From Bratislava to Prague

In the heart of uncrowded Central Europe lies a walker's paradise. Our journey brings us from Bratislava to Prague, with hikes to hilltop castles and ancient abbeys, following trails through serene forests where locals hunt for prized mushrooms, and right through the gates of enchanting Baroque towns encircled by vineyards. Our journey combines two ancient European capitals, Bratislava, Slovakia, with its cobblestone lanes and vibrant coffee-house culture, and romantic Prague, where ancient history and a lively international vibe happily coexist. Between these two intriguing cities, we'll discover ancient castles like the brooding ruin of Devin Castle, whose ramparts rule over a strategic point in the Danube, and 16th century Telc, with its perfectly preserved town square. In the UNESCO-protected town of Cesky Krumlov, we'll enjoy private backstage tour of the perfectly preserved 17th century theater and overnight in a beautifully renovated historic hotel. We celebrate our journey's finale in Prague, exploring the haunting Jewish cemetery, the Old Town Square with its astronomical clock, and the theater district, where dissident playwright Václav Havel's works were performed before the days of the Velvet Revolution. Our expert—and beloved—Trip Leaders share the ancient heritage and contemporary drama of this fascinating realm.

“The itinerary was very well crafted, full of unexpected delights, and each venue was clearly thoughtfully planned to highlight the culture, history, and beauty of the area. Bravo! Zuzana and Jiri were a great team and went out of their way to make everyone feel special. It was great fun to spend the time with them and we will miss their infectious love of their country.”

Itinerary

DAY 1

BRATISLAVA, SLOVAKIA

We meet in the morning for a walking tour of Bratislava, linked by the great Danube to neighboring Vienna and Budapest, forming the trio of great cities of the Austro-Hungarian Empire. Right from our charming hotel in the Old Town, we'll walk through the intact medieval center, with its stately burgher's houses and nobles' palaces painted in soft pastels. Up at Michael's Gate, one of the city's original four medieval gates, we'll have great views from high above a tangle of narrow lanes that date to the 14th century, and we visit the blue-glazed St. Elizabeth's Church, an Art Nouveau masterpiece designed by Ödön Lechner, considered to be Hungary's Gaudi. We'll also view some of the striking architectural relics of Bratislava's Communist era, such as the inverted pyramid of the Slovak Radio Building. Lunch will be in a local café. Mid-afternoon is the perfect time to experience Bratislava's celebrated coffee-house culture or perhaps step behind the Baroque façade of the Galeria Nedbalka and find a stylish modern interior dedicated to the best Slovakian art from the 19th century to the present. In the evening, we stroll across the river for a festive Welcome Dinner in the UFO Tower, a flying-saucer shaped restaurant and observation deck perched 300 feet above the Danube. The 360-degree views of Bratislava and beyond are amazing. We'll walk back to our hotel in the heart of the Old Town, just a quick stroll from the main square, with its mix of 14th century buildings and lively cafes...LD

Walking Details: 4.5-5 hours

Note: You will need to arrive in Bratislava the night before the trip begins. We are happy to book a room for you at our recommended hotel in Bratislava (an 'on your own' expense)

DAY 2

DEVIN CASTLE, SLOVAKIA / LEDNICE CASTLE, CZECH REPUBLIC

Our first hike brings us into the rural countryside outside of Bratislava to Sandberg, a protected paleontological site, as the fossils of more than 250 extinct animal species were discovered here, from shellfish to whales and mastodons. We hike to the top of the Sandberg site then along a forested trail to reach the dramatic hilltop site of Devin, one of Slovakia's most picturesque castle ruins, set on a crag 600 feet above the confluence of the Danube and Morava rivers. We'll explore the haunting walls and towers of this ruined castle, originally an 8th century border fortress and later destroyed by Napoleon's army in a military maneuver. Views from atop the castle ruin stretch into Austria and Hungary. After a picnic lunch at the castle, we'll drive to the border into Moravia, the Czech Republic's wine country, a landscape of woodlands interspersed with orchards and vineyards. We spend our afternoon walking the stately grounds of UNESCO-listed Lednice Castle, built by the Liechtenstein family as a summer residence. The garden is one of the largest formally designed landscapes in Europe, connecting with a twin chateau several miles away. Forested trails lead us to outlying pavilions, statues, chapels, and peaceful

