The snow-capped Sunnmøre Alps rise thousands of feet above the cobalt waters of Hjørundfjord, one of the hidden gems of this nature-blessed part of Norway. This region is where deep fjords meet jagged peaks, where the quaint meets the dramatic, and where the hikes are challenging—but with high reward. We'll explore the trails of Hjørundfjord as well as UNESCO-listed Geirangerfjord for panoramas of the fjord's soaring 5,000-foot high walls. We'll also explore the waterways by private boat, visiting villages, and along the way, learn about Norway's rural traditions as we are welcomed by families at their centuries-old farms. We begin and end in charming Ålesund, a city set on small islands in the Atlantic.

### DAY 1 ÅLESUND / PANORAMA HIKE / KAYAK EXCURSION

Arrive in Ålesund and transfer on your own to the hotel. We'll meet with Trip Leader Stefano Pozzi later this morning for a short hike to a high viewpoint overlooking the city, fjords, and mountains. After lunch, a kayak excursion will bring us unique perspectives of Ålesund as we paddle through the city's canals. Surrounded by azure fjords, Ålesund sits atop a series of small islands jutting out into the Atlantic. A tragic fire leveled the city in 1904, and it was rebuilt (with help from Germany's Kaiser Wilhelm II) in striking Art Nouveau style. With its harmonious architecture, it stands today as one of Norway's most beautiful cities and has been deemed "a backdrop for a Nordic fairytale." We'll gather for our Welcome Dinner this evening. Overnight at the Brosundet Hotel...LD

Hiking Details: Approximately 1 hour

Kayaking Details: Approximately 2 hours, life jackets and all equipment provided

### DAY 2 SUKKERTOPPEN / BOAT THROUGH HJØRUNDFJORD / TRANDAL FARM AND VILLAGE

We begin with a hike right outside of Ålesund to Sukkertoppen ("The Sugar Top"). This trail is well marked, though it can be wet and muddy, and leads up a ridge to a marvelous view point. From here, you'll enjoy breathtaking panoramas overlooking the fjord, mountains, and coastline that you'll explore in the coming days. After heading back into town, a private boat will pick us up at the hotel's pier for a journey along secluded, steep-walled Hjørundfjord, a neighboring fjord to the more famous Geirangerfjord, which we explore later on the trip. Our destination is the roadless village of Trandal (population 13!), where our host Daniel Storeide and his family have run a farm for generations. The dining room at Daniel's farm dates to the 16th

century and the menu includes wild deer, wild salmon, and other local foods that have been hunted, fished, or sourced by Daniel and his family. After a memorable lunch, we have time to explore the tiny village of Trandal. Overnight at a historic hotel...BLD

Hiking Details: Approximately 2 hours, 2.5 miles, 840 feet ascent/descent

### DAY 3 RIDGE HIKE / SUNNMØRE ALPS / EGILBU

A full-day ridge hike with epic fjord scenery makes this a spectacular day, with breathtaking views in all directions of the snow-capped Sunnmøre Alps. Our trail brings us above the fjord to treeline to about 1,200 feet, then higher still along a stunning ridgeline to Egilbu at 3,100 feet. The views on top are breathtaking, and there's a sheltered hut where we can enjoy our packed lunch from the hotel. We'll descend and head back to our fjordside hotel in the late afternoon....BLD

Hiking Details: Approximately 5.5 hours, 5 miles, 2,500 feet ascent/1,800 feet descent

### DAY 4 MORNING HIKE / LOEN

This morning we begin an easy day's hike through a narrow valley with stellar views of towering granite mountains,

waterfalls, and alpine lakes. We'll enjoy a packed lunch from the hotel en route. Tonight's accommodation is a modern hotel in Loen, a small village situated in innermost Nordfjord, below the great Jostedalsglacier, the largest glacier in mainland Europe. Loen has a dramatic setting surrounded by towering peaks and the town has been a magnet for visitors for more than a century. Overnight at Hotel Alexandra...BLD

Hiking Details: Approximately 4 hours, 7 miles, 500 feet ascent/1,200 feet descent

Driving Details: Approximately 1.5 hours

### DAY 5 LOEN SKYLIFT / MT. STAURINIBBA HIKE / HOVEN SKYLIFT RESTAURANT

The morning is free to enjoy the hotel's spa and sauna options, with lunch on your own. The Trip Leader will be happy to make lunch recommendations, depending on how fancy or local you want to go. This afternoon, we board the famous Loen Skylift for a spectacular cable car ride that carries us 3,000 feet up from the fjord's cobalt-blue waters to the top of Mt. Hoven—in just five minutes. There are grand panoramas along the way of the fjord landscape, the mountains, and Jostedalsglacier National Park. Once we're at the top, we'll set out for a beautiful hike up Point Staurinibba on a well-marked trail. Our dinner in this "top of the world" setting is at the

Hoven Restaurant, a prime spot for sunset viewing. We'll take the Skylift back down to town after dinner. Overnight at Hotel Alexandra...BD

