to as the "**Law of One**". Inner Christos Law of One perspective respectfully acknowledges the inter-connection, interdependence and intrinsic value of all components of reality in recognition that the **Living Consciousness**, "**God-Spirit**" or "**Inner Christos**" is the **tangible substance** of consciousness and energy from and of which all things manifest are composed. MCEO teachings offer people an opportunity for advancing personal empowerment through genuine spiritual development regardless of their religious affiliation. The "**Inner Christos**" of the "**Law of One**" MCEO spiritual teachings belongs to everyone of every creed, not just those who choose to call themselves "**Christians**". The word "**Christos**" (from which the word "**Christian**" later emerged) was originally spelled "**Kristos**" in the most ancient texts, and referred to the **personal Divine Blueprint** of **Conscious Living God-Spirit** energy of which all things and beings manifest are made.

The spiritual service work and teachings of the MCEO (Melchizedek Cloister Emerald Order) are more than perspectives based upon *speculation* regarding a variety of unrelated but interesting spiritual and scientific subjects. The work for which MCEO and its Speakers stand represents a very ancient, advanced **Paradigm of Perspective** on the **nature of reality**. The MCEO paradigm is inclusive of the other scientific and spiritual belief systems on Earth, but extends beyond the limitations and often incongruent and conflicting assumptions commonly associated with them. Through familiarity with the MCEO teachings one can grow to recognize the commonality and intrinsic complementary association between the most empowering contemporary belief systems and the MCEO perspective. At the center of contemporary MCEO teaching programs lies an "**Ancient Mystery**" known as the "**CDT-Plates**". The books and course programs produced by the MCEO are not speculative nor theoretical in nature, but are rather derived from factual **TEXT BOOKS**. Contemporary MCEO teaching programs contain **English language translations** of materials already existing within a very ancient set of texts called the **Maharata Texts** (indirectly related to the Indian "**Mahabharata**" writings). The 560 books of the ancient Maharata Texts are the original translations of an even older set of ancient records that have survived to our present time, stored on a set of 12 digital holographic recorder discs called the "**Cloister-Dora-Teura Plates**" or **CDT-Plates**", that were manufactured in **246,000BC**. The CDT-Plates and Maharata Texts have been translated into written form numerous times in our ancient history, in many different countries and languages.

The CDT-Plates are **real, physical objects**, that have been kept in the private, protective custody of a specific family line of "**Indigo Children**" on Earth since the 9558BC "fall of Atlantis". This family line is called the **Eiyani**, who refer to themselves as the **Melchizedek Cloister Emerald Order** (MCEO) **Priests of Ur**; another branch of the Eiyani family call themselves the MCEO "**Priests of MU'a** ("MU"). The word "*priest*" originally meant "guardian" or "**steward and administrator of spiritual wisdom**". Both males and females in stewardship to spiritual wisdom and administering this wisdom to others are referred to as "**Priests**" or "**Ministers**". The MCEO has always been, and will always be, an egalitarian, non-hierarchical, non-gender-biased spiritual service collective. There are small collectives of Eiyani descendants alive, well and living on Earth now, in various global regions, who hold the knowledge (and relics like the CDT-Plates) of pre-ancient Earth and its civilizations. *Similar* to some more advanced sects of **Tibetan Monks**, especially those who rarely emerge from their "hide outs" in the Himalayas, certain members of the Eiyani family line have *open contact and direct communication* with living civilizations from "other" places and *other times*. Every once in a while within humanity's evolution, the Eiyani are permitted to bring back the ancient teachings in

their pure form, allowing for the records of the 12 CDT-Plates and Maharata Texts original translations to be re-translated into the languages of the time. **The Eieyani return the knowledge contained in the CDT-Plate records to public view when it is most needed to assist Earth populations, at times when major planetary events are due to transpire.** The last time *written* CDT-Plate translation took place was during the "Christ period" of 12BC-27AD, among a group of Essenes of Eieyani descent. Most of these written records were rapidly destroyed, confiscated or intentionally altered by the corrupt political power elite of the times, as so often has happened historically with CDT-Plate written translations. Since 27AD the Eieyani Priests knew that the **next CDT-Plate Translation Cycle** was scheduled to occur just prior to and during the **2000-2017AD** period; a period in time when great changes in the evolutionary path of all Earth species were destined to unfold. During the 2000-2017AD period permission for **written CDT-Plate translation** was to be authorized by the Eieyani Priests.

Page 2/3

CDT-Plate Translation occurs when the Eieyani Priests carefully select several individuals in childhood from general family lines that they know to be descendant from the Eieyani. They make private contact with the child, providing years of discrete training as needed. When it is time for the CDT-Plate Translation Cycle to begin, the Eieyani then offer 3 official MCEO Eieyani **SPEAKERS Contracts** to 3 of their chosen trainees that have entered adulthood (the individual is under no obligation to accept a "Speakers" appointment.). Speakers Contracts are publication endorsements for CDT-Plate and Maharata Text translations. Eieyani Speakers are permitted and trained to translate information directly from the highly protected CDT-Plate holographic discs and from their original Maharata Texts written translations. Once skilled in translation, Speakers are then endorsed by the MCEO Eieyani Priests to publicly publish MCEO CDT-Plate translations and related information as provided by the Eieyani Priests. During many historical periods written translation of the CDT-Plates was forbidden, to protect the Eieyani Speakers, and prevent Planetary Templar knowledge from being confiscated and abused by corrupt political powers; at these times only *verbal presentation* of the knowledge was permitted, thus translators were called "Speakers". To protect the integrity and quality of CDT-Plate translations, and to ensure the safe keeping of the 12 CDT-Plates, there are **only 3 Speaker Contract appointments** given during any one translation cycle. When translation publication time arrives, the 3 Speakers are eventually guided by the Eieyani Priests to find each other and work together, each endorsing the validity of the others work. In the present CDT-Plate Translation Cycle the **Speaker-1 Contract** was finalized and initiated in **1999** and the **Speaker 2 and 3 Contracts** were finalized and initiated in **2001**.