Hiking Details: 7-8 miles, 3-4 hours

Driving Time: 1.5-2 hours

DAY 3

PALAVA NATURE RESERVE / MIKULOV / LEDNICE

This morning we'll visit the castle's fairytale interior, then head out for our first castle-to-castle hike, which brings us through the Palava Nature Reserve, a UNESCO Biosphere Reserve and a landscape of limestone outcrops and hardwood forests. Beginning below the ruined tower of a 10th century castle perched on a crag, we hike through mixed forests of beech, maple, linden, and oak and cross meadows overlooking Moravia's vineyards and villages. Our hike ends at another crag-top ruin, and we enjoy a picnic or a restaurant meal in Mikulov, a Moravian town with Baroque and Renaissance townhouses surrounding its main square. Mikulov is dominated by a huge Baroque castle with views out across wine country. Napoléon stayed in Mikulov's castle during his negotiations with the Austrians after the battle of Austerlitz, and Bismarck came here for the signing of a peace treaty with Austria. The town once had a flourishing Jewish population, especially in the mid-19th century, and we visit the town's medieval Jewish cemetery, one of the largest in eastern Europe, with its finely carved tombstones. Overnight in Lednice...BLD

Hiking Details: 7-8 miles, 3-4 hours

Driving Time: 1 hour

DAY 4

CASTLE ROSTEJN / TELC

This morning we drive west, stopping for a picnic lunch in the fairytale setting of the 14th century Castle Rostejn, a Gothic apparition that seems to rise straight up from the rock outcrop it is set upon. During part of the 15th century, the castle served as a hunting chateau for the feudal lords of the area, and there is a large game preserve established around it.

We set off on trails that descend from the castle ramparts into enchanting pine forests and rolling meadows. Our trail brings us to the tiny village of Doupe, then further on a lakeside trail through fields of poppies, ending our hike with a walk through the arched town gates of Telc, one of the best-preserved Renaissance towns in all of Europe, now a World Heritage Site. When a fire destroyed the town's wooden buildings in 1530, Telc was rebuilt from scratch, and today we see a perfectly preserved example of 16th century town planning. No building in Telc is less than 250 years old, giving us an extraordinary opportunity to step back into the past and experience the town as it would have been in Mozart's time. The wedge-shaped main square looks like a stage set, with Renaissance arcades, Gothic and

Renaissance houses of subtle pastel colors, and absolutely striking architectural unity. At the northern end of the square, the 14th century chateau, originally Gothic, was given its Renaissance facade by Italian craftsmen in the 16th century. We enjoy dinner on a terrace right on the town square and an evening stroll to the small moat-like lakes that flank the town, where the red-tiled roofs are reflected in serene waters...BLD

Hiking Details: 6 miles, 2.5 hours

Driving Time: 3 hours

DAY 5

TELC CASTLE / SLAVONICE

The highlands of southern Moravia, a gentle rolling landscape of pastures and forests, became a “forbidden zone” between Austria and Czechoslovakia in the aftermath of World War II. Ironically, as a result, the region’s natural beauty has been well preserved. The area is great for hiking and the local folks can once again explore these woods for wild mushrooms (we may meet some mushroom gatherers as we hike). After a visit to the Telc Castle, we’ll begin our hike from Stare Mesto pod Landstejnem, about a 40-minute drive from Telc. As we hike, we see the remnants of fortifications that were meant to protect the Czech border on the eve of World War II; they

proved useless when the Allied nations traded away much of eastern Europe in a futile attempt to appease Hitler. Our trail leads us through pine forests to Slavonice, a gem of a town with an intact medieval urban design, just a mile from the Austrian border. This Renaissance outpost was partially abandoned in the 18th century when the stagecoach road between Vienna and Prague was rerouted. The town fell into further disrepair during the Cold War. Today its Renaissance main square, with its unusual biblical paintings on the exteriors of houses, has been carefully restored. We enjoy a picnic lunch and return to Telc for overnight. Dinner is on your own this evening and your Trip Leader will be happy to make restaurant recommendations...BL
Hiking Details: 5 miles, 4 hours
Driving Time: 1 hour

