Itinerary

DAY 1

ARRIVE CAPE TOWN, SOUTH AFRICA

Upon arrival in Cape Town, you are met and transferred to your hotel. Long regarded as one of the most beautiful cities in the world, Cape Town is southern Africa's most romantic city. Few cities in the world can match its splendid setting along the spine of the mountainous Cape Peninsula. The view of the Cape that entranced early mariners over the centuries is still here—a spectacular amphitheater formed by Devil's Peak, Table Mountain, and Lion's Head to the west. The summit plateau provides breathtaking views of Cape Town and the Cape Peninsula, and at night in the summer months, the mountain is floodlit. This lively city today is also a rare cultural gem, an amalgamation of African, Indonesian, French, Dutch, British, and German cultures. Overnight at the PortsWood Hotel or Victoria and Albert Hotel near the waterfront, or upgrade to the Cape Grace Hotel, a member of the prestigious Small Luxury Hotels of the World, set on its own private quay on the Victoria & Alfred Waterfront...Meals on your own

Classic Accommodation: Commodore Hotel

Optional Upgrade: Victoria and Alfred Hotel, Cape Grace Hotel, or Cape Cadogan

See Lodging pages for descriptions and photos

DAYS 2-3

CAPE TOWN

Your program in Cape Town includes your choice of one of the following full-day guided options each day. The minimum participation is two persons. Dinners on your own and overnights at hotel...BL

Full-Day Cape Peninsula / Table Mountain*: Enjoy a morning of exploring the spectacular Cape Peninsula, the Cape of Good Hope Nature Reserve, and Cape Point itself, where the Cape Point lighthouse stands on top of sea cliffs at the very tip of the African continent. Visit the Boulders Penguin Colony, home to a growing colony of rare African penguins. After lunch, take the cable car (weather permitting) up world-famous Table Mountain for incredible views of the city and Table Bay. This mountain is one of the most spectacular urban geographic features in the world and also an incredible environment for hundreds of species of endemic flora. Descent is also by cable car. *Note that the order of this program may be reversed. A visit to the National Botanical Gardens at Kirstenbosch, where 10,000 species are cultivated on 1,000 acres, can be substituted for Table Mountain.

Full-Day Shark Dive: Enjoy a day in famed Shark Alley for the thrill of a "cage dive" to view magnificent Great White sharks from underwater (no dive experience necessary). You begin with an early morning start and a two-hour drive to Gansbaai, where you have breakfast and an orientation on arrival. A 30-minute boat ride then takes you to Shark Alley, a shallow channel that is the world's best place to see Great White sharks. The skipper anchors the boat and baits the sharks, and you have the opportunity to view from the deck or to enter

- Enjoy candle-lit dinners under the African sky
- Expert ranger-trackers, off-road safari exploration, optional game walks

a special diving cage just below the surface. A light lunch is included, served on board. The boat returns to the dock by mid-afternoon. (Note: Shark sightings have recently become more difficult due to the presence of orcas in the area, which hunt the sharks.)

Full-Day Table Mountain and Winelands Visit: En route to the wine country, take the cable car up spectacular Table Mountain (weather permitting). Descent is also by cable car. Afterwards, head out of the city to spend the rest of the day touring South Africa's centuries-old wine estates, with their beautiful Cape Dutch architecture. Visit the historic town of Stellenbosch, the oldest town in South Africa, and the Franschhoek Valley, birthplace of South Africa's wine culture, begun by the French Huguenots who founded Franschhoek in 1688. Also visit the Paarl Valley, where the Afrikaans language came from, and enjoy two wine tastings. Lunch is in the lovely town of Franschhoek. Kirstenbosch Gardens can be substituted for Table Mountain.

Full-Day Langa Cultural Visit / Robben Island: One of the most popular explorations for visitors is a tour of Langa, one of Cape Town's township outside of Cape Town. This visit offers the chance to meet and speak to some of the local people, visit their houses and shops, and learn about this community's projects, craft centers, and entrepreneurial energy. After lunch, take a boat ride out to historic Robben Island, six miles offshore in Table Bay, where Nelson Mandela was imprisoned for many years. The island's former role as a maximum security political prison made it notorious, but it has now has been developed as a nature reserve, museum, and poignant memorial to South Africa's long liberation struggle. Some of the guides are former political prisoners.