Eieyani Speakers know the MCEO perspective as their truth; they share this truth with others, freely when possible, *out of love for humanity and gratitude* for the personal freedom in BEING that the MCEO teachings enable one to achieve. **The Speakers "job" is to "give the gift" of this knowledge, through dynamics of equal and reciprocal energy exchange, to those who seek to know it and demonstrate through action and attitude the sincerity of this intention.** The truths of which the Speakers teach are universal and freely belong to anyone who is capable of translating this knowledge from the Universal Unified Field. The CDT-Plates and MCEO Speakers provide a Sacred Service in that translation of the higher aspects of Unified Field knowledge is exceedingly difficult from the manifest fields of creation and requires much intensive training and innate abilities of consciousness and biology. The CDT-Plates serve to hold the highest aspects of Universal Knowledge in more accessible form; CDT-Plate Speakers are trained to translate this knowledge into forms directly accessible to general populations. Speakers have no need to "convince" anyone of anything, nor are they obligated to bear the burden of proof or self-justification. **The burden of "Proof" lies always with the beholder**, as within the natural dynamics of the Universal Law of Reciprocity and the intrinsic processes of Creation Physics, **one must "know" a thing to BE before one can "see" it manifest.** Speakers "Live what they Love", "Practice what they Preach" and respectfully "Share what they have to Give" with others who feel inclined to listen with reciprocal respect. **MCEO Eieyani Speakers "Speak their Truth", while always respecting the free will right of others to have a different opinion.**

The Eiyani Priests of UR and MU'a of Kauai, Hawaii, the 12 CDT-Plates and their ancient Maharata Text original translations, are the tangible source from which all true contemporary MCEO work emerges. Several families of Eiyani Priests in various geographical areas presently hold the 12CDT-Plates, 560 Maharata Text Books and related relics from pre-Atlantean times under high security protection. The MCEO *Inner Christos Law of One* teachings, *Templar Sciences* knowledge and *Pre-ancient History* records of the CDT-Plate teachings represent an intrinsically congruent paradigm of universal understanding; collectively the MCEO teachings are referred to as the **Emerald Covenant Freedom Teachings®**. Once upon a time, long before Atlantis, these teachings were the "common knowledge" of a once enlightened, joy-filled, peaceful, love-based global civilization of "Angelic Human" beings. **Fragmented remnants** of these once-unified "Founders" MCEO spiritual-science teachings, which have been historically edited and altered repeatedly to serve dogmatic control agendas, have literally provided the ancient foundations upon which all of our traditional world religions, evolving sciences and "New Age" spirituality are built. The Emerald Covenant Freedom Teachings® of the MCEO, originally provided 950 billion years ago by the Universal Founders races from which our universal life field evolved, are the **enduring legacy, divine birthright and intrinsic heritage** of all beings in this universe. Presently they serve also as the **Long-forgotten Promise** of Love, Freedom, Unity, Peace and Victory to the many races and species of Earth.

CONTEMPORARY  
INDIGO CHILDREN

Page 1/3

The ancient "Lost Arthurian Maji Grail King" lineage is alive and well today, scattered throughout the globe as the **Indigo Children Types 1 and 2**. The **contemporary Indigo Children Types 1 and 2** carry dormant within their cellular memory the **reincarnational heritage** of the Arthurian Grail Kings Elohei-Elohim Lyran-Sirian Oraphim ancestry. Within their **DNA Templates** they carry the **Universal Fire Letter Sequences** of the **Flame-keeper Melchizedek Cloister Priests**. Indigos Types 1 and 2, who have from 24-48 Strand **DNA Templates**, are the contemporary incarnations of the **Consummate Signet Councils and Regency Signet Councils of the Rainbow Round Tables** (Angelic Human Universal Star Gate Security Councils of 798,000BC). They began returning into full incarnation about **100 years ago** in preparation for the scheduled **2000-2017 Stellar Activation Cycle** (Star Gate opening cycle). **Indigo Children Type-3**, who have a maximum of dormant **12-Strand DNA Templates**, are the contemporary lineage of the **Noah-Abraham-Moses Pleiadian-Nibiruan Nephilim Jehovian Anunnaki Illuminati** (Sirius A Bipedal Dolphin People Anunnaki and Pleiadian-Nibiruan Anunnaki descent), who entered the **Emerald Covenant** for DNA Template Bio-Regeneis in **1875**. Indigo Type-3's have a **dominant human Oraphim soul co-sharing the body with a Fallen Annu-Elohim Pleiadian-Nibiruan Nephilim soul** that has entered human incarnation for Bio-Regenesis of the **12<sup>th</sup>-DNA Strand Template**, which is missing from the Anunnaki genome.