DAY 6 CESKY KRUMLOV

We cross into rural southern Bohemia, its winding roads lined by fruit trees, and visit the tiny medieval spa town of Trebon. Trebon's Renaissance chateau is where the infamous Petr Vok, last heir of the noble Rozmberk family and a comrade of Mad King Ludwig II, lived quite colorfully. We continue to Cesky Krumlov, a vision of Renaissance and Baroque houses lying on a double “S” curve on the Vltava River. We spend the evening on a walking tour of this unforgettable town, a UNESCO World Heritage Site. Like a miniature Prague, Cesky Krumlov is dominated by a grand castle that rises through five courtyards and ends in a huge watchtower. Only three families have lived in this castle since the Middle Ages: the Rozmberks, lords of the Renaissance era, the Eggenbergs, who built the castle's first theater in the 1680s, and the Schwarzenbergs, whose untold wealth helped to defeat Napoleon. Cesky Krumlov's castle is illuminated at night, providing an enchanting backdrop for wandering and café hopping. Overnight at hotel...BLD

Walking Details: 4 miles, 3 hours
Driving Time: 2 hours

DAY 7 SUMAVA FOREST / CESKY KRUMLOV

Today's hike takes place on the wooded trails of the Sumava (Bohemian) Forest, one of the last wilderness regions in central Europe and a natural border between the Czech Republic on one side and Germany and Austria on the other. Above town rises a Gothic castle that once belonged to the lords of the Rozmberk family. We'll hike across open fields with wonderful views of distant villages and continue to Rozmberk, a charming town built around the serpentine curves of the Vltava River. We end our hike at Vyssi Brod, a serene 13th century Cistercian monastery whose bright white walls contrast vividly with the forest greenery. This centuries-old pilgrimage site, with its Romanesque cloisters and courtyards, is being restored by returning monks

after four decades of closure under Communism (Vyssi Brod was returned to the Cistercian order in 1991). After a late lunch in Rozmberk, we return to Cesky Krumlov in the late afternoon. Dinner is on your own tonight, and the Trip Leader will be happy to make recommendations. Want to eat like the locals? Try some fresh trout and a crisp pilsner—a great combination! Overnight at hotel...BL
Hiking Details: 6 miles, 3.5 hours
Driving Time: 1 hour

**DAY 8
CESKY KRUMLOV**

Virtually nothing has changed in Cesky Krumlov since medieval times except for the addition of electricity. Numerous sidewalk cafes liven the scene, and lovely old bridges cross and recross the Vltava River as it snakes through town. In Cesky Krumlov's castle complex is a fabulously intact 18th century Baroque theater, one of few in the world that retains so much original wardrobe, scenery, and props. We enjoy a private visit to this extraordinary theater and other parts of the castle this morning, with the afternoon free for independent exploration. Overnight at hotel...BLD

**DAY 9
PRAGUE**

A drive of about three hours brings us to Prague, the jewel of Bohemia and one of the world's most beautiful cities. Prague's golden age lasted from the 14th to the 18th centuries, and much of the city's present look was achieved in the 14th century during the long reign of Charles IV, the Holy Roman Emperor. Today, 600 years of glorious architecture, from Renaissance to Cubist, are on display in one of the few major cities to miraculously escape destruction by war.

“It was a fabulous trip; we were able to see the beautiful countryside, share some time with the people (thanks to Zuzana), and learn so much about Czech culture and the history of this little known country.”

Nancy M., Orleans, MA

Itinerary (cont'd)

“There was just the right mixture of walking and sightseeing. Everything was well thought out and planned.”

Mary P., Bedford, NY

We arrive in Prague and devote the afternoon to a wonderful walk through narrow Baroque lanes and over medieval stone bridges in this pedestrian-friendly city. We begin in Old Town, the city's Baroque medieval hub and a bustling center for mercantile activity since the 13th century. The Old Town Square is lined by brightly colored houses with Baroque facades. The square's most famous sight is the 15th century Astronomical Clock, which during its hourly chime presents a mechanical tableau of large, moving figures including 12 bowing Apostles and a skeletal Death with his hourglass. One of the “new” additions to the square is the Jan Hus Monument, dedicated in 1915, with its inscription, “Truth Prevails.” In August, 1968, when the Soviets invaded Prague to end the nationalist movement known as the Prague Spring, protestors shrouded this huge statue in black drapes. The famous Velvet Revolution of 1989 bloodlessly brought down the Communist government and the democratic election of 1990 installed the late Vaclav Havel, dissident and playwright, as president. On our walk, we pass by the theater where Havel's first plays were performed.