Full-Day Langa Township / Table Mountain Visit: Tour of Langa, one of Cape Town's nearby townships (as described above). After lunch, take the cable car (weather permitting) up world-famous Table Mountain for incredible views of the city and Table Bay. Descent is also by cable car. Kirstenbosch Gardens can be substituted for Table Mountain.

Please note that the Langa Township tour is not available during school holidays (call for dates); the city tour can be substituted. The Table Mountain tour is weather dependent and may not be available in the event of inclement weather. Also note it is closed every summer for two weeks at the end of July for maintenance; Kirstenbosch Garden can be substituted when Table Mountain is not available.

Note: Our optional 3-day Cape Winelands Extension begins on Day 4. See our website for details.

DAY 4

THORNYBUSH PRIVATE GAME RESERVE

Transfer to the airport for a scheduled flight to Hoedspruit and then drive to Thornybush Private Game Reserve. Thornybush shares a fenceless border with Kruger National Park, which means wildlife can roam freely throughout

the region. Consisting of over 40 square miles of open savanna woodland and tangled thicket, Thornybush is prime big game habitat where some of the best wildlife viewing is possible. This afternoon, enjoy your first game drive in the wooded savannas, and relax with sundowners in a scenic spot. Overnight at Thornybush Game Lodge, with its waterhole favored by elephants, buffalo, and other wildlife, or Shumbalala Game Lodge, where spacious, shaded suites with private decks line the Monwana River...BLD

DAYS 5-6

THORNYBUSH PRIVATE GAME RESERVE

While on your two game drives a day at Thornybush Private Game Reserve, you can expect to see lion, elephant, leopard, rhino, buffalo, giraffe, zebra and other wildlife, and the birdwatching is amazing. And because you are on private land, not in a national park, you can drive off-road for better views of the “Big Five”: lion, elephant, buffalo, rhino, and leopard. After dark, a new world opens up as you look for nocturnal wildlife including elusive genets and perhaps leopards on the hunt. You will also enjoy the excitement of optional bush walking accompanied by an armed ranger and tracker, a chance to explore the fascinating minutiae of safari life—dung beetles, butterflies, and game tracks—that normally cannot be seen from a vehicle. Overnights at camp...BLD each day

DAY 7

GREATER KRUGER NATIONAL PARK

Transfer to your choice of lodge in Timbavati Private Game Reserve, Londolozi Private Game Reserve, or Mala Mala Game Reserve. These are among South Africa’s great tracts of untamed gamelands that adjoin famed Kruger National Park. Witness wildlife that moves from the foothills of the Libombo Mountains in the east to the Drakensberg Mountains in the west. At camp you will enjoy close-range sightings of leopard, rhino, lion, elephant, buffalo, cheetah, blue wildebeest, the elusive wild dog, and more. Enjoy a game drive with a ranger-tracker this afternoon. Before returning to your lodge, stop for sundowners, a chance to enjoy a cool beverage and watch the twilight softening the colors of the landscape before heading back to camp. Overnight at Kambaku Safari Lodge, deep in the heart of the reserve, or upgrade to Mala Mala (Main Camp), overlooking the Sand River, or Kambaku River Sands. With outstanding leopard viewing, Kambaku and Mala Mala provide a haven for observing these majestic creatures in their natural habitat...BLD

Classic Accommodation: Kambaku Safari Lodge

Optional Upgrade: Kambaku River Sands or Mala Mala (Main Camp or Londolozi Varty Camp)

DAYS 8-9

GREATER KRUGER NATIONAL PARK

Your days are filled with superb gameviewing. The Big Five roam freely here, and on your early morning and late afternoon game drives, you’ll see leopard tracks, colorful birds, graceful antelope, giraffe, comical warthogs, and zebras.