Hiking Details: Approximately 3 hours, 4 miles, 1,300 feet ascent/descent

## DAY 6 HELLESYLT / PRIVATE BOAT RIDE / SKAGEFLÅ HIKE / GEIRANGERFJORD

From the waterside village of Hellsylt, a scenic ride by private boat brings us to the starting point of our hike up to Skageflå, a historic abandoned mountain farm perched 1,500 feet above UNESCO-protected Geirangerfjord. Today's hike is one of the most scenic in all of Norway, with panoramas of the fjord's soaring 5,000-foot high walls, down into the sparkling waters, across to the surrounding mountains, and to the Seven Sisters Waterfall on the other side of the fjord—a photographer's dream. Sections of the trail can be a bit exposed, but there are chains bolted to the rocks to hold on to for stability and the views along the way make it an experience not to be missed. Our trail passes two ancient farms and we'll hike to its highest point at 1,800 feet, stopping at a vista for a packed lunch along the way. From here we hike down the other side and head to our hotel in the quaint town of Geiranger at the head of the fjord...BLD

Hiking Details: Approximately 4.5 hours, 4 miles, 2,100 feet ascent/descent

Private Boat Ride: 1 hour

## DAY 7 GEIRANGER MUSEUM / FARM LUNCH / AFTERNOON HIKES

We'll make a short morning visit to the museum of Geirangerfjord to learn a bit about its UNESCO status, fjord geology, and farming history. A hike right from the museum brings us to Løsta, an inlet with commanding views straight down over the cliffs of Geirangerfjord. Lunch today is at a lovely family farm that serves locally sourced specialties, from meat and cheese platters to local-style waffles and rømmegrøt (warmed sour cream with butter, sugar, and cinnamon). Conditions permitting, we have the option after lunch to hike right from the farm up to a beautiful waterfall (it's also possible to walk behind the water of this cascade for a unique perspective), and possibly higher up to visit the farm's old summer houses. The landscape around the farm is superb and it's a thoroughly enjoyable hiking environment. Overnight at hotel...BLD

Hiking Details: Approximately 2.5 hours, 5 miles, 1,300 feet ascent/descent

#### Optional Additional Hikes:

to Storsæterfossen Waterfall: 1.5 hours, 3 miles, 600 feet ascent/descent;

to Vesteråssætra Summer Houses, 1.5 hours, 3 miles, 400 feet ascent/descent

#### DAY 8 ØRNSVINGENE / GEITFONNEGGA HIKE

We drive to a spot called Ørnsvingene (“The Eagle’s Wings”) and begin a hike that rewards us with expansive views of Geirangerfjord’s entire bend from atop the rounded peak of Geitfonnegga (4,770’). The trail crosses a stream and a few rock falls but is never very steep. In clear weather, the panoramic views frame the unique bend in this stunning fjord. We’ll have a packed lunch at a beautiful area called the Cirques en route. Overnight at hotel...BLD

Hiking Details: Approximately 5 hours, 5 miles, 2,400 feet ascent/descent

#### DAY 9 MEFJELLET HIKE / TAFJORD

Today’s hike brings us to the peak of Mefjellet (3,608’) on a secluded trail with panoramas we haven’t seen on previous

hikes, including hidden, UNESCO-protected Tafjord. We’ll pass some summer farms along the way and enjoy our packed lunch en route. After the hike, we make a stop at a local coffee bar for refreshments, then head to our next hotel by private boat along the fjord. The boat will drop us at a pier for a 15-minute walk to the small, luxurious Stor fjord Hotel, set in forests overlooking the fjord. Tonight we gather for our festive Farewell Dinner. ## DATE AND PRICING INFORMATION

### TRIP COST

**Prices are per person, valid through 2024**

\$8595 (9-11 members)

\$8995 (5-8 members)

Single supplement: \$1735

*2025 Trip Costs: Please call for pricing*

To offer the lowest possible cost, our trips are priced according to the number of participants on the trip. All costs are per person, based on double occupancy. If you wish to have a single room, you must pay the single supplement fee. Please note that Wilderness Travel staff, or guests of Wilderness Travel such as travel writers, photographers, or leaders-in-training, are not included in the tier pricing count.

### CURRENCY EXCHANGE RATE

Due to the volatility of currency markets, we can only offer the most competitive pricing on our trips in Norway by partially tying the trip cost directly to the value of the Norwegian Krone. In the late spring of 2023, when we set the rates for our 2024 program, the US Dollar equaled 1.0 Kroner. While in most years, no price changes are ever necessary, if there were to be a significant change in exchange rates, we may be forced to raise or able to lower our trip cost; if so, your final invoice, sent two weeks before your final payment is due, will reflect the difference. Please note that the calculation will not be a straight proration. While most of the trip cost is paid in Kroner, the remainder of our expenses are paid in US Dollars. The overall effect is to moderate any change; thus, if the Kroner were to rise in value, the trip cost would rise less than might be expected, and if the Kroner were to fall, the drop in land price would also be less than might be expected.