Indigo Type-3's are the children who have been **targeted** by the recent **Illuminati** false "disease" "**ADD-ADHD Campaigns**" (Attention Deficit Disorder-Attention Deficit-Hyperactive-Disorder"). In this campaign, a **false set of disease criteria** that represent **symptoms of difficulty in 6<sup>th</sup>-DNA Strand Template activation** (common to Indigo-Type-3s) were established by certain **drug companies** on behalf of **Illuminati** organizations. The "**ADD Railroad**" **Illuminati Conspiracy** moves silently through **medical, psychiatric and educational systems**, as children displaying the "symptoms" are shepherded into **drug therapy**. The drug therapy **suppresses natural DNA Strand Template activation**, blocking the D-12 sub-harmonics of Inner Christos frequency in the Strand Templates, which allows for covert interdimensional manipulation through the Nephilim portion of the DNA Template coding. **Natural Holistic Healing therapies** are wise options for assisting all Indigo Children Types. Indigo-Type-3s are **predominantly Lyran-Sirian-Oraphim-Angelic Human soul essences** who are assisting in the evolution of the less evolved, often aggressive, **Nephilim soul** with whom they share the body. In some Indigo Type-3s, the Nephilim soul attempts to take over dominion of the body and personality, which disrupts the natural balances of the **bio-energetic field systems, brain chemicals and hormonal production**. These **bio-chemical disruptions**, caused by core essence **bi-soul conflict** within

the DNA Template core, can create occasional or chronic extremes of **mental and emotional polarity**, such as legitimate cases of "Clinical Schizophrenia" or "Split Personality Syndrome".

The **biological and genetic issues** at the root of Indigo Type-3 difficulties have their **origins** within the realities of **SOUL** and the **multi-dimensional bio-energetic anatomy** through which the **consciousness** of the soul enters the body through the **DNA Template core**. As the **casual element** of Indigo Type-3 difficulties emerges from the **bio-spiritual Blueprint and energy systems** beneath the manifest DNA, the **solution to their challenges** is in maintaining the **natural energetic alignment** of the **D-12 Inner Christos Divine Blueprint** within the **DNA Template core**.

Indigo people of **ALL Types**, and especially **Type-3's** can be assisted by:

- Frequent use of the [Temporary Maharic Seal Bio-Regenesis Technique](#)
- Opening of the 12<sup>th</sup> Chakra 6-inches below the feet
- Progressive use of the **Kathara Bio-Spiritual Healing System ®** for core template Divine Blueprint alignment.

Through these **core template restoration technologies**, the Angelic Human Oraphim portion of the Indigo-Type-3s **co-joined hybrid soul** can link with the personal **D-12 Maharic Shield Inner Christos Divine Blueprint**. Establishing and maintaining the integrity of this **tangible**, energetic **Inner Christos Divine Blueprint frequency alignment** within the **DNA Template core** prevents the Nephilim aspects of the soul from gaining digressive control of the body and personality. Beginning core template restoration work while progressively "cycling off" (not abruptly stopping) **drug therapy** affords the Indigo Type-3 who has entered Drug Therapy treatment the best opportunity for personal safety and **DNA Template recovery**.

Various other **Holistic Healing** modalities and **life-style adjustments**, such as the following suggestions, can help bring out the best in any Indigo Child.

- **Toning and Color Therapy.**
- **Controlled Breathing Exercises.**
- **Energy Running and Meditation Techniques.**
- **Aromatherapy.**
- Light use of **Vitamins and Herbal Supplements**.
- **Frequent physical exercise.**
- A **diet** of healthful organic, **chemical free foods** with **little dairy or red-meat content**. Smaller portions of healthy foods eaten more frequently.

- Daily time away from high-energy situations such as those found in crowds or groups. Protection from harsh, disturbing or "emotionally charged" environments; they naturally, subconsciously "model" the mental and emotional climates around them through direct bio-energetic field co-resonance, often taking on the repressed energies of others and expressing them in amplified form.
- Quite, low-stimuli home environments, reduced exposure to television and computer screen viewing and increased daily exposure to natural sunlight and moon light (Indigos are more sensitive to light, sound, electromagnetic fields and the natural environment than are other humans).
- Non-dogmatic, non-judgmental, explorative spiritual study and inner self-exploration through writing, art, music, dance, creative visualization, dream exploration and trained Consciousness Projection (Out-of-Body Travel) using the Temporary Maharic Seal.

In childhood, and sometimes in adulthood, most Indigo's need gentle, loving, affirmative, but **not** authoritarian, "Coaching Assistance" in learning to **focus their energies and attention**. They are more acutely sensitive, on biological, emotional, mental and astral levels, to the **peripheral environment** and energy fields around them and to the **inner perceptions and experiences** within them. Due to their genetic design, they often experience pain, pleasure, fatigue, light, sound, emotion, temperature and vibration **much more intensely** than other humans. These elements of experience can be **perceptually distracting** to Indigos. Indigos benefit by **reduction of distracting elements** in their environment (accommodation) and through progressive, low-key "coaching" using the "**Buddy System-WE DO**" approach. Consistent, frequent, loving **verbal redirection of their focus of attention** to the desired application, applied simultaneously with gentle, loving, **direct physical touch**, and "**focusing WITH them**", rather than "telling them to focus" in a specific way, allows Indigos to adopt the "**posture of focus**" held by the "coach". Through such "**Focus Modeling**" the Indigo can progressively **gain the energetic cellular imprint** through which they become able to more easily regulate their own mental focus and bio-energetic fields to the desired, "**modeled**" focus of conscious awareness (adaptability).