Itinerary (cont'd)

At dusk, your ranger-guide will make a stop where you can enjoy a sundowner drink and discuss the day's sightings. As you head back to camp for dinner, the ranger's spotlight might reveal a genet cat, an owl, a nightjar blinking in the road, or a pride of lions on the hunt. Game walks with an armed ranger and tracker are also offered, allowing you to see some of the smaller creatures of the bush and learn more about the flora and fauna. Overnights at camp...BLD each day

Leopard Viewing: Although renowned for being the “elusive” wild cat, hardly a day goes by at Londolozi and Mala Mala without these predatory stalkers being seen. While these cats are not tame by any means, they have become accustomed to vehicles and take no notice of them. This provides an ideal viewing opportunity, as the leopards permit safari vehicles to follow them through the bush even while hunting. Superb photographic opportunities frequently present themselves as leopards feed or lounge in trees, move alongside open safari vehicles, or stretch their limbs on termite mounds. Leopard frequently patrol the vicinity of the camp after dark, and their distinctive, hoarse calls add great excitement to the experience of the African night.

DAY 10 DEPART

Transfer to the airport for a flight to Johannesburg and connect with homeward-bound flights...B

Its inland delta system is the largest in the world, 8,000 square miles filled with water channels, lagoons, swamps, and islands. Apart from the outstanding beauty of the wetland habitat, this unique area supports and sustains a huge diversity of fauna and flora so that game viewing is excellent throughout the year, with elephants congregating along the lagoons and waterways and impala, wildebeest, red lechwe, zebra, giraffe, sable, and buffalo found on the game-rich floodplains, along with their predators—lion, leopard, cheetah, and hyena.

AMONG THE ELEPHANTS AND RHINOS EXTENSION

Magnificent Hwange National Park, one of the largest national parks in Africa, is home to some 40,000 elephants along with lion, hippo, cheetah, and more. You'll also have the unique opportunity to visit two white rhinos at the Ngamo Rhino Sanctuary in Hwange—these are the first white rhinos to be reintroduced in this part of Zimbabwe. Enjoy game drives with the flexibility to get out and walk, lantern-lit dinners in the bush, a ride on a vintage railway car, and a walk to school with the local kids (you'll even learn a few words of their click language).

The hotel has very helpful staff and concierge, an extensive breakfast buffet in the courtyard, and a small but friendly bar. There is a pool area with adjacent gym facilities. Spa treatments are available.

THE VICTORIA AND ALFRED HOTEL (OPTIONAL UPGRADE)

Built in 1904 as the North Quay Warehouse and converted in 1990 to a hotel, the V&A is just a few minutes' walk from the shops, bars, and restaurants of the Victoria & Alfred Waterfront. It offers well-appointed rooms, a spa, a small gym, and an outdoor pool and bar. Breakfast and lunch are served al fresco on the terrace.

CAPE GRACE HOTEL (OPTIONAL UPGRADE)

The Cape Grace has understated elegance and a unique location on its own private quay on the Victoria & Alfred Waterfront. Not surprisingly, it is a member of the prestigious Small Luxury Hotels of the World. The rooms and common areas are very stylish, the staff is superbly trained, and there are wonderful views of the harbor, marina, and Table Mountain. This hotel is extraordinary for its tasteful decor and exceptional location. Readers of Condé Nast Traveler voted the Cape Grace “the best hotel in the world” in the magazine’s Readers’ Choice Awards.

DAYS 4 TO 6 (3 NIGHTS): THORNYBUSH GAME RESERVE, SOUTH AFRICA

In Thornybush Game Reserve, we stay at one of the following properties based on availability and choice of accommodation:

SHUMBALALA GAME LODGE

Shumbalala is a feast for the senses, with spacious suites and private viewing decks overlooking an ever-active waterhole. The lodge caters to a maximum of eight guests in four suites, each with its own fireplace and spacious bathroom with indoor and outdoor showers. One of Shumbalala's attractions is its underground wine cellar in full view of the river. Delightful meals are prepared by Shumbalala's expert chef and can be taken either in the comfort of your private deck or in the candle-lit dining room accompanied by a crackling fire in winter.

