

# List of Bohemian Club members

The following **list of Bohemian Club members** includes both past and current members of note. Membership in the male-only, private Bohemian Club takes a variety of forms, with membership regularly offered to new university presidents and to military commanders stationed in the San Francisco Bay Area. Regular, full members are usually wealthy and influential men who pay full membership fees and dues, and who must often wait 15 years for an opening, as the club limits itself to about 2700 men. Associate members are graphic and musical artists, and actors, who pay lesser fees because of their usefulness in assisting with club activities in San Francisco and at the Bohemian Grove. Professional members are associate members who have developed the ability to pay full dues, or are skilled professionals selected from the arts community. Honorary members are elected by club members, and pay no membership fees or annual dues.

The Bohemian Club's mascot is an owl, here cast in masonry, and perched over the main club entrance at 624 Taylor Street in San Francisco.

Each member is associated with a "camp", that is, one of 118 rustic sleeping and leisure quarters scattered throughout the Bohemian Grove, where each member sleeps during the two weeks (three weekends) of annual summer encampment in July. These camps are the principal means through which high-level business and political contacts and friendships are formed.<sup>[1]</sup>