## The Kristos / Christos Seed Atoms & the Flame of Amoraea

Nothing exists outside of God or Source. Everything in existence is an expression of God-Source; in a sense, it is God or Source communicating with itself.

In terms of creation mechanics, the seed at the core of all creation, the **Kristos Seed Atom**, is both the seed FROM which God-Force steps out onto the stage of manifestation, and, at the same time, it is that which contains the whole stage of creation within itself. The level at which the **Kristos Seed Atom** exists is beyond time and space, and, from its perspective, everything takes place within the same time and same space

The Kristos /  
Christos Seed  
Atoms & the Flame  
of Amoraea

Page 1/10

At the heart of this **Kristos Seed Atom** radiates the pure love of God or Source, which takes the form of a standing wave of energy called the **Flame of Amoraea, the Eternal Flame of Divine Love**. The Kristos Seed Atom, which houses this Flame of Amoraea, is known as the **Centre Point of all Creation**. This is a living spark of God-consciousness that already contains within itself, in the most refined form, the building blocks of all creation.

These building blocks are pure God Force expressing the **original Divine Trinity** of positive, negative and neutral charge (+, -- and +/-) or what we might think of as Divine Masculine, Divine Feminine and Divine Union. At this level, however, it is as though the Union (known as **ManU**) comes first, containing and expressing both the masculine or positive/ electrical (known as **ManA**) and the feminine or negative/magnetic (known as **EirA**). This **Divine Trinity** is thus **internal** to everything in creation; it is not an external Creator God demanding worship.

The **Kristos Seed Atom** embodies the purest expressions of the consciousness of God Source. It also contains the blueprint or **template** for what God-Source intends to create.

Within the **Kristos Seed Atom**, also known as the **Centre Point of Eternal Creation** or the **AZUR-A**, are birthed its replicas, the **Living Seeds** or **Universal Christos Atoms**, each of which in turn gives birth to a **Universal Christ Template** or **Universal Christ Divine Blueprint**. This first seed atom from which an entire universe is born **MANIFESTS AS** the **Dimension 12 Universal Christos pre-matter liquid light**. And again, within itself, each Universal Seed Atom creates replicas of itself called **God Seed Atoms** or **personal God Sparks**.

The words 'Christ', 'Christos' and 'Krist' are all associated with the word 'Krist' which is the sonic translation of the first level of creation, the closest to Source. The Krist Grid is the first Kathara Tree of Life Grid. In KS, terms such as 'Christos' are both concepts in terms of consciousness and also in terms of very specific mechanics and mathematics.

Page 2/10

Source, in its impulse of pure **Amoraea Love**, **willingly** creates **natural laws** and **structures** for itself. These laws are not intended to curb its creativity but rather to give it a framework within which it can fulfil its intention. The most fundamental **natural law** is the **Conservation of the Original Divine Intention**. Thus, Source agreed within itself that its own integrity at the level of the **Krist** would never be allowed to be compromised, a sort of **Divine Invincibility** which would ensure that there was a level of creation (the **Cosmic Kristos** level) that could never be destroyed. At the same time, Source wished to explore the full spectrum of Free Will. It was not the intention that Free Will would be used in ways that threatened the **Conservation of the Original Divine Order**, but Source realised that, if there was to be genuine Free Will, there was, by implication, the possibility that this Free Will might be directed in **Opposite Expression** to the intention of creation.

The condition of Free Will, which Source set for itself, was that Free Will Choice, including the possibility of Opposite Expression, would be allowed from the level of the **Universal Christos Seed Atom** and its creations, but would not be permitted to threaten the **Krist level at the core of creation** itself. In an oak tree analogy, it is as though the branches and leaves could explore Free Will to either extreme, even to the point of self-destruction, but the trunk and roots would never be allowed to be threatened, otherwise the continuing existence of the tree itself would be compromised.

Source prefers that all of its expressions in creation would honour the **Laws of Divine Love** so that its original intention of

perpetual motion

eternal life

and

love-based, co-creative, FREE WILL expression

The Kristos /  
Christos Seed  
Atoms & the Flame  
of Amoraea

Page 3/10

could be the norm throughout creation. Beings who honour this path experience eternal life, freedom, unlimited opportunities to create and explore and an unlimited supply of energy. They know that they have a personal relationship with God-Source **WITHIN** their own being. This **Path of Joy** is what Source had in mind for itself when stepping into creation. However, Source also reserved the right to take corrective action if Free Will Choice was abused in such an extreme way as to threaten the rest of creation. Every thing in manifestation has come into being through the initial embodiment of the **Kristos** and **Christos Seed Atoms** and the **personal God-Spark**, and therefore everything (including each one of us) stepped into creation or individualisation with full awareness of the rules that we all agreed for the game we were about to play. We knew and agreed to the rules; after all, we made them!

As stated already, the primary 'house rule' of creation was the **Conservation of Original Intention**:

*expressed in natural physics laws as the dynamics of*

**Cause and Effect**

**Action and Reciprocal Action**

*and in natural spiritual law as:*

**The Law of Reciprocity**

**(You will reap what you sow or What goes around comes around)**

The very fact of being in manifestation implies that each individuated consciousness was fully cognisant of these laws in coming into dimensionalisation. The operation of these laws is therefore a natural, automatic and impersonal expression of **Divine Will** (which is ultimately the will of every one of us at that level of our being). No one is 'judged' by anyone, not even by God-Source. The **Natural Laws of Energy and Consciousness** apply equally to all and it is through these laws that the Cosmos itself will restore order and balance if excessive Free Will Choice of Opposite Expression jeopardises Cosmic Order. Free Will expression is therefore given as a gift in the greater context of **Divine Will Expression**, and Divine Will, in turn, is perpetually renewed and expressed within the **FIRST Christos Seed Atom** which births each 15 Dimensional Time Matrix.

