Itinerary

DAY 1

CAPE TOWN, SOUTH AFRICA

Upon arrival in Cape Town, you are met and transferred to your hotel. Long regarded as one of the most beautiful cities in the world, Cape Town is southern Africa's most romantic city. Few cities in the world can match its splendid setting along the spine of the mountainous Cape Peninsula. The view of the Cape that entranced early mariners over the centuries is still here—a spectacular amphitheater formed by Devil's Peak, Table Mountain, and Lion's Head to the west. The summit plateau provides breathtaking views of Cape Town and the Cape Peninsula, and at night in the summer months, the mountain is floodlit. This lively city today is also a rare cultural gem, an amalgamation of African, Indonesian, French, Dutch, British, and German cultures. Overnight at hotel...Meals on your own

Classic Accommodation: Commodore Hotel
Optional Upgrade: Victoria and Alfred Hotel
Optional Upgrade: Cape Grace Hotel

DAYS 2-3

CAPE TOWN

Your program in Cape Town includes your choice of two of the following full-day private guided options, one each day. The minimum participation is two persons. Dinners on your own and overnights in Cape Town...BL each day

Full-Day Cape Peninsula / Table Mountain: Enjoy a morning of exploring the spectacular Cape Peninsula, the Cape of Good Hope Nature Reserve, and Cape Point itself, where the Cape Point lighthouse stands on top of sea cliffs at the very tip of the African continent. Visit the Boulders Penguin Colony, home to a growing colony of rare African penguins. After lunch, take the cable car (weather permitting) up world-famous Table Mountain for incredible views of the city and Table Bay. This mountain is one of the most spectacular urban geographic features in the world and also an incredible environment for hundreds of species of endemic flora. Descent is also by cable car. Note that the order of this program may be reversed. A visit to the National Botanical Gardens at Kirstenbosch, where 10,000 species are cultivated on 1,000 acres, can be substituted for Table Mountain.

Full-Day Shark Dive: Enjoy a day in famed Shark Alley for the thrill of a "cage dive" to view magnificent Great White sharks from underwater (no dive experience necessary). You begin with an early morning start and a two-hour drive to Gansbaai, where you have breakfast and an orientation on arrival. A 30-minute boat ride then takes you to Shark Alley, a shallow channel that is the world's best place to see Great White sharks. The skipper anchors the boat and baits the sharks, and you have the opportunity to view from the deck or to enter a special diving cage just below the surface. A light lunch is included, served on board. The boat returns to the dock by mid-afternoon. (Note: Shark sightings

Full-Day Table Mountain and Winelands Visit: En route to the wine country, take the cable car up spectacular Table Mountain (weather permitting). Descent is also by cable car. Afterwards, head out of the city to spend the rest of the day touring South Africa’s centuries-old wine estates, with their beautiful Cape Dutch architecture. Visit the historic town of Stellenbosch, the oldest town in South Africa, and the Franschhoek Valley, birthplace of South Africa’s wine culture, begun by the French Huguenots who founded Franschhoek in 1688. Also visit the Paarl Valley, where the Afrikaans language came from, and enjoy two wine tastings. Lunch is in the lovely town of Franschhoek. After lunch, take a boat ride out to historic Robben Island, six miles offshore in Table Bay, where Nelson Mandela was imprisoned for many years. The island’s former role as a maximum security political prison made it notorious, but it has now has been developed as a nature reserve, museum, and poignant memorial to South Africa’s long liberation struggle. Some of the guides are former political prisoners.

Also note it is closed every summer for two weeks at the end of July for maintenance; Kirstenbosch Garden can be substituted when Table Mountain is not available.

Note: Our optional 3-day Cape Winelands Extension begins on Day 4. See our website for details.

