

Trick or Treat on the Lake of Souls

[Intro]

🔥 (Thunder cracks, eerie laughter, waves hit the dock)

Candy corn moon on a midnight sea,
A jack-o'-lantern grin staring back at me.

Engines roar — tonight we ride,
On the haunted wake where the dead still glide!

[Verse 1]

Fog rolls in with a ghostly tone,
Skeleton crew in a party zone.
Witches on waterskis, ghouls in chains,
Jack and Jill from the grave again!
The black lagoon is alive tonight,
Trick or treat under blood-red light!

[Chorus]

🎵 Trick or treat on the lake of souls!
Waterski the edge where the darkness rolls!
Candy screams and the motor moans,
Yeah, we're rippin' through the unknown!
🎵 Trick or treat on the lake of souls!
Hold that rope — don't lose control!
The devil drives this pumpkin boat,
And the wake's on fire — let's go!

[Verse 2]

Candy wrappers float like leaves,
Vampires laughing up their sleeves.
A banshee babe on a slalom line,
Slicing fog with her Frankenstein!
The drummer's pounding from the grave,
We're the undead waterskiers of the bay!

[Chorus]

🎵 Trick or treat on the lake of souls!
Waterski the edge where the darkness rolls!
Pumpkins glow as the current flows,
And the ghost boat steals the show!

[Bridge]

🔥 (Spoken/shouted, Ozzy-style)
The candy's cursed! The rope's possessed!
Who dares to ride this nightmare fest?!
The water boils, the moon ignites —
Let's shred this fear through endless nights!

[Solo] 🔥

[Verse 3]

Now the haunted rope's alive,
Pullin' souls through the liquid sky.
But we shred that curse with six-string steel,
'Cause metal's real and fear can kneel!

When dawn breaks red on the devil's bay,
We'll waterski again — next Halloween day!

[Final Chorus]

🎵 Trick or treat on the lake of souls!
Waterski the edge where the darkness rolls!
Raise your horns and lose control,
'Cause we're born to ride that ghostly toll!

[Outro]

🎸 (Echo fading)
Jack-o'-lanterns burn in the foam,
Ghost boat hums as it glides back home.
A candy scream, a rip, a roar —
Trick or treat, and waterski forevermore! 🎃