Appropriate, co-operative, co-creative use of Free Will Choice naturally leads to the state of **God-Actualisation** where one knows oneself simultaneously as both an individual and as a direct expression of Kristiac/ Christiac God-Source. In this state one experiences **Fully Engaged Non-Attachment**, accompanied by perpetual **Unconditional Love, Peace, Spiritual & Material Mastery and Ecstatic Joy** within the manifest arena.

The state of **God-Actualisation** is possible because of the 'two-way-swinging-door to God', the living internal, eternal Amoraea Flame. This **Flame of Divine Love** resides at the centre of the **personal Christos Seed Atom Azur-A**, at the centre point of the personal inner Christos Divine Blueprint. To bring this concept closer to home it might be useful to remember that the **Azur-A** point in the **Kathara Grid** is midway between the sixth and seventh Kathara Spheres, and therefore in our physical anatomy it corresponds to the location of the **thymus gland**, between the heart and throat chakras. It is from this centre point in our own personal shields that we can access our own, **internal, eternal** connection to God-Source, where we can know ourselves as living expressions of the Source of all creation.

Page 4/10

In our tree analogy, it is where the leaf can know itself as both leaf and tree at one and the same time. It is through this **personal God-Spark Seed Atom** that the natural circulation of **Primal Life Force Currents** (energy coming directly from the source of creation itself in the form of ManU, EirA and ManA) between Source and its original expressions can flow.

These God-forces, the very building blocks of all creation, ensure that nothing can ever exist outside of God-Source, although individuated creations can create that illusion for themselves through forgetting, or attempting to deny, the **OMNIPRESENCE** of the **God-Force Trinity**.

## Merkaba

So, how does life-force energy get from the acorn to the outermost leaves on each branch? How does Source project itself into every atom in existence? The tree has an intricate yet elegantly simple network that moves from acorn root to trunk to branch to leaf. Similarly, Source has created a network of communication by which it not only transmits energy from **itself as Kristos to itself as every atom**, but by which it, in turn, receives communication back from each expression of itself. Thus, the leaf gives to the acorn just as much as the acorn gives to the leaf. This communication system of Source is known as **Merkaba**. In its most basic expression, Merkaba takes the form of two **Counter-rotating Spirals** which continually expand and contract the **perpetual supply of renewed energy radiation** into and out of manifestation i.e. out from and back into Source.

*Mer: God Force Movement*

*Ka: God Force Expression*

*Ba: Vehicle*

*Merkaba: Expression of God Force in Movement*

We could thus think of **Merkaba** as the vehicle for the inspiration (literally the inbreath and outbreath) of God. Life, as we know it in 3D, would not be viable at all if we could only exhale or only inhale. Similarly, our hearts function on the natural rhythm of expansion and contraction, which is literally how our lifeblood circulates within our systems. This mirrors the way Source itself circulates energy throughout creation.

As Source goes **within** itself to explore creation, it does so not so much by actually moving, but by flashing on and off its building blocks of:

**ManA:** electrical / positive / masculine / clockwise/ top merkaba spiral/ expansion / manifestation

*and*

**EirA:** magnetic / negative (in scientific sense, not a value judgment)/ feminine/ counter-clockwise/ bottom merkaba spiral/ contraction / de-manifestation

The Kristos /  
Christos Seed  
Atoms & the Flame  
of Amoraea

Page 5/10

The dynamic interaction between these two forces within the unity of the all-embracing **ManU** force is literally how the pure love at the heart of the **Cosmic Krist** is circulated throughout all of creation. The play of these forces, as embodied in the Merkaba Spiral Sets, is literally what makes us tick (remember that heart beat!). The intricate, highly ordered structure of these **inter-connected electromagnetic energy spirals** that exist as an integral part of all creation is known as the **Merkaba Field**.

Everything in manifestation has a personal **Merkaba Field**; otherwise it would not be in manifestation! When a **personal or planetary Merkaba Field** is functioning well, and its inherent sets of **counter-rotating Merkaba spirals** are rotating in the correct spins and proportions, the individual or planet enjoys eternal life, a continual supply of Life Force energy, full awareness of itself all the way back to Source (multi-dimensional consciousness) and an open, intimate **relationship with God-Source while still engaged in individual manifestation**. There is what might be thought of as a **two-way-swinging door** between God-Source and the fields of manifestation within God-Self itself. The leaf is perpetually nourished from the seed and roots; it knows itself as both leaf and tree and is not subject to the vagaries of the seasons; it can decide for itself when it wishes to return to Source, and does not have to 'die' or wither to return to at-ONE-ment.

*(Further detailed discussion on the counter-rotating dynamics of merkaba spirals is available in the manual for the Dance for Love programme, pages 3 - 7: also in workshops such as the FTR, Dance for Joy ( Paxos) and Dance for Joy ( Andorra ).*

Since 208, 216 BC, the Merkaba Fields of ALL Earth life have been damaged, resulting in damage to their natural, open, two-way connection to the Eternal Life Stream and the living God-Source.