DAY 4

GREATER KRUGER NATIONAL PARK

Transfer to the airport for a scheduled flight to the Greater Kruger National Park, one of South Africa’s great tracts of untamed gamelands. Enjoy your first game drive this afternoon. Accompanied by a professional game ranger and tracker in open 4WD safari vehicles, you have an excellent chance to encounter lion, leopard, elephant, rhino, buffalo (Africa’s “Big Five”), cheetah, and many

other species in their natural habitat. The vehicles go off the road, when necessary, to afford you the best possible viewing. The safari continues on into the dark when spotlights are used to follow the game. As most of the predators are nocturnal, this is the best time for viewing some animal hunts. Return to camp for dinner and overnight. Overnight at chosen lodge. Depending on your choice, you will fly to these specific lodges located in Thornybush Private Game Reserve, Mala Mala Game Reserve, or Sabi Sand Game Reserve...BLD

Following afternoon tea, you set out on a second game drive that lasts until dusk, with a stop at a scenic spot for sundowners before returning to the lodge for dinner. Being on private land means there are few restrictions on bushwalks, game drives, or night drives. You can off-road with your tracker-guide as much as you like. DAYS 4 TO 6 (3 NIGHTS): GREATER KRUGER NATIONAL PARK, SOUTH AFRICA

In the Greater Kruger National Park, we stay at one of the following camps, based on availability and choice of accommodation:

KAMBAKU SAFARI LODGE

Timbavati Private Game Reserve, Greater Kruger Park, South Africa

Kambaku Safari Lodge is set on the wild savannas of Timbavati Private Game Reserve, a vast and magnificent stretch of private game lands bordering Kruger National Park. There are no fences between Timbavati and Kruger, so the animals move freely between the reserves. The lodge has eight lovely thatched rooms with four-poster beds, en suite bathrooms, and private verandas. When you're not out searching for game with the Trip Leader and your expert Shangaan spotter, you can watch wildlife right from the lodge's dining room or from your private veranda. Leisurely brunches are served on the veranda or around the pool, and guests are often entertained by the resident warthog family on the lawn. The lodge is entirely solar powered, adding to its green footprint. Dinners are lighted by the Milky Way, a bonfire, and lanterns. The name Kambaku is the Shangaan word for "solitary bull elephant," a tribute to the seven famous big tuskers who roamed Kruger during the last century.

Varty Camp

LONDOLOZI (OPTIONAL UPGRADE)

Sabi Sand Game Reserve, South Africa

Londolozi, meaning "protector of all living things" in Zulu, was the first game reserve in the world to be accorded Relais & Chateaux status. The camp started as a hunting lodge in the 1920s and it is one of the most deluxe safari accommodations in Africa, setting the standards for decor, luxury, and personal service. Londolozi has been named Top Safari Resort in Condé Nast Traveler's Readers' Choice Awards. Lodging at Londolozi is divided into five distinct camps. For your Private Journey, we book either Varty Camp or Founder's Camp (depending on availability) with eight chalets or seven chalets, respectively. Londolozi's luxurious chalets featuring striking African designs, canopied beds, and inlaid mosaic floors. The chalets are air-conditioned and have elegant bathrooms that include a grand bathtub with a wonderful view. The service is excellent, from the restaurant staff to the wonderful rangers and trackers that accompany you on the game drives. Dinners are served under the stars in the large boma (enclosed outdoor area). With over 40,000 acres of private land to explore and an unfenced border with famous Kruger National Park, the "big five" gameviewing is out of this world. Leopard sightings are famous here and it's thrill to photograph these beautiful creatures as they prowl the bush and lounge in the tree limbs.

Accommodations (cont'd)

The swimming pool by the river is a pleasant place to relax between game drives.

DAY 7 (1 NIGHT): VICTORIAS FALLS, ZIMBABWE OR ZAMBIA

In Victoria Falls, we stay at one of the following properties, based on availability and choice of accommodation:

VICTORIA FALLS HOTEL

The stately Victoria Falls Hotel is a “grand dame” with a true British colonial ambiance, from its manicured gardens to its renowned elegant afternoon tea service. It was built in 1905 and is just a 15-minute walk from Victoria Falls. It's right on the edge of the river, and the long, shaded sundeck is a great place for a drink and uninterrupted views of the Zambezi River and the huge spray of the falls in the distance. The well-laid-out complex and the grounds are often full of wildlife from monkeys to giraffes and zebras. The buffet breakfast here is a lavish spread. The Royal Livingstone was rated among Africa's Top 10 Hotels by readers of Travel & Leisure.

