

## Summer Waterskiin'

Hi, I'm Summer!  
And here's my friend Wake Blazer!  
Let's go for a ride!  
Hit it!

(Chorus)  
I'm a waterskeeyee, not a wakeboarder,  
I love my life on water—but I'm not an otter!  
You can pull my rope, blast through every corner,  
Adrenaline—ride is my creation!

Come on everyone, let's go waterskeeyin'!  
Ah-ah-ah, yeah!  
Come on everyone, let's go waterskeeyin'!  
Woo-o-oh, woo-o-oh!

(Verse 1)

I'm a sun-kissed girl in a liquid world,  
Grip that handle, hair unfurled,  
You can gun that boat, hit it with your power,  
I'll cut that wake and you'll feel the shower!

You can splash, you can play,  
If you say, "I'm always yours!"  
Woo-o-oh!

(Chorus repeat)

I'm a waterskeeyer, not a wakeboarder,  
Life on water—did I mention I like otters?  
You can pull my rope, blast through every corner,  
Adrenaline—ride is my creation!

(Bridge 1)

Make me carve, make me glide, do whatever you please,  
I can jump like a star, and land smooth with ease.  
Come on everyone, grab your skee, let's do it again,  
Hit the cove, rule the mirror-glass, we're insane!

You can splash, you can play,  
If you say, "I'm always yours!"

(Chorus x2)

Come on everyone, let's go waterskeeyin'!  
Ah-ah-ah, yeah!  
Come on everyone, let's go waterskeeyin'!  
Woo-o-oh, woo-o-oh!

(Verse 2)

I'm a fiberglass queen in a mirrored scene,  
Sun reflections make me gleam,  
Cut that line, cross the wake, hear the motor scream,  
Waterskee life—it's the dream!

(Outro)

Oh, I'm havin' so much fun!  
And would you believe we're just gettin' started!  
Looks like it's your turn, Wake Blazer!