The dynamic interplay of the counter-rotation of Merkaba Spirals creates at the centre of each pair of spirals a **manifestation arena**, which is known as a **Radial Body**. Correctly rotating Merkaba

Spirals both create and sustain the hologram of manifestation by facilitating the transformation of the **Primal Life Force Currents** from God-Source into the sub-atomic particles of which matter is composed.

When functioning correctly, Merkaba Fields connect every atom in creation to God-Source and to the limitless consciousness as energy which God-Source perpetually provides. However, if Free Will is persistently employed in the direction of Opposite Expression, the natural physics law of **Cause and Effect** comes into play, potentially resulting in severing of the perpetual **gift** of connection with the Universal Christiac or personal God-Spark Seed Atoms.

The self-sustaining nature of the **Eternal Life Creation Framework** depends upon the continuous communication between the Cosmic Kristos Seed Atom and its corresponding Merkaba Field Spirals. If this communication is cut off as a result of extreme, inappropriate use of Free Will, this is tantamount to the closing of the door to God-Source. That which remains in manifestation would become a **Finite Creation**, which would eventually self-consume and expend its Life Force energy. While the natural laws of physics ensure that the Seed Atom and Merkaba Fields at the **Cosmic (Krist)** level remain intact and perpetually self-sustaining, the **smaller** Universal Seed Atoms and Merkaba Fields are subject to the influence of Free Will Choice and can thus become damaged or dysfunctional through excessive Opposite expression Free Will Choice.

The Kristos /  
Christos Seed  
Atoms & the Flame  
of Amoraea

Page 6/10

**Free Will Choice in Anti-Christiac Opposite Expression leads to:**

***Finite Life***

**Self-Imprisonment**

**Progressively self-limiting experience of manifest creation**

**Limited supply of energy, which will progressively self-consume and be expended**

**Reversal of spin of the natural Merkaba Spirals which in turn lessens their ability to draw Life Force energy from the naturally rotating planetary, galactic and universal Merkaba Spirals**

*Reverse-Merkaba, the Anti-Christiac Seed Atom & Path of Diminishing Return*

Within the parameters of Free Will Choice, beings can explore, through life lessons brought about by the **Law of Cause, Effect and Consequence**, the consequences of Free Will Opposite Expression. Although, in essence, experiences such as limited supply and a sense of separation from Source are based on what is ultimately an **illusion** of separation, they can serve as the motivation to realign oneself with the natural **Path of Joy**, which is the consequence of honouring Christiac Divine Will expression. However, there are natural limits to the degree to which

exploration of Opposite or anti-Christiac expression can be tolerated, as the natural Merkabic Circulatory System becomes progressively more damaged until it reaches a point of **critical mass distortion** which causes the personal Merkabic Spirals to **reverse spin** completely.

The Kristos /  
Christos Seed  
Atoms & the Flame  
of Amorea

Page 7/10

The result is separation from the natural circulatory system, which normally flows **from and to** the **Krist** and **Christos Seed Atoms**. As has been discussed already, the Seed Atom or Centre Point of Creation is formally known as the **AZUR-A** and, in the personal anatomy, it corresponds to the centre point of every Kathara Grid between the 6<sup>th</sup> and 7<sup>th</sup> Kathara Centres, also to the location of the 8<sup>th</sup> chakra at the **thymus** gland. In terms of multidimensional anatomy, the Azur-A connects with the **Oversoul** or **Monadic** level of being. Therefore, the severing of co-creative, direct communication with the natural circulatory system of Divine Intention is known as **Monadic Reversal**. The Seed Atom is no longer linked to the energies of the Krist or even the Christos, and therefore becomes an **anti-Christiac Seed Atom**, **causing permanent closing** of the 'two-way swinging door to God'. In this context, the word 'anti-Christiac' is used in precise, scientific terms which refer to the physics reality of this state of being; it is not a value judgment. However, since biology and consciousness are intimately connected, beings whose Seed Atom manifests as anti-Christiac are likely to think and act from a deeply embodied conviction of separation, scarcity and competition.

This **FINITE LIFE** Seed Atom is confined to the limited supply of energy which remained in its template and system at the time of **Monadic Reversal** and must therefore turn in on itself for sustenance, gradually becoming denser at its core as it acts as an **Internal Black Hole**, which initially expands its available energy outward and then reverses polarity to draw it back into its centre. The resultant compression of the Merkaba Field and the Form Constant at its centre is known as **Molecular Compaction**, a state which reaches critical mass level where particles and anti-particles annihilate each other and transmute through splitting apart (fission), causing the Shield Template to shatter and the Merkaba Field to collapse. This is the phenomenon behind the concepts of '**Ashes to Ashes and Dust to Dust**' or the **return to space-dust**.

The particle units which had expressed individual identity thus return to Source as **undifferentiated units** of conscious energy. They are still within Source, as nothing can be outside of Source, but have lost their individual awareness and memory. This **Return to Dust** will **NOT** be experienced by manifestations which honour the laws of Kristiac/Christiac Free Will Expression.

### *Joy, Sorrow, Replenishing & Diminishing Return and the Path of the Christos*

Christiac use of Free Will Choice allows for great **Joy** and **limitless co-creation**, **to** a state of **KNOWING INNOCENCE** wherein Christed beings, whether in or out of manifestation, perpetually

interact consciously with God-Source. This state is in line with the Original Divine Intention of God-Source.

