*"Untuk memelihara demokrasi yang sangat-sangat kita hargai ini, kita tidak dapat membiarkan acaman-ancaman atau tindakan-tindakan yang boleh mencetuskan perrusuhan antara kaum atau mengganggu keamanan negara ini. Bukan komuniti sahaja yang perlu diawasi bahkan orang-orang yang bermain dengan api perkauman atau Chauvinism perlu diberi perhatian. Kita tidak harus melupakan bahawa Persekutuan Tanah Melayu terdiri daripada satu masyarakat yang pelbagai bangsa. Kerana hakikat inilah, maka kita mestilah waspada supaya anasir pecah belah walau apa pun tujuan mereka, tidak dibenarkan mengganggu baik sangka dan kemesraan kita di masa depan."*

# ARTIKEL MAJALAH

*"Our struggle has an outstanding feature uncommon to any other country. Here people of various communities, Malays, Chinese, Indians and others, are all united with one voice "MERDEKA" and have a common understanding. We thank God for all this. Our negotiations in London were conducted with sincerity. I went to England to settle four big questions - financial control, Internal security, Malayanaisation and independent constitutional commission. We agreed to the setting up of such a commission to prepare and draft a constitution for an independent Malaya. Most important we got the British Government to agree that Malaya will declare her independent on 31<sup>st</sup> August 1957"*

*"But while we think of the past, we forward in faith and hope the future: from henceforth we are masters of our destiny and the welfare of this beloved land is our own responsibility. Let no one think we have reached the end of the road: independence is needed a milestone but it is only the threshold to high endeavor - the creation of new and sovereign states. At this solemn moment therefore I call upon you to dedicate yourselves to the service of the nation, inspired by the ideals of justice and liberty - a beacon of light in a disturbed and distracted world"*

*"The alliance has worked laboriously to foster the growth this nationalism in this country. Let not all this labor be dissipated on petty difference as to the type of, or time for, independence. In the village, town, state and Federal election, it was this nationalism that has carried the Alliance to unparalleled victory. The reason for it is obvious. Independence is what they want and our party is the only party that is fight for it"*