Another part of our afternoon walk passes through Prague's Jewish ghetto, Josefov, which dates to medieval times and is now a quiet, middle-class residential quarter. Much of Josefov was demolished in the 19th century when the Jews were moved to another ghetto, but Europe's oldest functioning synagogue is still here, as is the poignant Old Jewish Cemetery, in use from the 15th century until 1787, with its crowded tumble of headstones. Under Nazi occupation in World War II, most of the 35,000 Jews living in Prague were deported or killed in concentration camps. We gather for our Farewell Dinner at a restaurant on the Vltava River with a beautiful view of the Prague

Castle and Charles Bridge. Overnight at hotel...BLD

Trip Details

WHAT THE TRIP IS LIKE

This trip is rated a Level 2+ (Easy to Moderate) according to our trip grading system. You will need to be comfortable hiking 8 miles a day and being on your feet for up to 5 hours a day.

Average Hiking Day

- 5 miles
- 3-4 hours

Challenge Day

- Day 3: 7-8 miles, 3-4 hours; includes short, steep sections

TERRAIN

This trip includes both easy hikes and walks, traversing across historic towns, through forest trails, and over gently rolling hillsides. You will need to be able to hike over sections that contain rocky steps, uneven surfaces, and occasionally downhill over loose scree. There are some tight staircases in the castles, and trails may become muddy and unstable with bad weather. While this is not a challenging trip, it is active and you will need to be able to keep up with the moderate but steady hiking pace of the group.

GETTING IN SHAPE

We strongly urge you to train for your trip, as your enjoyment will be highly dependent on your level of fitness. The best training for a hike is to hike, especially over hills or rough terrain. Next best are running, swimming, bicycling, or other cardiovascular exercise. Stair climbing machines are excellent preparation for hiking uphill. Your feet should also be well prepared—make sure your hiking boots are sturdy, comfortable, and thoroughly broken-in.

WEATHER

The weather in the Czech Republic and Slovakia in the summer is usually very mild and pleasant, with temperatures in the 60s°F and 70s°F during the day and in the 50s°F and 60s°F at night. Cool breezes and showers can occur at any time, so layers and raingear are recommended.

ACCOMMODATIONS

Our accommodations are in small, charming hotels that have been selected for their character. While they are not the most luxurious options in the area, they are clean and comfortable and in the optimal locations. Since they are often in historic buildings, the rooms are not always of uniform or international size. Our leaders do their best to assign rooms in a fair way so that all participants experience an equal advantage throughout the trip as a whole. Single rooms can be requested but are not always available, due to the limited space in the hotels. If you prefer a single room, please make your request as early as possible.

CUISINE

Lunches and dinners will be picnic-style, at local restaurants and cafes, and at the hotels. Please note that in Europe, the dinner hour is considerably later than what it is in the US. We do our best to secure early reservations for our groups, but most often the evening meal will be at 7:30 pm.

TRANSPORTATION

Our bus will transport the group's luggage, so you only need to carry a daypack for items you need during the day (rain gear, sweater, camera, water bottle, etc.). Trip members are always free to skip a day's hike and travel to the next destination in the support vehicle (or remain at the hotel if we are not transferring that day).

Please be advised that California has established a Travel Consumer Restitution Fund under the California Seller of Travel Law that took effect January 1, 1996. This fund is designed to protect consumers from unscrupulous practices by discount airfare ticket sellers or air charter operators. Unfortunately, this law does not cover non-California residents and, even in the case of California residents, it does not cover any foreign travel where the foreign "providers of transportation or travel services" are not in compliance with the Sellers of Travel Law (compliance being defined as registered as a Seller of Travel in California and a participant in the Travel Consumer Restitution Fund). Thus none of Wilderness Travel's tours qualify and we are required by law to advise each client that they are not covered by the California Travel Consumer Restitution Fund. California law requires sellers of travel to maintain a trust account or bond. This business has a trust account. California Seller of Travel #100769640