On the other hand, beings fulfilling the Choice of Opposite Expression return to a state of **undifferentiated identity** known as **UNKNOWING INNOCENCE**. They are still within God-Source, but have lost the opportunity for **Joy** which accompanies conscious, Christiac co-creation. However, even in this path there is **mercy**, as such individuals do not remember the level of **joy** they have forfeited, and therefore do not fully realise what they have lost. This process of Merkaba Reversal is **NOT** the original intention or preference of God-Source, but is a necessary by-product of the **Law of Balance** which ensures conservation of the Original First creation while allowing for the gift of Free Will Choice.

Each individual aspect of God-Source is fully cognisant of and in agreement with the **Law of Balance** upon its original projection into manifestation, and therefore God-Source has no conflict within ITSELF regarding the issue of Free Will and the **potential** of Opposite Expression. It would be a violation of Free Will for God-Source to impose the Kristiac/Christiac Intention on anyone, although all are encouraged and allowed to make better and more fulfilling choices.

The lessons of the **Natural Laws of Reciprocity, Allowance and Balance** are collectively known as the **Lessons of Divine Love**. If these laws are honoured before Monadic Reversal occurs, any being can choose to restore its consciousness and the integrity of its Seed Atom and Merkabic system, in what is known as the **Path of Replenishing Return, the Path of the Christos or the Path of Joy**.

Persistent choice of Opposite Expression leads one on the **Path of Diminishing Return or the Path of Sorrow**.

### ***The Path of the God-Seed, the Path of the Host and the 'Trial Cycle'***

Those returning to the **Path of Joy** from the **Path of Sorrow** are not subjected to judgment, punishment or retribution from Source. However, the **Natural Laws of Cause, Effect and Consequence** will provide re-education in Christiac expression wherein a being will progressively restore its entire energetic system to its natural Divine Blueprint. Due to the healing work required in this process, the **path itself is the 'punishment'** and follows the natural laws which governed to original entry into manifestation.

Beings who have not come near the critical mass damage point of Monadic Reversal and who therefore have experienced a lesser degree of Shield/Merkaba damage can take the **Path of the God-Seed or Conscious Evolution**. By implication, these are beings who have not abused the laws of Free Will to any extreme degree and who have retained much of their core integrity. This path allows for the most rapid restoration of the Merkabic Circulatory System, through which the natural flow of Primal Life Force Currents can be healed, leading to re-establishment of direct, OPEN, personal connection to God-Source and its corresponding Christiac attributes of consciousness. This can be accomplished rapidly in a single lifetime.

In cases of greater Shield/Merkabic damage, which is closer to the critical mass damage point of Monadic Reversal, due to excessive choice of anti-Christiac Opposite Expression, return to full Christiac status is a longer process. The **Law of Reciprocity** requires beings on this **Path of the ('Heavenly') Host** or **Path of Redemption** to employ Christiac Free Will Choices to **set right** whatever they had **set wrong**, in other words to retrace their steps as they move back through the cycles of space and time that are held within their own reversed Merkaba Fields. Over a series of lifetimes, such beings choose the Christiac rebalancing of their original anti-Christiac choices and thus reap what they have sown, thereby learning from the consequences of their actions.

Through exploration of the polarities of the victim and victimiser drama, the **Path of the Host** encourages beings to turn **INWARD** to their natural source of power, the Christos within, and thus understand where they have relinquished personal power to outside sources. This path is also known as the **Path of Unconscious Evolution** and is a last resort for those who have become trapped in the anti-Christiac illusions of the **Path of Sorrow**.

The final stage of this **Path of Sorrow** before **full Monadic Reversal** is known as the **Trial Cycle** in which the use of Free Will is tested against the Universal Lessons of Divine Love.

Earth and our 15 Dimensional Time Matrix entered the **Path of the Host & the Trial Cycle** in 22, 326 BC.

The **Tribulation Cycle**, which Earth and the 15 Dimensional Matrix entered between March and November 2002, with its attendant **Final Conflict Drama**, signals the end of the **Trial Cycle** and leads naturally to the re-setting of the Christos Seed Atom through the process known as the **Great Cleansing and Renewal**, also known as **HetharO**, which means 'The Great Silence'.

## The HE-Thar-O Cycle

### (March 23, 2002 - December 21, 2012)

A **HE-Thar-O Cycle** is a naturally occurring phenomenon that replenishes energy from Source. This is the great **Cleansing and Renewal** period that was predicted in many ancient cultures. Even though records concerning this event had been stolen and then destroyed in Atlantis, the ancients always knew that this event would occur and eagerly awaited its arrival—not just for Earth, but for our entire Time Matrix. This **HE-Thar-O Cycle** has also been known as **The Second Coming of Krist**. It is *not* a person that is returning, but a new cycle of the **replenishing of the Christos Seed Atom**, which will reset creation back to its original Christos Divine Blueprint. It is a natural function of how the Templar works.

When the original template eventually runs out of energy *naturally*, a certain point of frequency, known as the **First Creation Point**, is reached. This triggers the initiation of a HE-Thar-O Cycle in which these sparks or seeds of energy are replenished by the release of a pulse of the **Amoreae Flame**. Every creation comes into manifestation at a certain level of frequency. From there it "down-steps" into further manifestation and experience. As it ascends or "steps back up" to Source, it eventually reaches its **First Creation Point**.

This *natural* HE-Thar-O Cycle would affect the interior of the Christos Seed Atom, as it opens up and allows in a new burst of direct energy from the Kristos Seed Atom at Source to come through. This burst of Source's energy is the **Flame of Amoraea**, or **13<sup>th</sup> Pillar**. The **13<sup>th</sup> Pillar** would burst into every Christos Seed Atom as a *benign* Solar Red Pulse wave of energy—benign, since all Christos creations would be able to contain Source's highest frequencies without any damage.