Meals are top notch, enjoyed with good wines, and afternoon tea is served on the shaded lawn. The staff and game trackers at Chobe Chilwero are wonderful, as is the game viewing, whether by boat or by 4WD vehicle. The lodge earned Condé Nast Traveler's "Best Lodge in Botswana" in the Readers' Choice Awards.

LINYANTI BUSH CAMP (OPTIONAL UPGRADE)

On the western edge of Chobe in the Chobe Enclave, Linyanti Bush Camp offers an incredibly intimate tented camp with six spacious, finely appointed tents with en suite bathrooms. The exclusive camp is set on the banks of the Linyanti marshes in a private reserve, best known for its large herds of elephants that come to the river during the dry season, and providing spectacular birding all year round. Lion, sable and roan antelope, leopard, and wild dog are also frequent visitors as is the elusive sitatunga antelope, red lechwe, hippo and crocodile. This is the ideal spot for a remote safari experience (away from the busier routes in Chobe National Park!) with a superb level of personalized service. Options at Linyanti include game drives, walking safaris, game viewing from hides, spotlighting, bird watching, boating and fishing safaris as well as guided mokoro safaris (subject to water levels).

Trip Details

WHAT THE TRIP IS LIKE

This trip is rated Level 2, easy to moderate. It is a luxury camping and lodge safari with game viewing by 4WD vehicle and can be enjoyed by anyone in reasonably good health. On safari, there are long driving days over rough roads and rugged dirt tracks. Guided bush walks are available and they take place at a moderate pace.

CHILDREN

This is an excellent trip for children and families. The recommended minimum age is 8. Triple rooms (subject to availability) can be requested.

WEATHER

The lodges on this program offer excellent gameviewing year round. Game viewing is often at its best from the end of March to the end of August, the drier season, when vegetation becomes sparser, causing greater animal congregations around waterholes. Most rainfall occurs usually between December and February in the form of afternoon or evening thunderstorms. In general, there is a warm climate with cool nights in “winter” (March–August in the Southern Hemisphere).

Cape Town’s peak season is September to March, with highs of 65F in September up to 80F in February. September to February, there is little rain. Southeasterly winds occur in November and early December. In the cooler months, the daily highs are in the mid-60s. The highest rainfall is in July and August. For those who are interested in the shark diving option, the best season is May to August, and the intermediate season is March/April and September/October. At Victoria Falls, the months of May to September are like Mediterranean summers, with warm, sunny days and cool nights. Frosts at night are not uncommon. Most of the rain comes between October and April in the form of afternoon thunderstorms.

PRIVATE SAFARI GUIDED SERVICES

In Cape Town, you will have a private guide and vehicle for your two excursions. In the game parks, there will be resident naturalists guides at each camp. They are all keen, experienced conservationists. Please note that other guests at the camp will join you for the guided safari activities. There are usually several guides at camp, so the size of your group will be small. Over the course of your stay at each camp, local guides will try their best to accommodate any special interests you have.

VEHICLES

You will have a private vehicle for the Cape Town excursions. At the game parks, game drives are typically in open-sided 4WD vehicles. The vehicles will be shared with other guests.

Please be advised that California has established a Travel Consumer Restitution Fund under the California Seller of Travel Law that took effect January 1, 1996. This fund is designed to protect consumers from unscrupulous practices by discount airfare ticket sellers or air charter operators. Unfortunately, this law does not cover non-California residents and, even in the case of California residents, it does not cover any foreign travel where the foreign "providers of transportation or travel services" are not in compliance with the Sellers of Travel Law (compliance being defined as registered as a Seller of Travel in California and a participant in the Travel Consumer Restitution Fund). Thus none of Wilderness Travel's tours qualify and we are required by law to advise each client that they are not covered by the California Travel Consumer Restitution Fund. California law requires sellers of travel to maintain a trust account or bond. This business has a trust account. California Seller of Travel #100769640