THORNYBUSH GAME LODGE

Nestled in the heart of Big Five country adjacent to Kruger National Park lies the Thornybush Nature Reserve, over 14,000 hectares of pristine African bushveld with a huge diversity of mammal and bird species. Here, the elegant and exclusive 5-star Thornybush Game Lodge awaits your discovery. The lodge overlooks a waterhole and riverbed where elephants, buffalo, and other wildlife come to drink, and most of the guest suites enjoy river-facing views. Each suite has an en suite bathroom and indoor and outdoor shower.

Lodging (cont'd)

DAYS 7 TO 9 (3 NIGHTS): GREATER KRUGER NATIONAL PARK, SOUTH AFRICA

In the Greater Kruger National Park, we stay at one of the following camps, based on availability and choice of accommodation:

KAMBAKU SAFARI LODGE

Kambaku Safari Lodge is set on the wild savannas of Timbavati Private Game Reserve, a vast and magnificent stretch of private game lands bordering Kruger National Park. There are no fences between Timbavati and Kruger, so the animals move freely between the reserves. The lodge has eight lovely thatched rooms with four-poster beds, en suite bathrooms, and private verandas. When you're not out searching for game with the Trip Leader and your expert Shangaan spotter, you can watch wildlife right from the lodge's dining room or from your private veranda. Leisurely brunches are served on the veranda or around the pool, and guests are often entertained by the resident warthog family on the lawn. The lodge is entirely solar powered, adding to its green footprint. Dinners are lighted by the Milky Way, a bonfire, and lanterns. The name Kambaku is the Shangaan word for "solitary bull elephant," a tribute to the seven famous big tuskers who roamed Kruger during the last century.

KAMBAKU RIVER SANDS (OPTIONAL UPGRADE)

Set in the heart of Timbavati Game Reserve, Kambaku River Sands lies along the banks of a dry riverbed, and since the camp is unfenced, you'll enjoy watching a variety of wildlife as they amble through. Ten thatched cottages offer private viewing decks, canopy beds, and a private bath with spa tub and double shower (and outside shower!). The main lodge features a lounge with two huge fireplaces, ideal places to relax on cool winter nights. There's also a spa with swimming pool, sauna, and gym.

LONDOLOZI (OPTIONAL UPGRADE)

Londolozi, meaning “protector of all living things” in Zulu, was the first game reserve in the world to be accorded Relais & Chateaux status. The camp started as a hunting lodge in the 1920s and it is one of the most deluxe safari accommodations in Africa, setting the standards for decor, luxury, and personal service. Londolozi has been named Top Safari Resort in Condé Nast Traveler’s Readers’ Choice Awards. Lodging at Londolozi is divided into five distinct camps. For your Private Journey, we book either Varty Camp or Founder’s Camp (depending on availability) with eight chalets or seven chalets, respectively. Londolozi’s luxurious chalets featuring striking African designs, canopied beds, and inlaid mosaic floors. The chalets are air-conditioned and have elegant bathrooms that include a grand bathtub with a wonderful view. The service is excellent, from the restaurant staff to the wonderful rangers and trackers that accompany you on the game drives. Dinners are served under the stars in the large boma (enclosed outdoor area). With over 40,000 acres of private land to explore and an unfenced border with famous Kruger National Park, the “big five” gameviewing is out of this world. Leopard sightings are famous here and it’s thrill to photograph these beautiful creatures as they prowl the bush and lounge in the tree limbs.

MALA MALA GAME RESERVE (OPTIONAL UPGRADE)

One of South Africa’s original safari venues and still one of the finest, Mala Mala retains an authentic safari camp atmosphere amid shady trees and lawns overlooking the Sand River. Mala Mala Main Camp has eight suites and ten rooms. Guest rooms are large, thatch-roofed, air-conditioned bungalows with his and her bathrooms and high ceilings. Dinner is served under the stars in the boma (enclosed outdoor area), a Mala Mala tradition for over 60 years. Of course, the wildlife viewing is world class here. With 33,000 acres of private land and an unfenced border with the world-renowned Kruger National Park, Mala Mala Private Game Reserve gets you close to some of the most amazing animals in the world. The swimming pool by the river is a pleasant place to relax between game drives.