As discussed above, creation in a Free Will universe is allowed to explore in both Christos and anti-Christos directions. However, a fundamental law of creation physics is **Conservation of Original Intention**. This is a divine, flawless mechanism that will always prevent any threat to the Cosmic Krist level if anti-Christos expression goes to an extreme. When threat to the Krist is imminent, the First Creation Point is naturally triggered in such a way that a *separation* occurs between Christos and anti-Christos portions of creation.

The recent escalation of the interdimensional drama ( details in several AP publications ), where Opposite Expression of Free Will choice has become so extreme as to threaten the integrity of the entire Universal structure, and even some of the Inner Earth structures, has triggered an Emergency Over-ride activation of **HetharO**, in May 2003. This effectively means that our universal 'computer', as it were, is being rebooted, that we are at the juncture of the recreation of the original creation. This presents many challenges, but is also a time of great renewal and potential.

It has been over 250 Billion years since this 15 Dimensional Matrix has experienced a full He-Thar-O cycle.

*Voyagers The Secrets of Amenti 2<sup>nd</sup> Edition*, Volume-2 of the MCEO (Melchizedek Cloister Emerald Order) *Emerald Covenant CDT-Plate Translations*, is a unique compilation of extremely significant, intensive information directly pertinent to the continued welfare of Earth and humanity at this time, that is translated directly from the ancient CDT-Plates. The 12 CDT-Plate **holographic recorder disc** relics from 246,000BC have been **secretly held in protective custody** for many generations by the "Indigo Children" Grail Line descendants of the **Haialeai-Eieyani** Elder Human Founders race families referred to as the **MCEO Eieyani Priests of UR**. The Haialeai-Eieyani (pronounced HI"-a-LA E-yon'-E) priests have served as record keepers, protectors of the Founders Emerald Covenant Freedom Teachings® ancient Templar Secrets and custodians of the CDT-Plate discs since before the 9558BC "Fall of Atlantis". MCEO Eieyani Speaker *Ashayana Deane, Ekr.MC*, formally trained by the Eieyani in CDT-Plate translation since childhood through progressive physical contact with the MCEO Eieyani Priests of Kauai, Hawaii, was authorized by the Eieyani in 1999 to begin publication of CDT-Plate translations, from which the *Voyagers* book series originally emerged. Following a series of events beginning in **September 2000**, top-secret CDT-Plate **historical records** not included in the original First Edition, and new "Emergency Release" supplementary data dispensed directly from the Eieyani, have been revealed in the 2001 Second- Edition Printing of *Voyagers Volume-2*. Expanded to over twice the size of the First Edition book (now 580 pages), *Voyagers Volume-2 2<sup>nd</sup> Edition* is best introduced in the following summary text, which appears on the back cover of the book.

On September 12, 2000 a global event of paramount significance occurred within the covert infrastructure of the New Age, UFO and Illuminati movements. On September 11, 2001, in preparation for the first anniversary of the 9/12/2000 event, the Trigger Event of the WTC/Pentagon Terrorist Attack was launched as the first step in the intended 2011 fulfillment of a hidden global agenda that reaches far backward in time. Earth is poised at the cusp of a "Great New Age", long predicted in Hopi prophecies, the Mayan Calendar and Biblical Revelation. Humanity will now determine whether this New Age is destined to become a Free Age of Genuine Enlightenment, or a New Dark Age of One-World-Order Dominion. The origins of our contemporary dilemma and its SOUL-U-tions extend back into the greatest secrets of the ancient past.

Volume-2 reaches from the heart of legendary Atlantis, Lemuria and Nibiru, through the ancient "Ascension Mysteries" of the Arc of the Covenant, Great Pyramid, "Inner Earth", "Visitor" races, Biblical Revelation and the Halls of Amenti Star Gates, emerging to reveal the contemporary secrets of the Bermuda Triangle, HAARP, Montauk Project, Wingmakers Site, the Philadelphia Experiment, the New Age Movement, the 9/11/2001 WTC/Pentagon disaster and over 70 years of covert UFO cover-up and Infra-sound Scalar Pulse testing. Revealing the truth of 500 million years of 12-Tribes Human evolution, as directly translated from the ancient MCEO "CDT-Plate" holographic discs, the Forbidden History of Humanity's Original Sacred Mission, and the coveted Secrets of Amenti are now being returned to assist us in our contemporary confrontation with destiny. In rediscovering our Human heritage, which includes Visitors from the Stars, the Checkerboard DNA Mutation, and the secrets of the Templar, we will also rediscover the REAL divinity within the Human Condition and reclaim the Sacred Knowledge and Eternal Healing Power that IS the Human Birthright.

The sacred knowledge of the "Signet RRT Technology", once used by Essene "Jesus Christ", King Arthur and the Knights of the Roundtable, the Cathari, Celtic-Druids, Incas, Egyptians, Maharajah and many Grail Line "Indigo Children" Guardian Masters before them, holds the key to our past, present and future. The ancient secrets of the

Templar, Sacred Sites, Time Mechanics, Merkaba, Ascension and DNA, long sought but never claimed by the Knights Templar Illuminati in the "Quest for the Holy Grail", reveal the true Personal and Planetary Sacred Templar Teachings through which humanity can now begin to set itself free.
