Grow Group Discussion Questions

A grow group is 8-16 people who get together weekly to study God's word and the previous Sunday's message. There is a time of discussion, support, encouragement, and learning how the message applies to daily life.

PCC uses the ESV (English Standard Version).

HOW DO I JOIN A GROUP?

To learn more or join a group, visit pacificcoastchurch.org/gg/ or sign up at the patio Info Kiosk.

Point #1

- Read Matthew 1:18-23. In what way could Joseph have felt very hopeless about Mary and their wedding?
- How did the angel help? How does this highlight Point #1? Why is this important for your faith and mental health?
- What situations or people have you lost hope in? Why? How does Point #1 challenge or adjust you? Be specific.

Point #2

- Read Matthew 1:24-25. What did Joseph do after his encounter with the angel? How was it counterintuitive?
- Explain the difference between wishful thinking and hope. How does Joseph's response and Point #2 highlight this truth?
- What does this imply about the ability to cultivate regardless of your personality type? How does Point #2 help you?