### TRIP COST INCLUDES

- Expert leadership of a Wilderness Travel Trip Leader and local guides
- Accommodations as noted
- All meals included except 1 lunch as indicated in the Detailed Itinerary (B=Breakfast, L=Lunch, D=Dinner)
- A glass of wine or beer with dinner
- Spa access at Hotel Alexandra
- Land transportation, boat travel, and sightseeing as noted

### TRIP COST DOES NOT INCLUDE

International airfare, airport transfers, any meals not specified after each itinerary day in the Detailed Itinerary, airport departure taxes, optional tipping or gratuities to leaders or staff, additional hotel nights that may be necessitated by airline schedule changes or other factors, expenses such as medical immunizations (if any), travel insurance, or passports and visas, and other expenses of a personal nature (alcoholic beverages, soft drinks, laundry, etc.)

### PAYMENT SCHEDULE

At time of reservation: \$600

90 days prior to departure: Balance

### CANCELLATION AND TRANSFER FEE SCHEDULE

Up to 91 days prior to departure: No charge!

61-90 days prior to departure: 25% of trip cost

46-60 days prior to departure: 50% of trip cost

45 days or less: 100% of trip cost

## INTERNATIONAL AIR TRAVEL

You are responsible for making your own arrangements for flights to and from Norway. ### STEFANO POZZI

Originally from Italy, Stefano Pozzi has grown up with a passion for the outdoors. He graduated from the University of Milan and later became a resident of Norway, where he studied Arctic natural history for a year on the island of Spitsbergen. Today he spends several months a year working on expedition vessels between Antarctica and Greenland, and guides trips for us in Norway, Finland, and the Alps. “I love being out in nature and being amazed by its beauty, and my hope is that I can share my knowledge with trip members, and in turn, learn something new every day from them.”

# What the Trip is Like

## WHAT THE TRIP IS LIKE

This trip is rated a Level 4+ (Moderate to Strenuous) according to our trip grading system. It is aimed at those who have some recent mountain hiking experience. You will need to be able to keep up with the moderate but steady hiking pace of the group.

### Average Hiking Day

- 3-5 hours
- 5 miles
- 2,100 feet gain/loss

### Challenge Day

- Day 3: 5.5 hours, 5 miles, ascent 2,500 feet, descent 1,800 feet

### How Tough is This Trip?

You must feel comfortable and confident being on the trail for 3-5 hours most days, with recent hiking experience at 5+ miles in a day. You carry just a daypack with the essentials: camera, water bottle, rain gear, and your packed lunch. Sturdy, well-broken-in hiking boots are essential. Hiking poles are highly recommended. The daily pacing is flexible and may be

adjusted by the Trip Leader. Trail conditions, weather, and the group's level of fitness can affect hiking times.

## TERRAIN

While the Norwegian mountains are not exceptionally high, they are steep and rugged. The trails in Norway are kept very natural and not maintained beyond necessity. Trails can be uneven, with large rocks or loose scree. Norway is often rainy, so the rocks on the trail will be wet. There are some exposed roots along the way, and there will be muddy spots. You need good balance to be able to hike on these surfaces.

## GETTING IN SHAPE

For your own enjoyment, we recommend you make a special effort to be in good physical condition. Daily brisk walking and/or regular hiking (or using a stair-climbing machine at your gym) are excellent preparatory exercises.

## WEATHER

Temperatures should be in the mid-50s-60s, perfect for hiking. The weather can provide spectacular clear days but can also be very wet and changeable, and we want you to be well prepared for all you may encounter. Trip members need to remain flexible in consideration of inclement weather that may require

changes, such as substituting different hiking routes, canceling hikes, or switching the days of certain hikes.

## CUISINE

Packed lunches on the trail will be enjoyed amid the beauty of the surrounding mountains, with two lunches served at local family farms. Most evening meals will be at our hotels. Please note that in Europe, the dinner hour is considerably later than what it is in the US. We do our best to secure early reservations for our groups, but most often, the evening meal will be at 7:30 pm.

## TRANSPORTATION

One of the nice features of this trip is how it takes advantage of taxis, vans, and even small private boats to transfer between locations and some of our hotel accommodations. This is a wonderful way to be immersed in Norway's beauty.

## ACCOMMODATIONS

Some accommodations are in small, charming hotels and the rooms are not always of uniform or international size. Our leaders do their best to assign rooms in a fair way so that all participants experience an equal advantage throughout the trip as a whole. Please note that rooms in Scandinavia are smaller than in the US. We stay in two hotels that do not have separate beds, but we can request a comfortable cot for travelers who are sharing rooms but may not wish to share a king bed. Single occupancy rooms can be requested but are not always available, due to the limited space in the hotels. If

you prefer a single occupancy room, please make your request as early as possible.
